TO WHOM IT MAY CONCERN

These few lines are to introduce Mr. Michael Willesee and Mr. Ron Tesoriero of Trans Media Group, a private film and documentary producer based in Sydney, Australia.

Trans Media Group has recently produced a superb documentary on the Eucharist. *The Eucharist* has proven to be a powerful catechetical tool in Australia, providing a great inspiration for understanding and devotion to the Blessed Sacrament.

I am very happy to endorse *The Eucharist* and to support the work of Mr. Willesee and Mr. Tesoriero. Any assistance you could give them would be sincerely appreciated.

Yours faithfully,

+ George Pell

ARCHBISHOP OF SYDNEY.
