Dear Friends in Christ,

On October 22 and 27, 2015, we welcomed Mr. Tim Francis, of You Shall Believe Ministries, to St. Wendelin Parish for a two day event. On both nights I found his message to be one that moves the faithful to a new level of awareness and truly helps those who are skeptical. Through his personal journey testimony and witness to the conclusive evidence found by scientific investigation, Mr. Francis communicates the truths of the Catholic faith and the miracles of the Holy Eucharist in an inspiring way that has reinforced for all the belief in the real presence of Jesus Christ, Body, Blood, Soul, and Divinity.

Participation in weekly confession has risen sharply. Our parishioners shared their thoughts after the event; some of their responses included statements like:

- "It was wonderful. He was so enthusiastic about the faith."
- "His passion gave me the courage to invite someone to the presentation."
- "He reaffirmed my pride in being a Catholic."
- "It was so good. Everyone should hear this message."
- "I've been a Catholic all my life and he told of so many things I never knew."

Let it be known, Tim is filled with great enthusiasm and knowledge of the subject. His materials are more than useful for a person of faith as well as a person questioning, who wants to grow and know more. We truly enjoyed his visit and continue to follow-up, seeing fruits from his labors.

I am pleased to recommend Mr. Tim Francis and You Shall Believe Ministries for the members of your parish family.

Sincerely,

Fr. Todd Dominique  
Pastor
