Dear Tim,

Your visit and presentations on September 9<sup>th</sup> and 10<sup>th</sup> at St. Raphael Parish were truly life changing! I received numerous comments from parishioners about your talk and the inspiring message you left. Many of us (myself included) were made aware of Eucharistic miracles that we had not been aware before you shared them. It's truly amazing how our Lord uses the Eucharist to remind us of his love and presence. We have you to thank for reminding us of this heavenly gift!

Your direct (yet pastoral) approach to sharing the importance of treating the Eucharist as the fullness of the presence of our Lord was a most welcome wake-up call. Many have forgotten the importance of treating the Eucharist with the love and devotion our Lord meant it to be.

I heartily recommend your talk to any parish that desires to deepen their love, respect, and devotion of the Eucharist that our Catholic faith invites. Feel free to share my contact information with any parish wishing to further discuss my recommendation.

May our Lord continue to bless your ministry!

In God's Love,

Dr. Andy Kereky
