Dear Ron,

I have read the hardback second edition of your book *Reason to Believe* and am confident it will do much good in bolstering the faith, or even helping to prepare for the faith in non-believers, of those who read it.

I am one of the official censors of the Archdiocese of Sydney and I can find nothing in it contrary to the teachings of the Church.

The references to the writings of Katya Rivas are supported by the statement on p. 197 from the priest from the Commission for the Doctrine of the Faith in the Archdiocese of Mexico to the effect that he cannot find anything in her writings against the faith or customs of the Church.

I wish you well in promoting the book and the ideas contained in it, and I am sure it will continue to do much good.

Yours sincerely in Christ,

Fr John Flader
Director
