

Recently St. Remy parish in Russia, Ohio had Tim Francis come and give a talk and a video presentation about the reality of Our Lord's Presence in the Holy Eucharist. Tim did an amazing job in both presenting the Church's teachings on the Holy Eucharist and weaving in his own personal story of conversion and how Our Lord's True Presence played such a vital part in bringing him back to the Catholic Faith. Many commented on how much their faith was strengthened by Tim's presentation and I would highly recommend this for any parish!
