**IMPRIMATUR:**

We have read Catalina's books and we are sure that their only objective is to guide us all on a journey of authentic spirituality, founded on the Gospel of Christ. The books likewise highlight the special place occupied by the Blessed Virgin Mary, our role model in loving and following Jesus Christ, our Mother to whom we should offer our complete trust and love.

In renewing the love and devotion to the Holy Catholic Church, the books enlighten us on the actions that should characterize a truly committed Christian.

For all this, I authorize their edition and distribution, and recommend them as texts of meditation and spiritual orientation, with the purpose of answering Our Lord's calling to save many souls, showing them that He is a living God, full of love and mercy.

## Introduction

Like the earlier books dictated to Catalina, this reaches us together with a soft breeze that transmits a sweet Message of pure, living and fertile love.

Right from the first topic, the proposal is clear and concrete: *"Never distance yourself from the Door to My Heart"* (DH-1). The revelation is eloquent: *"The Door to Heaven is the Heart of Jesus."* Hence the insistence of the messages received in the world, inviting us to *consecrate ourselves to the Sacred Hearts of Jesus and Mary*, become one in their most sublime expression.

This spiritual School instructs us that in order to pass through the Door and enter the Kingdom of Heaven it we must live in Grace, since this is the way God works in each man and helps him to mold his identity. Emphasize the significant resource of the Holy Spirit as a fountain of inspiration and saintly knowledge.

To be precise, to illuminate our path, observe in a critical manner the behavior of modern man; He feels hurt by the indifference of the world towards their God and bitterly claims: *"The souls I have saved with My blood, have strayed away from Me..."* He is the Good Shepherd, He goes after His sheep, but many do not want to listen

Notwithstanding, His patience is infinite and from the depths of His Spirit He presents Himself once more to this ungrateful man, enunciating the name that springs from the abyss of His Heart: *"My name is Love,"* and with that He embraces us, drawing us closer to the righteousness of Heaven, the Homeland of all souls who love the Lord. He wants us all to be together, which is why *He reminds us of the dialogue with the Holy Spirit through prayer, the importance of good deeds for God and man. He explains the meaning of suffering and, in the last analysis, He reminds us in the inevitable duty of all God's children: to "concern ourselves with His Glory."*

It is an invitation to follow in His footsteps, to be His instruments of love and mercy, although He perceives - with sadness and bitterness - that our commitment is half-hearted, which is why He criticizes the lukewarmness of our hearts and attitudes.

Do not falter, He continues to advise man. He wants *"unity"* in the prayer groups, in the communities, in the whole world. We were all born of the same Father, our Creator, but we have forgotten His loving teachings. Many *"defects"* separate men: we do not work for our fellow men;

we have neglected humility, for many people purity is an inconceivable and archaic concept, while it is one of the most precious virtues for God. He reminds us how wrath and anger disfigure even the most beautiful face. Finally He says: *"You will find Me through silence ... I do not like the noise or the profanity of the world."*

He speaks to us of *Heaven, Purgatory and Hell*, realities that man's rationalism and pride want to ignore or understand in their own way, but He insists in their fundamental role.

When Jesus addresses us, He never forgets His Mother: *He invites us to come closer to her, the Queen of Heaven, without sin, the Loving Mother, the Protectress. Mary's time has come!*

She is of one heart with her Son...there is a sentence for those who do not want to recognize her: *"Those who accuse My Mother, accuse Me."*

This fervent and wise dialogue seeks an answer from man, one that commits his free will and surrenders it to His Divine Love, one that springs from the depths of the heart, saying an authentic, loyal, trusting and generous *"yes"*.

In this garden of delight where every Message becomes a fresh, juicy fruit, there is still more. At Jesus' request, the *"Prayer Groups"* of Cochabamba and La Paz were to join forces and work together. To facilitate this meeting and discussion, a *"Spiritual Retreat"* was organized in the city. The people responsible for the group selected the topics to be discussed, but they received a great and wonderful surprise when Jesus announced to Catalina that He would dictate the subject matter and context of the Retreat...

The Messages in DH-38 correspond to the aforementioned experience. No one could have expected such a Grace. The arguments are topical, touching on the doubts and truths of present-day man and, in their time, constituted the vectors that marked the new identity that we were acquiring, encouraging our desire to become lay people primarily committed to His Word. It was the least that could be offered to the *"living"* Christ who is always lovingly present in all human acts, yesterday, today and tomorrow. We did not stop thinking about the Blessed Faustina Kowalska, whom Jesus also guided during a Spiritual Retreat in the 1930's.

These are the Fountains of Love and Mercy that flow from the depths of divine feeling. How can we not drink from this fountain that offers us fresh, living water ...even more so if the source is so close? Why discuss or doubt this Good thing so much when the fruits are abundant, lasting, good and delicious?

Remember the words: *"My sheep know Me and I know them."*

Let us be thankful to the good God who spreads His Word even though men turn a deaf ear. *A few will listen, eventually there will be more; later the seed will die, but the fruit will live on.*

Let us be thankful to our generous sister, Catalina, who with the spirit of oblation has dedicated her life to the service of this extraordinary cause. Our Lord blesses her daily with His fraternal and intimate Word.

*Jesus is the Way, the Truth and the Life. What a sweet path that passes through the hearts of Jesus and Mary and leads us to the Door to Heaven!*

*Then, let us enter!*

## The Messages

The messages that follow were originally dictated in Spanish through inner locutions to Catalina who recorded them by hand in notebooks. After the issuance of an Imprimatur for the messages by the Archbishop of Cochabamba, the translations of the messages from the original Spanish text into English began.

A priest, fluent in both English and Spanish, has said that the style of Spanish used in the messages "is a great lyrical quality. It is almost like poetry; it is prose, but it almost rhymes; it is a very beautiful lyrical language, and if one believes that it is Jesus who is speaking one should not be surprised." Capturing the beauty of the original Spanish wording was a challenge in developing the English translations that follow.

In the text of the messages, the reader will often find the symbol "... " which indicates a pause for emphasis and a moment of reflection:

### DO NOT STRAY FROM THE DOOR TO MY HEART

DH-1 (CL-134)

22-Jan-96

The Lord

<sup>1)</sup> I want you to be in peace, to trust Me fully. Am I not here with you? I am the one who guides you, who leads you. Do you think that you could solve all

the problems that arise on your own? I want you to serve Me always, even in those dark moments when you think you are utterly useless.

<sup>2)</sup> Love of My pain, My most beloved girl, why do you worry so much about things that you cannot solve? Trust in your God... Love Me and pray, amend...

<sup>3)</sup> The offence to Heaven is so great that not one second of the day passes without the Holy Trinity being offended. Why do they hurt Me? Have I not given them even My last breath? Which of you would do for your brethren a thousandth part of what My Love for you did? What it does today?

<sup>4)</sup> Never stray away from the Door of My Heart; do not stop in the struggle for My greater glory. You, with nothing, are united to My greatness which should fill you with strength.

<sup>5)</sup> Do you know why they fight against My works? Because of meanness, susceptible mistrust, convenience... I will answer with the humility of a God who has been mocked and misunderstood; the bow cannot always be drawn!

<sup>6)</sup> I like to see in you what the world calls craziness. Since when have you worried about what people will say? Why start now?

<sup>7)</sup> Do not lose your peace on account of the devil's traps. I know by name those people who are not aware of My true name: Love. They live their life, their poor life and none of them fulfill their responsibilities to Me. Each day they get more and more lost and, with them, those I have entrusted to them. They cannot even save themselves.

<sup>8)</sup> Do not turn your feet aside from the path that I have created for you, not even one centimeter, the path of the return of love to My Eucharistic Heart. I know that you are too weak, that I have to support you every single moment, but... It pleases Me so much to do so...!

<sup>9)</sup> Understand little one, it is not your time; keep your insignia secret. I do not want anybody to touch My seal, not now that it is the beginning of My union with you. Do not give explanations, let them think what they want, because at the end My Will will be done... The special days disappear, pray a lot; I hope that they visit you to pray together, not just out of curiosity.

<sup>10)</sup> You console My Heart so much! I love those who console Me like this so much! Do you want to console Me even more? Pray, amend the pain that they are going to give Me. My poor children, My little ones, those who will have to be sacrificed. The corruption of the "privileged" has exhausted the patience of those who are defenseless.

## ALWAYS TAKE RECOURSE IN MY SPIRIT

DH-2

20-Feb-96

The Lord

<sup>1)</sup> My daughter, My Mercy and My Forgiveness will always be in My Heart for you because you are faithful and you snatch all these sentiments, fruits of love, from Me.

<sup>2)</sup> I want you to be serene. I do not want you to change your temperament, you would not be able to. I speak of serenity that is based on hope, on trust in Me, on abandoning yourself unrestrainedly to your Lord.

<sup>3)</sup> Stay where you are, always have recourse to My Spirit that encourages you and leads you. If you allow your humanity to interfere in your undertakings, you drown His voice. Assume your responsibilities and let yourself be guided at the same time by the intelligence of the One who leads you.

<sup>4)</sup> Many times you will have to suppress your heart in order to reach Mine.

<sup>5)</sup> Now you see how My Merciful Love has solved your small problems. All those who give one glass of water to one of Mine will receive a hundred for one. You still have no idea how I will allay your worries! I do not want them in your head, only those that are for one cause: Mine.

<sup>6)</sup> Tonight, be with Me beside the dying....

## YOUR GOD IS PRESENT IN EACH AND EVERY ONE OF YOU

DH-3

23-Mar-96

The Lord

<sup>1)</sup> My little one, peace be with you, feel Me, drive out your anguish. Do not let the enemy mistreat you. I will support you and lift your spirit when Satan tries to destroy your peace. My Mother has warned you so much against the underhanded attacks of the enemies of the soul.

<sup>2)</sup> If in the realm of eternity Redemption had not evolved, it would not have been so perfect and so complete. All My acts would have been circumscribed and terminated had it not been for the Eternal Will united with Mine. Only in this way was I able to embrace all humanity, from the first to the last, and to absorb all forms of pain.

<sup>3)</sup> My Cross was long like the centuries and as wide as all humanity. Many souls will love Me so much when they find out about the sufferings that My Will and Humanity suffered for their sake. I am very grateful for all the effort you are making to announce My Passion.

<sup>4)</sup> Unfortunately, human nature today in this century of corruption, the century of the devil, has to see to believe, which is why there are so many images that weep, to make people come back to Me somehow. My daughter, that is why I ask for reparation... The sins of the world are so many that they oppress Me more and more each day.

<sup>5)</sup> My dearest daughter, you have done My Will, you have permitted Me to take your hands and your feet to console and rest in them for a while. Thank you for your dedication and your silent sacrifice. This is over for now, because I need you to be active for the work we are starting. I have given you an office, you have peace and quiet. Help your Lord in this stage... Do not be sad, you have understood well, this part of your suffering is over, but I have said for now.

<sup>6)</sup> Gather together your dear brothers, pray together during the days left for you of visible suffering. I will always be with you as long as you are always willing to help Me carry My Cross. Believe Me how much the souls who commit themselves and consecrate themselves to My Divine Will help Me, and nowadays there are not very many. I am present, not mystically, but present with My Mother and My Angels when you pray on those days. How many prayers I listen to with love from the people who suffer My pains!

<sup>7)</sup> Do not lose fervor and enthusiasm in your works, both small and large. Give it everything you have... Solemnly I tell you that you are very privileged! Many of the consecrated would wish to have the teachings that you have had... Do not let it fall into oblivion. Do not keep them to yourselves, teach them to your brothers. Do what My first disciples did, go out and preach what you have learnt, but first, you must assimilate it...

<sup>8)</sup> My children, your God is present in each and every one of you, make your God the first and foremost in your families.

## ACCOMPANY ME IN MY PAIN

DH-4

30-Mar-96

The Lord

<sup>1)</sup> My daughter, My little one... With your love, repair all the pains inflicted on My Divine Heart. Darkness was not meant to have light and all men have areas of darkness and light, but darkness prevents men from relishing light.

<sup>2)</sup> I had warned you, My insignia would not be visible on your limbs... There have already been medical examinations in hospital. The most insignificant faults become serious for the soul that doubts, because that soul causes other, greater faults.

I told you earlier that I would not permit anyone to touch My wounds any more. It is not your fault, you have nothing to fear. Leave it at that and I will simply manifest Myself in this form when I believe the time is right.

<sup>3)</sup> I have been and am still being mistreated; they have turned Me into a wretched being by force of sufferings. I have bowed My head against their sarcasm, I am still bowing My head. Today it is something between you and Me. You will accompany Me in My pain as before, and this will help Me to carry on saving souls. But I most certainly will not be a public spectacle for science. I have already allowed some of My other chosen ones to be the object of ridicule of their rationalist minds, but not you.

<sup>4)</sup> This is not goodbye; do not feel bad. I will always be with you; now you will be able to feel Me much more because all your actions will be guided by Me. Simply abandon yourself, put yourself in My hands, without doubt, without hesitation, with the same confidence you have had until now. And let Me act. I need you for other active work. Let your God work! Do not be upset by My silence, I repeat: I am in you!

<sup>5)</sup> My daughter you have fallen in love with your Jesus; I hope to find you attentive and full of confidence in the certainty of My coming. Adore your God with all your soul, you know how much your love pleases My Heart. The experience will be final, abandon yourself and trust that all the petitions made by those who prayed together with us in those days, were heard.

<sup>6)</sup> Be true in everything, as I am true, since you now possess the truth. Abandon yourself to Me so that I can work in you. Your God is immutable, when will they learn?

<sup>7)</sup> Work with those messages, I will tell you what to do.

<sup>8)</sup> *(During April, the Messages were private. He did not authorize me to reveal them.)*

### TRUE LOVE IS FRUITFUL OF GOOD WORKS

DH-5

5-May-96

The Lord

<sup>1)</sup> Beloved daughter, read Isaiah 12:2-6. Good, now let us talk about the gospel of My Heart, full of love. If man really believes in this divine and human love, if man believes in My invitation to the banquet of love, to the eternal kingdom, close to Me, then everyday difficulties and problems cannot dampen man's joy. Because the sorrows of this world, the most atrocious pains, cannot compare in any way to the love I have shown and the happiness that I have promised and have prepared for them.

<sup>2)</sup> Think, loving hearts rejoice when they think of the one they love and delight in reciprocated love. How great then should their happiness be when they know that I love them and that their love is of much interest to Me? That is why, My daughter, their love is of more importance to Me than their works, even though, true love is naturally fruitful of good works and untiring in giving proof of its existence.

<sup>3)</sup> Everything that is done with love and that you know will be pleasing to your loved one, you do with courage and enthusiasm without thinking of any difficulties. Even friends, when they are together, speak trustingly. Those whom I begin to conquer with My Love look with pleasure towards Me and rejoice in being able to thank and praise Me. So many saints have understood that the Eucharist signifies giving thanks and praise which should fill the hearts and the lives of My children, and that the most direct reason which impels the joyful praise of the Trinity, is the Love that My Father and the Holy Spirit have shown in Me.

<sup>4)</sup> My daughter, if the Israelites sang joyously during their pilgrimages along the path that led them to the temple in Jerusalem, you should come to meet Me with so much more happiness knowing that I am burning with Love for you all. This Eucharistic Love will make your life a tranquil pilgrimage towards your eternal homeland. During this time, you will be gratified to know that I am near you as the Way, the Truth and the Life, because in Me you have true life.

<sup>5)</sup> Speak to the priests, My daughter, tell them not to let the people see them looking unhappy, but only when they have found happiness once more. Make them understand how ridiculous and unjust it is to embitter themselves over nothing. Help them to find happiness. Tell them that all creation and the history of salvation speaks to them of My Love for you all, for mankind. In a special way the face of one who loves Me is eloquent. How can someone teach about My Love with a sad or bitter look on their face? Let them be enlightened by joyfully drawing water from Me, as I am the fountain of joy... Let them ask My Spirit to make them messengers and placid witnesses of My Love!

### I BLESS THOSE WHO LISTEN TO MY WORD

DH-6

10-May-96

The Lord

<sup>1)</sup> It pleases Me, My daughter, that you are seeking the way to eternal truth, of service to your brothers, the way of poorness of Spirit, the way that leads to knowledge and leaves to one side the vain ways of the world.

2) Do you know how much a spirit of sacrifice and obedience pleases Me? My bitter Passion has, undoubtedly, the dimension of expiation and satisfaction for the sins of men.

3) The mere fact that I have immersed Myself in the most profound suffering of this sinful world to the point of exposing Myself to torment, martyrdom and the humiliation by men, forms part of My unfathomable mystery, the mystery of this Love. But no one can understand My mystery if they do not penetrate the mystic depths of My Heart. The opposite is also true, no one can be introduced by Me into the depths of My Heart, if they are not willing to express their love and their gratitude with suffering and sacrifice.

4) At first, many of My children desire divine graces and many abandon that desire for the seductions of the world. I am the Word made flesh and to remain on the path of virtue, you should continually reject the falsehood of worldly riches created by man, which will never guarantee eternal freedom.

5) I want to speak to you about those children who believe that they are on the right road but are mistaken. Some are those who set out on the road without ever finding the path; they speak of paths of goodness, of love, but never practice neither goodness nor love. Others are those who make only half of their hearts work, that is to say that they fulfill My Word, but only the ones they choose to follow. They are the ones that will have to make do with less because they were never capable of obtaining the all the treasure in the Kingdom of Heaven.

6) But there are a few other children who do not look at the ways of the world, but focus on the true paths of salvation. These are the wise, those who give the best of their abilities without showing any form of favoritism. They listen to My Word, they perceive My Father's Will in their lives and, even if at times they commit human errors, they always take the road to the absolute.

7) I lived a human life for you, I suffered a human death, I experienced human temptations. What you live, I lived too. The manner in which My Angels waited for Me is the same way in which My Angels will wait for each one of you. This is why I bless those who listen to My Word and surrender to the truth, because they are wise.

8) They do not know how convenient it is to give the suffering that hurts them, the same meaning that I gave it. Let them turn this into a proof of their love for Me and their solidarity in salvation with their brothers. In this way they keep receiving and giving with gratitude, entering My course of solidarity in salvation...

9) I was obedience personified before the love and wisdom of My Father from the beginning of My earthly existence; but in order to make Me just like you, I also wanted to learn through My own experience to obey in the midst of the greatest suffering, of the most atrocious pain. You do not know with how much Love I gave pain a new, liberating meaning.

10) Think, nobody deserved so much love, nevertheless, nobody found so little love and so much hate. Did I not also show them the way to relieve all that suffering to the point of sanctification through love for the enemies and for prayers for those who were crucifying Me?

11) My little Catalina, faith is the work of the Holy Spirit, it is the gift of My pierced Heart; faith requires confidence in My Father's plan for salvation, even in suffering and trials... Believe Me that the most atrocious pain loses its poisonous burden when the soul is convinced that it has contributed to the good of humanity. All this is crowned with the knowledge that all sorrow upheld by My Love, will end in an enormous fountain of graces for others. In that significant transformation they are also borne from the fountain of graces, My Heart.

12) If My children act according to My Spirit, out of love for My Father and all those who have been redeemed, then I work in them and through them, so that the whole world may recognize that I and Mine love the Father and thus love all men.

13) How much I love to teach you My daughter! How much love have I poured in to this heart that is so sweet for your God!

#### PLACE YOUR HEART CLOSE TO MINE

DH-7

12-May-96

The Lord

1) My children, if you have studied and examined all the divine works without keeping in mind the Love of the Father, you will not understand their real meaning... God also wants your good works, but not as a retribution carried out without love for you to boast of.

2) The only thing that matters is to love with all your heart, all your soul and all your strength. Total love comes from My Love and springs from the depths of your hearts. Only in this way can you find truth because that love is fruitful through My Grace, fruitful with the fertility of roots and based on My Love that I want to make known to you. (Read John 15, 5-8)

3) That love, which is the only important thing, that makes life worthwhile, is achieved through an intimate union with Me. If the heart rests in the

Heart, if they place themselves unreservedly close to Mine, and if they trust totally in Me, they will see a prodigy come true in you. From that moment on, you will be capable of loving with your spirit and with your heart, with all the energy of your feelings and your will; you will learn to accept your mission with confidence.

<sup>4)</sup> The love that springs from My Heart, makes your spirit more vigilant, awake and more sensitive, because as soon as your heart is inflamed with My Love you will always lean towards good. I do not just point out what is possible through grace, but lead you by the hand and initiate you in the mystery of My Love, in a life of love.

<sup>5)</sup> My children, the decisive steps should be: to learn to love Me and, with Me, My Father; to learn to love your neighbor with Me; to pray incessantly for the gift of the Spirit that instills this love in them and shows them the way of true love.

#### PRAY FOR MY PRIESTS

DH-8                      15-May-96                      The Lord

<sup>1)</sup> Many of My priests are more worried about themselves than about saving souls. They should work tirelessly for the salvation of souls, they should deny themselves, but the majority do not do this, even though I prayed for them on the Cross: "Father into Thy hands I commend their souls, that none may be lost."

<sup>2)</sup> Pray and make sacrifices for them so that at the final judgment they will not be empty handed, as I now find them. There are few priestly souls who love the Cross. Many do not want to hear of suffering and self denial. This is because they do not even ask Me to have love for suffering.

<sup>3)</sup> They should frequently ask for the love of the Cross, as much for themselves as for the souls entrusted to them. If they did this, they would be given the grace of love for suffering; it would become pleasant for them and they would be able to perform heroic acts and real miracles. I would give them the gift of poor, humble love. They would receive the mystical grace of being able to learn the secrets of My Heart.

#### I AM WITH YOU IN YOUR APOSTOLATE

DH-9                      18-May-96                      The Lord

<sup>1)</sup> I know, My daughter, that your apostolate needs to be encouraged and supported. I am with you; I support you, little one. My Love for humanity is so immense that I rely on people like you to open the way for Me into their hearts.

<sup>2)</sup> The devil wants to destroy the harmony that you need to work for Me... He makes use of such base things ... Talk to them, My daughter, you cannot let Me down.

#### CHASTITY AND VIRGINITY

DH-10                      18-May-96                      The Lord

<sup>1)</sup> My daughter, let us talk about chastity. You should know that virginity and celibacy for the love of the Kingdom of Heaven has roots in the Love of the Father that has been manifested in Me. I want to be loved chastely; for the celibate, this means for the love of the Kingdom of Heaven; for Christian spouses, this means that I should be truly loved and that I am not only sought for personal interest. This is to say that love is chaste in the real sense of the word, if it springs from My Heart. The charisma of celibacy can only shine where Christians have the strength to love the unloved, the outcasts and the weakest wholesomely.

<sup>2)</sup> Just as evangelical poverty demands not only that you free your heart to make room for My Love, to put it completely at My disposal, this charisma means above all that you feel so steeped in My Love, that you are capable of renouncing a large part or all of your human nature in order to discover the greatest wealth of gratitude.

<sup>3)</sup> From this same charisma also flows the intelligence and the art of knowing how to offer your neighbor, not only objects or services, but, primarily, that which is most precious: an ardent, sincere love, that values services and gifts, because the fire of My Love burns within those souls who seek Me. That indefinable Love, which teaches and inspires internally, comes to be the only love that speaks externally.

<sup>4)</sup> When you pray silently and contemplate My words of Love, your soul is suspended in the abyss of Love, there you immerse yourself in My Mercy, in My Heart, in My wounds...

<sup>5)</sup> I teach them internally; I seek a pure place to rest My head and there I lie down to wait for them to look for Me with fire in their hearts, to look for the truth of My Love. My teachings never cease, I am a God that teaches and My Love will never perish.

#### BE PATIENT; DO NOT SEEK TO BE REVERED

DH-11                      21-May-96                      The Lord

<sup>1)</sup> Love of My pains, I want to speak to you about patience. My children, I want you to work hard to bear your sufferings with patience. Tolerate offences against you for the love of Me, for the love of your

brethren and for the love of yourselves because all the good or bad you do is done for yourselves or against yourselves.

<sup>2)</sup> Have pity for those who hurt you, have compassion for their sins; if they behave well, offer it to Me, if they behave badly, pray for them and try to help them. If someone tries to compete with you, lose if you want to win. The road to salvation is the road that leads you to lose in this life. If you know that someone has spoken ill of you, bear it with patience and help them by speaking well of them. If someone offends you, bear it with patience for My Love and for the forgiveness of your sins. Do not offend anybody else, but bear it patiently without complaint!

<sup>3)</sup> You are blessed, do not expect rewards on earth. Blessed are those who do not seek consolation from man! Remember that saints do good and suffer evil. It is much better to suffer and bear an offence with patience than to fast and to be mortified. What merit is there in fasting and later asking justice for an offence, whether it be true or false?

<sup>4)</sup> Those who bear their affliction with patience always keep their sins before their own eyes and, therefore, do not weaken. You should know that it is a great virtue to master yourself. Look at yourselves and work continuously within you, on you and for you, looking for spiritual consolation. If you overcome all this, you will be able to conquer your enemies. In the same way that good can turn into evil, evil can also turn into something good. This is all in your hands, you have both good and evil within you and you have free will.

<sup>5)</sup> Therefore, do not look for justice or to be compensated when someone has committed an injustice or has offended you. They have sinned and have the right to be purified. The sooner you accept patience, the less you will suffer and you will be saved. Do not look for compensation or consolation from anyone under Heaven.

<sup>6)</sup> The enemies of the spirit try hard to offend you when you bear things patiently or act by fighting insults with kindness. They are being saved and they want you to live in their own sorrow. Anything that men do, they do to themselves, so be compassionate with those people.

<sup>7)</sup> If you look at your own sins, you will observe your own misery instead of seeking justice or compensation. I love to teach you; you do not love unconditionally and do not understand the mystery of My Love. You want to be blessed and saved without undergoing purification and self-mortification. You do not want to work, but want to be revered. My Father does not bestow His Graces on

the proud, but on the humble! To be revered, you will be accused but you must first achieve humility, which is what destroys evil and is the enemy of sin.

<sup>8)</sup> Patience, My children, is the virtue that masters the blows of evil for sinning against yourselves and appeases the offences of others. Pray, bear it, fight against vices; make a conscious effort to not look for answers in your favor. Look to Heaven so that I may defend you through My humility. Prayer is the beginning and the fulfillment of goodness.

<sup>9)</sup> My daughter, be grateful. I humble Myself permanently before My Father to teach you the truth! My words may sometimes seem harsh to you, but remember that My Life is your way. I am your crown and it is only through patience that you walk towards Me...

### DEFEND MY CAUSE

DH-12

8-Jun-96

The Lord

<sup>1)</sup> My daughter, My loving suffering wound, the more loyal you are, in spite of your human failings, the more I desire your progress... Do not fear, there will be a fight for Me, defend My cause.

<sup>2)</sup> This passivity, this laziness with respect to the execution of what I asked for in the Messages, fills Me with pity. How must I speak to man so that he gives himself to other men?

<sup>3)</sup> *(I feel the deep pain of the Lord in Me, I cry hopelessly because they do not listen.)*

### THE SOULS WHOM I SAVED WITH MY BLOOD HAVE GONE AWAY FROM ME

DH-13

9-Jun-96 *(Corpus Christi)*

The Lord

<sup>1)</sup> My daughter, renew your consecration to our Hearts. You must remain united, so that evil does not destroy you. Why do you think that I have abandoned you? Why do you not learn to find Me in another way? I am in you, you are Mine!... Write...

<sup>2)</sup> My Kingdom is not of this world. If My Kingdom were of this world, I would order all men and all the elements of the earth to submit to it, and men and things would do so. But My Kingdom is the kingdom of all those who are with Me; it is not of this world. My prayer to the Father is unceasing: "Father, may they also be with Me where I am so that they may see Your glory and the glory You have given Me." There is a place for everyone in My Kingdom and I want those who love My Father, as I do, to be where I am.

<sup>3)</sup> The sun never sets in My Kingdom. There it is eternally spring and the complete rest in God.

<sup>4)</sup> Is not sorrow brief if joy is eternal? A watch that can measure this time does not exist, because eternal

happiness is not measured in length or height or duration or depth.

<sup>5)</sup> My little one, what you saw on Sunday, what your eyes have contemplated, has been part of My Mother's army coming down to earth to help men find their way towards My Father's Kingdom.

### DH-13.1 The World Is No Longer Mine

<sup>1)</sup> (I ask Him: What do You want me to do or to say for Him to the world?)

<sup>2)</sup> I am suffering! The world is not longer Mine because they have strayed from Me... I am alone... alone. Do not cry, stay close to Me, please stay close, console Me! The world of souls is no longer Mine. Those souls I have saved with My Blood, have strayed away from Me. I have My heavenly Father, My Mother, the heavenly court, but men? I could become a child again and die again in Calvary. My Love for man is so great!

<sup>3)</sup> Religious congregations nowadays are eager to launch into the apostolate in keeping with the spirit of the world. They undertake works, develop, enlarge, amplify, they go full speed ahead. But where is love, true love? How distant they are from Me and My Spirit! I would like the world to understand what I am telling you. This so-called charity does not satisfy, cannot satisfy. I do not want acts of charity that keep men's hearts far from Me. I want love, true love that is sincere and unselfish. **I want the heart of man, the hearts of My spouses, all for Me. I want the hearts of My priests, solely and entirely for Me.** I do not want waste or divisions of love. You will write in capital letters that JESUS FIRST AND FOREMOST WANTS MEN'S HEARTS AND THEN ALL THE REST. Skyscrapers should not be built which the adverse forces of nature, earthquakes or the atomic bomb could destroy in a moment, but all humanity should be prepared so as not to fall into the abyss.

<sup>4)</sup> May the souls, like ripened ears of grain, be received in the eternal granaries. I want to discover the true image of God-Love in all men. Do you know what the true sign of My Messages and of My work through you is? Your own example, your moral and physical sufferings, notwithstanding the turmoil of temporal things within you, your glance, your heart and especially your love for Me, will not experience change. This is what really counts and what makes you worthy of your title of My private Secretary. I am covering you with My wings so as to hide My work in you.

### DH-13.2 My Name Is Love

<sup>1)</sup> This is why I languish in love, so as to obtain a heartbeat of love from My child. Oh, if you want to make Me happy, cherish My Love which has been rejected, unknown, scorned. My name is "LOVE", Love that gives all. God-Love, why not acknowledge Me as that?

<sup>2)</sup> You see, little one, how I abandon Myself in you, how I unburden Myself in you? I know perfectly well how accurately you will transmit My Messages of Love to all mankind. Take care of them. You have proved it, they have started to be spread, though not in the correct form, not saying the correct origin, not the exact means ... Men, how much longer do I have to suffer? Why the eagerness to monopolize what is not yours, even when it pertains to My Messages?...

<sup>3)</sup> Everything you were writing yesterday will give My Heart happiness for days to come. Contemplate creation and especially the flowers in the field. No two flowers are the same, I have given each one its own beauty and perfume. Just as in the firmament, no stars look alike and in the prairies, two grains of sand or two snails are also different.

<sup>4)</sup> A great fire of hate and destruction has passed over the world, but I will recover My seat of honor because I have conquered sin and death. Oh My beloved spouse, Oh My Church!... The loneliness and abandonment on the Cross were like death redoubled. A sensitive heart suffers so much because of the abandonment by those it has loved! I could not see where to find a friendly and faithful heart. Heaven and Earth conspired against man, a victim of sin.

### DH-13.3 For You Science Is Light and My Faith... Darkness

<sup>1)</sup> Yes, My Church has been hidden just as always due to a lack of faith in Me and in My words. So many deserters from My ranks due to a lack of faith. How many failures have there been now and at other times, due to a lack of faith. But I have written and now you write it again, just in case men have lost the Gospel: **Blessed are they who have believed although have not seen.** What saves is faith. If there was more faith in My Church, the infernal dragon could not win so many victories. But science, as you understand it, is modern man's deceit and his loss. Mathematical science that gives evidence of facts is, at the same time, the destruction of souls and peoples.

<sup>2)</sup> Everything is mathematically demonstrated and even a blind man has to surrender to certain demonstrations, while faith enables you walk in darkness. It is therefore difficult to believe in Me. They pretend to

investigate, discover and, if possible, even to read God's thoughts. Everything is in the name of "progress", of "updating", and God must be on guard, repeating to Himself: Let us be mindful! Man has placed his hand on the forbidden fruit and he too wants to be "God", creating other lives and taking life.

#### DH-13.4 I Will Renew the World and My Church

<sup>1)</sup> Oh, beloved daughter, My Heart is crushed and saturated with shame. What else should I have done that I have not already done to save you? I would like to know how I have failed you. I have given Myself and am still giving Myself in perpetual sacrifice, but it does not seem to be enough. I could rebuke man through punishment... but no. I am God-Love. God who saves what is lost. Victory will be Mine. I will confuse evil with good, treachery with goodness and pardon. I will forget everything and start anew. I will renew the world, but, before the world, I will renew the Church, My ministers... My consecrated souls... My spouses...

<sup>2)</sup> I will give My Church a new and youthful appearance. She will don nuptial gowns, I will adorn her with precious stones and she will appear beautiful and renewed throughout the centuries. My ministers will follow, unquestionable ornaments of truth and faith, and My true, chaste and modest spouses. The new Jerusalem will sing the hymn of liberation, like in the Old Testament. They will sing the Exsultet. But, My daughter, all this is as desirable as it is compromising because I created man free and I need the cooperation of good men to renew the world. A little more faith should be enough to reignite the love in men's hearts, a love that can do everything. I will not wait for Heaven to reward them for their work, but even if just for a short time, I will also give them their reward on earth.

<sup>3)</sup> It is a time in which charity has grown cold in the world. It is also a time for renewal. Just as a gentle and mild spring begins to appear after a stormy winter to awaken sleeping things, the whole of creation will awaken to a new breath of life that will make them come out of the lethargy of an old world. New generations, a new Church in its exuberant rebirth of eternal youth in the perpetual Charity of its Founder. A new world of peace, harmony and love as eternal praise to God. This is how the world will be, renewed in the sacrifice of labor pains.

<sup>4)</sup> I who am your God, your Creator, need you, My child, to spread this message. This is how I did it in other times with My prophets.

#### DH-13.5 I Do Not Hide If You Choose My Company

<sup>1)</sup> *(I ask him why He is so beautiful, perhaps it is a silly question.)*

<sup>2)</sup> I am uncreated beauty, infinite goodness, innumerable Mercy, pardon never known, and Love incomprehensible to any human mind. I choose you because you constantly look for Me and I let those who constantly look for Me find Me. I do not hide from those who choose My company...

<sup>3)</sup> *(I am afraid He will leave me. I ask Him what I should do to repay these immense gifts, such kindness He has shown me.)*

<sup>4)</sup> To love Me always more and always better. To look only at Me. To listen only to Me. To love only Me. To serve only Me. To console Me in My sorrows and share them with Me. Give yourself to Me.

#### DH-13.6 A Divided Heart Is Not Made for Me

<sup>1)</sup> *(I tell Him that I want to share in all His sorrows.)*

<sup>2)</sup> My daughter, the sorrow of sorrows are the unworthy priests; they are so many and their numbers multiply. Write this so that it can be known and read. **A divided heart is not made for Me. I am a jealous husband, I claim solely for Me the heart of My soul spouse.** Perfect sanctity consists in not refusing Love anything. I want you to offer your pains, work, prayers, your weekly communions in reparation for religious souls, men and women, for the priests, so that the number of souls that honor Me with only their lips, may not increase any more in this world while their hearts are far from Me... Yes, religious souls who digress as if it did not matter... The priests who drink from the cups of earthly pleasures and drink to the last drop... **This is not the reform that the Church intended!**

<sup>3)</sup> Men should awaken and realize that this world, so deeply immersed in immorality and sin, is about to perish, but nevertheless they are content. They have to be shaken, awakened from their lethargic sleep in such a way that they ask for help and return to Me. Light the world with an immense fire; light the candles one by one as is done during the Easter Vigil, taking the flame from Me, the true Light of the World.

#### DH-13.7 Only Love Can Save the World

<sup>1)</sup> *I have created the world and also the tree that was to provide the wood for My cross. I created and cultivated the bramble bush that was to provide the thorns for My royal crown. I buried in the bowels of the earth the iron that was to forge My nails. Oh, mystery of incomprehensible love! I have created a nest for the bird, a den for the beast, a palace for the rich, a house for the laborer, a crib for the baby, a*

home for the aged. When I came in person to visit My land, there was no room for Me in the inns of the world, it was a cold, freezing world that night when I came to mankind. I came to men but men did not recognize Me. There was no room for Me... And now?...

<sup>2)</sup> In these times one should be a torch or be nothing; away with mediocrity. The world needs warmth and heroism. Only love can save the world. Oh, man, who are you? The true image of the One who comes to visit you and you close the door in His face. You have sold yourself to strangers, you have made a sad alliance. Today your chosen people are tired of the manna from Heaven, yearn for the onions of Egypt and always make alliances with foreigners, manufacture golden calves, prostrate themselves and adore them...

<sup>3)</sup> Not even My Church is aware of My presence anymore, because if it were, things would not be as they are. Not even those with the power of their eternal priesthood, who make Me come down from Heaven, are aware. Am I not truly eternally repudiated and misunderstood?

<sup>4)</sup> Love Me; love Me a lot. Everything else is Mine, "The Heavens and the earth and all those who inhabit therein"... Only the love of My child is not Mine. And that is what I seek.

#### CONSECRATIONS ARE A SUCCESS FOR EARTH AND A CELEBRATION FOR HEAVEN

DH-14

14-Jun-96

The Lord

*(The Feast of the Sacred Heart)*

<sup>1)</sup> My daughter, I want you to write this: What I tell you in private, repeat it to the sunlight, what I whisper in your ear, preach over the rooftops. I want you to make a powerful campaign over the next two weeks, so that consecration may be a success for earth and a celebration for heaven. I do not want you to postpone anything, make a small daily publication inviting the people to this event. Distribute the work to the different prayer groups in the city, take a brief announcement to the majority of the parishes so that it can be read out during the Masses. Please, children, this is very important for your continent.

<sup>2)</sup> When will men understand Divine Mercy? It is like a loving and caring mother who, while caressing her son, says: Poor little thing, you have not done it on purpose, everything was forgiven from the moment you asked for forgiveness.

#### DH-14.1 Talk to the Dying

<sup>1)</sup> Talk to the dying. What you will find is infinite Mercy, two loving arms and a Heart beating with Love... Do not fear death, physical pain and agony.

For those who die for love there is no sorrow in death, but only future joy.

<sup>2)</sup> Oh, what a delightful place I have prepared for those who love Me. Pains and sorrows have passed on earth and their tears have turned into gems on their garments. Oh, tell everyone not to waste God's gifts. They know what the Kingdom of Heaven is and what they will miss when they lose it. Doesn't the Gospel say that one should sell everything to buy that field? Look for it and work for it. **Take photocopies of the last book and distribute them; for you it is only money, for the souls their salvation.** (This refers to the Great Crusade of Love). Please, the Ark of the New Covenant is very important... It must be the awakening of the world to My Eucharistic Love!

<sup>3)</sup> For the moment one would say that it is Satan's hour. The good find themselves perplexed and fearful and with reason they ask: How will we all end? But I have conquered the world, men of little faith, why do you fear? Was it not necessary for Me to suffer first to enter Heaven? In the same manner, it is necessary for this great purification to take place, to separate evil before a brilliant light shines over the Church and over a new world that will make the new Jerusalem glisten in all its splendor. This new Reign, will be the Reign of peace, love, harmony on earth and a prelude to a blessed life in Heaven. The coming of My Reign will be based on charity. Then, men will not go astray but first the war and then victory... Look at personal, social and worldly accomplishments with the eyes of Faith, because everything is Love.

<sup>4)</sup> You have meditated with My Word... My Word! Light of light. The true God, begotten not made, of one being with the Father. For men and their salvation I was made man. A worm, no more a man... Only because I have wanted to... And men, creation of My hands, served the purpose wonderfully to do everything I desired. They stepped vigorously on the winepress until the last drop was extracted... They have obeyed the incomprehensible Love ... trampled, oppressed... until it no longer has a human form...

#### DH-14.2 Look at Me on the Cross

<sup>1)</sup> Look at Me on the Cross... So, I do not disgust you in this state? The contempt of men, far from the Father, alone, with the burden of sins, nailed to a Cross... Can you still look at Me confidently, full of hope and believe that I am your God and your Spouse?... Everyone has abandoned Me in their confusion over My bankruptcy. Two or three faithful souls look at Me with tears in their eyes... My

Mother, My beloved Mother!... The disciple that I loved so much, Mary Magdalene and you are with them... I recognize you and I feel happy, but where are the rest of them? Where is Peter, the Rock against which storms will crash? Where is My new Church that will soon emerge from the purple Wound in My Heart that the soldier is getting ready to open? It will emerge as the most beautiful flower in Paradise, conceived from Love and nourished by My Body and My Blood that will continue to be spilt for the Church until the end of time, as I am doing at this moment.

<sup>2)</sup> Little one, your love is sincere and strong. You console Me so much!... You are My companion in pain and suffering. Every day the Sanhedrin meet to judge and condemn Me; My Passion is prolonged through the centuries.

<sup>3)</sup> I want the group prepare themselves well to make a special consecration. That is to say, I want them to organize everything, speak to the authorities, schools and religious congregations.

<sup>4)</sup> Oh, what poor idea men have of their God, including those who waste their lives bent over their books. But I am My own Master...

<sup>5)</sup> With a burning Love for souls I look for you, My children, together with My beloved Mother, yearning with a vivid desire for those souls who are genuine messengers of My Father's Will, who discover the great Will, who still know how to turn something that seems externally bad into something eternally valuable.

#### **DH-14.3 Pray for Your Native Land**

<sup>1)</sup> Loving children of My most holy Heart, come to My arms so that I can caress you and give you new Life. Today is a special day in which I will allow My Divine Mercy to fill you. Pray, pray for your brothers, pray for your country, do penitence for all humanity, especially for your Country; hard days await you, take care of what you have because you will need it. You will go through everything again, the fall of Babylon, the epidemics of Egypt, and do you know what this will cause among the unbelievers and the wicked? Do you know the hope that this will bring to My true loved ones? Take advantage of this Mercy, because it will not return; always move forward united with sincere love, without envy, without selfishness.

<sup>2)</sup> Be prudent, do not let your mouth and tongue do the talking, make your heart speak because I will speak for you. Do not let your spirit be dominated by the will of your body, make the spirit dominate the flesh.

#### **DH-14.4 Be Humble and Charitable**

<sup>1)</sup> Start renouncing the world, because you should not belong to the flesh or material things, you belong to Me and to My Kingdom. But do not let this be lost, do not be filled with arrogance or pride; on the contrary, be humble and charitable, generous and grateful to your Savior.

<sup>2)</sup> May the roots of your fruits surround the whole of the Earth. My Sacred Heart rejoices for your love of the Lord and My Holy Mother. Be faithful to the Holy Scriptures, to all the Messages that I have been giving you, and do not abandon the path that My Passion has prepared for you; never doubt, have faith in My promise... Dear ones, do not judge your brothers, remember that you carry a double burden, yours is on your shoulders and the other, which is your brothers', is in front of you. Do not look only at others' faults, your brothers' burdens, look at your own.

<sup>3)</sup> Make a chain, a strong, firm wall to put an end to evil and to that, which hurls out the wickedness of treason and deception. You will be attacked with deception, but you will respond with Faith in My Word. My children, drink from the chalice of bitterness that will always be before you; live in the Eternal Father's Divine Will. If you fulfill My instructions, you will witness the Triumph of My Divine Mercy and the Immaculate and Virginal Heart of My Mother; you will also witness the defeat of that proud and defiant being: Satan, the eternal enemy.

<sup>4)</sup> My dear one, thank you for sharing this suffering with Me, it is My gift for you today...

#### **YOU ARE A REPARATION GROUP**

DH-15

15-Jun-96

St. Michael the Archangel

<sup>1)</sup> Hail, little one, I greet you in the name of the Almighty and Eternal God, of Jesus Christ the Redeemer and of infinite Mercy, of God the Holy Spirit who spreads His Peace and His Love, receive the Maternal greeting from the ever Virgin and Immaculate Holy Mary, of St. Joseph, Her chaste spouse, and of all the Heavenly Court that forms the Eternal Celestial Kingdom.

<sup>2)</sup> My dear one, our Lord Jesus Christ and our Queen, Holy Mary, now have a new suffering that you have caused by not obeying the instructions given to you. Why has not the publication of the *Ark of the New Covenant* been speeded up? How will you account to God for what He has personally entrusted to you? ... At times, because you have spent your money, at others because you waste time on trivialities, or because you assign other tasks to the

people who would be right for that job. You do not realize how urgent this is.

<sup>3)</sup> *(I ask what I can do if it is not in my hands.)*

<sup>4)</sup> Try again, and if not, pick up the book and see to its publication yourself.

<sup>5)</sup> You are not a group for human satisfaction and glory; you are a Reparation group for the suffering and abuse of the blessed Hearts of glorious Jesus and of triumphant Mary. Therefore, distance yourselves from all envy and all resentment; accept humiliations and offences, come down from the pedestals of pride and suffering against your brothers and speak of the things that bother you. Be sincere in the love of Jesus and Mary. You have not been chosen for earthly triumphs, but for the glory of Almighty God, for the exaltation of the Sacred Trinity.

<sup>6)</sup> Help the Shepherd in the attacks by the accursed thief. I warn you that the fight is persistent. Do not be cowards; do not join the enemy. Win this new attack with powerful humility. Pray the Holy Rosary with more love; you do not know how powerful a weapon it is.

<sup>7)</sup> Our Lord Jesus loves you. These are privileges of His Sacred Heart: praise Him; glorify Him; and exalt Him in all your trials no matter how great and painful. Keep your tears for the last instant, when the final times come.

<sup>8)</sup> Woe be to humanity, if you do not listen to God's Sacred Words; to the wise, sweet warnings of Holy Mary. Make your senses fast because they are greedy to offend their fellow men. Fulfill everything you have been taught. You are not responsible enough since many of you do not even make time to read the Messages. How can you be so ungrateful?... Do not provoke the Lord... I am always with you, not a minute goes by without my defending you against the evil spirits.

<sup>9)</sup> You will be instructed in a special way in the coming days. Keep on praying to await Our Lord's teachings. You should talk to the group, it is time that they start to organize their growth and their work.

<sup>10)</sup> Hail Mary, beloved child of Our Lord, your Guardian Angel is with you. God has no equal!... Alleluia, Alleluia...

6-Jul-96

The Virgin Mary

<sup>1)</sup> My little daughter, this message is completely different from the previous ones. By this time your growth should be well developed. However, in many of you this growth has not evolved; you have not studied what you have, as you should have.

<sup>2)</sup> It is time to let you walk alone. Everything that you have will be your food, like all food, it should be consumed frequently so that you will not grow weak. Your beverage will be the faith that will be nurtured by everything that has been received so far.

<sup>3)</sup> You worry too much about the future. Today I want to give you some readings that you will have to study carefully because the way in which you face whatever happens in the future will depend on them. Everything is in the Sacred Book... You do not know how to read it.

<sup>4)</sup> It is time for you to evangelize. Do not fear to do so. The Holy Trinity will be in your mouths and in your acts as long as what you do is for God. God will place His hand on your work and your studies to light up your paths.

<sup>5)</sup> As to the most dreaded punishment, it depends on the world if it will be as strong as the pain my Son feels or if it placates... With prayer, penitence and fasting, a Third World War may be prevented. Read 2nd Corinthians 12,14. Do not worry about increasing and creating material things, admired by man. Read Isaiah 5, 8-10 and 2nd Peter 3,10. Change your ways, my children, worry about saving your souls and helping to save souls in the world because time is short. Read Romans 13,11-14. Remain in a state of grace in these last moments, because those who have heard my call to conversion will be protected. Read Matthew 13,13-18.

<sup>6)</sup> My children, think how much polishing a stone needs to make it beautiful, and man, to be pure, needs tribulation. Read John 15,1-2 and Romans 11,16-24.

<sup>7)</sup> Unite, love your brothers, carry out the works of mercy, my little ones, and remove evil thoughts from your minds. Read 2nd Corinthians 9, 7.

<sup>8)</sup> Ask for rosaries and always have them with you, and give them on others to protect them from evil. Read Proverbs 31,12-25 and Song of Songs 8,6-7.

<sup>9)</sup> My little one, do not fear, the road you should take will be quite clear to you, you should not ask yourself anything, just trust in Me. I ask the Father, from His Glory and Richness, to grant you inner power and strength through the Holy Spirit who is the Spirit of God and to let my Son live in your hearts through faith. Read Ephesians 6,10-13.

<sup>10)</sup> Now more than ever you fear the problems that are coming near, you should be strong, you should love, pardon, be just to everyone, pray for the sick. Reject living close to the mountains because the Lord says: "Every hill will be leveled"... Wait with faith, with confidence in His Mother, I will not abandon you. Work arduously for Jesus and I will work for you. Learn to be sensible to the advice and warnings

that you are given. Do you expect to see everything destroyed?... Do not leave your homes for now. I will let you know opportunely when you should leave and where you should go.

<sup>11)</sup> Little ones, time is short and I must leave. You will encounter the biggest obstacle that humanity could have; nevertheless, that will be the proof of your faith. Read Matthew 24,15-25.

<sup>12)</sup> My Daughter., thank you for your loyalty and obedience. Starting from now, I will guide you with the Bible readings that will be the way we communicate. Remain docile to the inspirations of the Holy Spirit.

<sup>13)</sup> Do not provoke Our Lord with your carelessness (*regarding the book*). The books that you receive will be your definitive formation. Study and work with them... I bless you, beloved daughter, and through you I bless all My children... Study

**THE WORLD HAS NEVER HAD  
SO MUCH NEED FOR PRAYER AS TODAY**

DH-17                      Friday, 19-Jul-96                      The Lord

<sup>1)</sup> My little one, thank you for accompanying Me in My pains. Console Me, I am thirsty for souls, bring them to Me, make sacrifices for all the souls I love and that are on the road to perdition.

<sup>2)</sup> The world is already contemplating the purification. There will be more calamities, sickness, earthquakes, cyclones that will make the rivers and seas overflow once more. The earth will swallow the mountains and bridges will fall. All this will happen if My people insist on abolishing My Sacrament of Love.

<sup>3)</sup> Do not suffer over your forgiven sins because if your sins have merited Hell, My Grace in you makes you deserving of Heaven. There is nothing more sanctifying than Divine Love. Your small self is entirely lost in the immense charity that consumes it. Therefore, take what I give you; do not ask for more but receive it in your heart with the greatest love of the world...

<sup>4)</sup> How many remain blind and deaf... Nonetheless, the overpowering glow brought about by the fire of fervor will save many who have gone astray... It will be hard for those who serve the world by abandoning Heaven with their exaggerated activism, which is no more than the disorganized frenzy of their egotistic souls!

<sup>5)</sup> I want you to go back to your normal life. You have done enough for now and must undertake the other activity that will make you more deserving in My eyes and in My Heart.

<sup>6)</sup> (*As long as I will not have the stains on Fridays, the Lord tells me: It is enough for now.*)

<sup>7)</sup> Enjoy what you have on earth without becoming attached to anything. Be grateful with love. Remain faithful to your mission of love and reparation. I have given you the gift to console many and to touch their hearts and consciences. Give My Love to those who hunger and thirst for justice and truth. Be, the sweet scent of Jesus to those around you. Give thanks for everything you have received and give My gifts the importance they have.

<sup>8)</sup> Pray, My daughter, the world has never had so much need for prayer as today when Justice starts to surpass Mercy... Your collaboration, so valuable in My eyes, is only the fruit of My Grace and when I reward your merits, I will crown My gifts. Work for Me and do not fear although you are not united in My divine greatness, everything will end well.

**RATIONALIZING HAS MADE  
THE CHURCH A DESERT**

DH-18                      20-Jul-96                      The Lord

<sup>1)</sup> My little one, bring Me souls with your prayers. In your sufferings I want you to learn from Me in the Sacrament of My Love. Pray a lot and make amends because My Heart bleeds in these difficult times... Little time is left to save souls and I do not want anyone to perish. When you are sleepless at night, place yourself next to one or more of My Shrines and pray and amend - from your bed - with your mind placed close to Mine. Grant Me your adoration and reparation for all those who work unceasingly, guided by the devil to abolish My Presence. The Masons continually attack the Church using My

priests. You do not know how many of them have discarded the nobility of their ministry by living a superficial life without remaining faithful to the greatness of the work with which they were entrusted.

<sup>2)</sup> I want to give Myself through the miseries of your soul... I need your poor heart to quench My thirst for love. Give Me silence full of prayer, because this simplicity of love is marvelous. I am giving you a true treaty of love for everyone, a treaty that you and I understand and are already living. You read My eyes and I read yours, that is sufficient when the distance that separates us is limited. Love is the strong bond that brings together these two poles. How much I wish for My religious souls and priests to enjoy all this Love that I lavish on you and, through you, to other persons chosen by Me to read these writings. But rationalizing turned My Church into a wilderness and into ruins where snakes have nested. Today My priestly souls repress My chosen ones, they block the way with their skepticism, doubts and hypocrisy and this makes Me suffer. Why are they surprised by the nature of the instruments that I use?...

<sup>3)</sup> My little one, it was necessary to purify you and to do so, you had to be crucified with Me on the Cross. You have accepted this Cross and I bless you. Pray a lot for My Church, little one, rationalizing has made My Church a desert. Soon I will be with you again and My prayer to the Father will be fulfilled because you will be one with Us in the Holy Trinity.

<sup>4)</sup> I want to show you something. When I come to you in Holy Communion, you possess Me. But it is in Me where I receive you and enclose your humanity entirely. I know that today you were hurt in that reunion... Offer it to Me. Remain united and submissive to My Will, continue to be firm in your faith and do not fear for having acted badly... This is not true, you are with My Spirit, I already know you have the human side of imperfection, but when it concerns My affairs, defend it with that ardor, because it is not you who speaks at that moment, it is My voice that drives you to do so. If the soul rebels against the sting that wounds, it is not doing My Will. You suffer and I suffer in you, you love and I love in you. The solidity of a life is to love with confidence and true abandonment. Do not let others' attitudes hurt you, no more than what is real. You should let them walk on their own for a while. There are so many people who yearn to have a little of what you truly have so much of: the graces!... But there are hearts full of envy and that is not a feeling of Mine.

<sup>5)</sup> Regarding your fears, My Mother is in charge of guiding them, but in truth I tell you to confide in her.

Pray a lot so that the Spirit of Truth enters within you. Kneel before this Divine Sacrament to heal the wounds inflicted by the whole world. The moment is approaching and I am looking for souls. Sin has blindfolded their eyes and this damage can only be repaired through prayers and sacrifices. The Evil One is spreading his power over nations and at a certain point will destroy the majority of the flock. Pray that you will not fall into temptation...

### I CAME TO LOOK FOR YOU

DH-19

25-Jul-96

The Lord

<sup>1)</sup> Cry, ease the pain of being powerless, My daughter... You see, you looked for Me where I could not be and in My Mercy I came to look for you where you were.

<sup>2)</sup> When I lowered My head because of the blows, I never had any bad feelings towards My executioners.. Does this confession not make you ashamed of being so irritable? I know you fight for Me, but it is not necessary to fight; leave and move silently away. It is not exactly you who will lose... Immerse yourself in My side! Do you not see how it trembles with your cries?

### I AM SO ALONE IN THE TABERNACLES OF THE WORLD

DH-20

26-Jul-96

The Lord

<sup>1)</sup> My daughter, do not fear; I am with you even without My insignia. Always pray and make amends for the sins of My consecrated people... Those responsible for the loss of so many souls will very soon have to be answerable to Me. My people have lost their innocence; they are no longer children; they are contaminated by the madness of the century and by those who surround them.

<sup>2)</sup> All those who dare not speak for fear of reprisals, are not Mine. Each one, each man and woman should respond to the call they receive, because I give each the understanding of the gift to which they were called, only that.

<sup>3)</sup> How much merit you have had before My eyes, your pain, your painful smile... My greatest consolation nowadays. Have you not asked Me to always give you My wounds but for them not to be seen? Nevertheless, you suffer more now than if you saw them. How I love you, My little one! How can I not love you when I enlightened you in pain?

<sup>4)</sup> Why are they not knocking at the doors of those who do not want to hear? They should know that the gravity and the urgency of the moment are no excuse

for inaction. No one has the right to rest because I will ask for an account of the responsibility I give.

<sup>5)</sup> Be absolutely certain that I am close to you at all hours of the day and night, secretly watching your movements and scrutinizing all your thoughts so that they may be a reflection of your God. You are My refuge. I will continue to dwell in your body but do not expect Me only on Fridays, but whenever I believe it is convenient. I am so alone and afflicted in the Tabernacles of the world... Accompany Me always in the evenings. I love seeing you there so much!

<sup>6)</sup> In your silent presence, praying to Me is your intercession for all those you love and want to entrust to Me. That is why it is necessary for you to be true to our daily meetings.

<sup>7)</sup> Tell My children that I am listening to their supplications, that they should have faith and surrender to My Will, that they should suffer everything for My Love, that everything at this moment has been said, that they should prove the power of prayer. In reward for all their limited and meager efforts, I make all their moments Mine and I will nourish them with My paternal tenderness. They should wait with faith. I give them the three virtues necessary to find peace: faith, hope and charity. Without them man is only a primitive creature, with them he will obtain everything he asks Me for, even though the trials may be hard. It is trial that matures hearts and demonstrates to Me the degree of their love.

### MY LIGHT IS NEAR

DH-21

26-Jul-96

The Lord

<sup>1)</sup> My daughter, console Me... My own are working to abolish the Holy Sacrifice of Mass. Today they blaspheme, deceive, offend and condemn Me. The world is a dirty swamp and never has it needed more prayers than in these tragic times. If prayer chains are not carried out and sacrifices offered, the forces of evil already unleashed will tragically destroy this world. Make amends, My daughter, implore Mercy for the sinners and embrace them in your heart. My Love for humanity is so great that I feel obliged to walk downcast among the multitude that strikes Me. I stay day and night in the Tabernacle and I wait and call, in order to embrace all My children. There is not much time left to save souls. Bring them to Me in your prayers. Pray for the infidelity of My consecrated ones, whom I love so much; they do not understand My true presence in their midst...

<sup>2)</sup> Be obedient to My divine mandates. I have sent you the Holy Spirit and, through My Grace, each day your understanding will be strengthened and will give wisdom to your knowledge to be able to bring together, with true love, those loose ends on the path that I have laid out for you. Do not waste time on little and sometimes-useless things. Let My Will work in you, so that you may work without fear or anxiety, placing your confidence in My Mercy.

<sup>3)</sup> Let My loving knowledge tune you like beautiful instruments with firm, safe strings so that through you My voice will be able to reach many people in melodious harmony and lift their hearts to My Father, to heap love on those in want, to fill the violent with peace and, with its sweet melody, to return the light to those who have been blinded by their error and who want to find their way again.

<sup>4)</sup> Tell everyone who loves Me that My light is near. Many will be blinded, but others will be uplifted and absorbed in the magnificence of My Truth. Soon My angel will announce the day and you will see My light in ardent adoration.

<sup>5)</sup> What I am going to tell you is important. Seek the Kingdom of God and His Justice before satisfying your desires. I have already said the rest will reach your lives with generosity. Do not you realize that there, in the smallest detail, is the seal of My Love and the fulfillment of My Will over your lives?

<sup>6)</sup> Speak, My children, go and preach to the people. This is the only possibility that men have to return. I plead again to all men to change their lives before it is too late. If they do not return to Me, a terrible scourge will burn and purify the world for the many sins that envelop the world.

<sup>7)</sup> Nevertheless, those who are persecuted on account of justice and the just souls, have nothing to fear, because I will save them. Humanity is living in times that are worse than those of the great deluge... Flames will fall from Heaven destroying all sinners together with all work of evil; earthquakes, abysses and mountains of red-hot lava will swallow entire towns. There will be floods, electric storms, stormy seas, suicides and plagues. My left hand indicates the Warning and My right hand indicates the Miracle. Pray, My little one, amend the wounds of My Sacred Heart.

### I WANT THE MARIAN EUCHARISTIC CONGRESS

DH-22

8-Aug-96

The Lord

<sup>1)</sup> My little daughter, how much I appreciate your sacrifices because sacrifice and self-denial nourish love. How they lack understanding of the true value of God's gift and power on souls!

2) I want you to know that a long time ago, the armies of the West came seven times to My tomb looking for Me. Their efforts were not rewarded, but this did not stop their intensive search for Me. My light opened a path through the storm clouds aroused by the heresies that offended Me in the sixteenth century. Later the revolutionary guillotine that was beheading My priests - heralds of the faith and ministers of the Sacraments - was powerless to put an end to the prestige and sovereignty of the one they called infamous: Me

3) But, where do I live?... In the Blessed Sacrament, that is how I have been instructing My Church and, therefore, it is not strange that all Catholic worship revolves around this Sacrament of Love, to glorify My Father and His Son, the God-Man.

4) To say that Eucharistic Congresses are religious meetings held to deal with everything related to the cult of the Eucharist, you already know this. You should know that it was a woman who, in 1881, initiated the idea and propagated it in France with the powerful assistance of My Bishop Segur. Mrs. Tamisier was an indefatigable apostle for the work of public worship of the Blessed Sacrament, a woman, like another woman who was the first to see Me resurrected, like another woman whom I have now chosen to encourage people in My Love and to show them that I am there, loving them and waiting for them...

5) The principal acts of these Congresses are: the Holy Sacrifice of the Mass concelebrated by the dignitaries of the clergy; the general Communion for children, which present a beautiful spectacle since they look like small white clouds spreading over a valley - they are like angelic choirs that fly about the altar like immaculate doves in a dove-house; and general communions for men, who look like hardened soldiers, paying tribute to their Lord, to whom they have lodged in the innermost depths of their souls. In these scenes of such piety, one remembers the passage of the multiplication of the bread... The general assemblies, when renowned sacred orators and lay lecturers explain magisterially the Eucharistic doctrine and the ways of developing devotion to My Majesty, powerfully incite attention and fervor...

6) Teach, My children, speak to men about My presence at the altars, tell them about My infinite Love and tell them how much they are missing when they do not receive their God as true nourishment... Also, while making amends to Me, the Eucharistic Congresses receive a shower of favors for the soul, body, time, eternity...

7) Be careful, they are going to do everything possible to suspend the Congress. Pray a lot and the convents should be instructed in continual prayer for the success of the Congress. Happy are those who promote this sovereign worship; happy are those who strive to make it splendid; happy are those who go to this meeting place and see and feel these wonders. Set an example, My children, evangelize with your lives, give testimony... For men of faith, My Eucharistic form is a gateway to Bethlehem where they adore Me, like the angels, the shepherds and the Magi. For those enlightened with the brilliance of the faith, in each altar where sacrifice is elevated, a new Calvary is raised and with feelings of profound adoration, those words are repeated: "Truly, here is the Son of God."

8) The abandonment of the visits to My Sacrament of Love, the scarcity of communions, the excessive regard for other people's opinions for which many are embarrassed to approach the table of the angels, arises from a lack of faith. Because if they would realize, if they were told with conviction that the infinite Majesty of their God - with His exalted courtiers - resides in their temples, men would be anxious, desirous and solicitous to merit the honor and happiness of speaking, receiving and living with their Lord.

9) Where can we find the remedy for this faltering or lukewarm faith? In the same Form, because it sustains and increases faith. It is virtue that infuses supernatural faith, grace that is the root and foundation of justification, grace that comes with the sacraments and you increase with the reception of them. Nevertheless, if the faithful observe that the priest is a routine celebrant, if they do not notice true fervor and humility at the moment of the Consecration, they will find it hard to believe that this will increase their faith.

10) Speak about the blind man of Jericho, who not only received the gift of sight but the first thing he saw was Me. Also, in the healing of another blind man, note that the strength of his vision increased as his faith increased; in a similar manner, as men receive Communion, they get to know Me more intimately and listen from the depths of their hearts to My supreme teachings. I, being the Teacher, increase the light in the minds of those who receive Me, so that they can penetrate more into the profundity of My doctrine. This doctrine, a seed from Heaven, can fall, as I have indicated, sometimes on fertile soil and will produce a hundred to one, at other times on the road and others among bramble and thorns... Therefore, this growth of faith -

sometimes subjective and sometimes objective - depends largely on their cooperation with grace.

<sup>11)</sup> Happy are My Apostles, who after their first communion at the Cenacle said: Now we understand everything You tell us... Happy, doubting Thomas, who touching My wounds burst forth into an intense act of faith and love. Happy are the disciples of Emmaus, who recognized the pilgrim as the One who lit their hearts... Happy are the poor and ignorant, according to the world, who through continual contact with Me have learned celestial knowledge, the knowledge which communicates faith, strengthened by the reception of the sacred banquet. These privileged beings not only have faith, but live justly, acquiescing in practice to My orders. Blessed are they! More blessed still are those whose faith in My Sacrament has been rewarded with miracles.

**IF YOU DO NOT HAVE FAITH,  
YOU CANNOT SEE ME**

DH-23

10-Aug-96

The Lord

*(In a Prayer Workshop Retreat)*

<sup>1)</sup> Nobody can see My face unless they are on the path of faith. It seems contradictory: if you do not have faith, you cannot see Me and if you do not see Me, your faith will not grow. Why do I speak to you? Why do you find Me when you want to? Because you had faith, because - no matter what happens - your faith will persevere; you know I am here, waiting for you, to reach out My right hand, grasp your tiny hand, and by squeezing it, transmit all My Love to you. The certainty is that I am here, alive and palpating, waiting for My children; for those for whom My Heart overflows with compassion and Mercy...

<sup>2)</sup> Look for Me in your silence, find Me. It is I who have brought you here to teach you how to look for Me and find Me. Assimilate everything you can, do not be distracted as this moment is very important in the road to your preparation. I am the One who is in control once more, now that the grand performance of the world is almost coming to an end.

<sup>3)</sup> My little one, I will wait for you there, beside your room, in the small space that is flooded with My presence.

<sup>4)</sup> How many children could see Me! All those who always truly want to and ask with faith...

<sup>5)</sup> *(9:45 The lecturer said that Jesus reproached his parents when He told them that he was carrying out His Father's business.)*

The Lord

<sup>6)</sup> This is not true, it was not a reproach. I wanted to tell them with much respect, humility and love, not to worry or suffer when they cannot find Me because, being the Son of God, I should have My moments to meet with Him who was more than anybody and anything...

<sup>7)</sup> *(He spoke of when Jesus said that it was His Mother and brothers who fulfilled his wishes.)*

The Lord

<sup>8)</sup> I said that all those who fulfilled My Father's Wishes were My Mother and My brother, because My Mother nurtured My being. Everyone can be My Mother and My brothers, all of you are the fertile womb of My Mother.

Account by Catalina

<sup>9)</sup> Just as I was starting my breakfast, through the dining room window, I see something that is moving or obscures. I was dumbfounded. It is St. Michael the Archangel; he does not tell me who he is, but I know. I look at everyone but no one seems to have noticed so I continued looking. He appears and disappears as if he were going from window to window. He is very tall and looks like Father Marcos, but blonder and with long, curly hair that fell to his shoulders. He looks at me and smiles. In his left hand he has a lance or a saber, something that shines brightly. He is dressed all in white with a short skirt, sandals or boots laced up to the knees. All his chest is brilliant like rays, his clothes are white but phosphorescent, like the Virgin's veil. He has a green belt or cord with something golden on it (I could not tell if it was a buckle or something else). He is beautiful, majestic. I want to speak but I am unable to say anything. He raises his right hand (which up to now has been over his heart) he makes a sign to keep silent shhh!... It seemed to me like a very humorous gesture. His wings are immense and I do not know how the wings do not make a noise when they move. I wrote to Hugo and Neiza after he had left. *[Catalina was in a meeting and wrote a little note to Hugo and Neiza after the Angel left, and had passed it to them.]* They looked at me with something between incredulity and mockery. I told myself: It is best to keep quiet and say nothing more.

<sup>10)</sup> I went to the Oratory after breakfast and asked Our Lord why I was the only one to see that. Silence, He does not say anything...

## MY FATHER'S LOVE IS GIVEN FREELY

DH-24

10-Aug-96

The Lord

<sup>1)</sup> *(The lecturer said that when Jesus was an adolescent He began to comprehend and accept what He saw from His Father.)*

<sup>2)</sup> The truth was not discovered in My adolescence, I began comprehending and accepting from the moment at which My Father decided to let Me go from Him to become the Son of Man... the God-Man.

<sup>3)</sup> And My Father's Love is not merited; it is given freely.

<sup>4)</sup> *(The lecturer repeats this at the same time as I am writing these same words. Thank you, Lord!)*

## HEAVEN, PURGATORY AND HELL EXIST

DH-25

10-Aug-96

The Lord

*(In an Encounter Retreat)*

<sup>1)</sup> These words that have hurt you today are words that are in the mouths of the majority of My children. I spoke to you about Heaven, leave them with their errors and their blindness (they said that Heaven is God, it is not a place). It is not bad for them to say this, but it is not the way to attract people who are still afraid to leave this world. Heaven, Purgatory and Hell exist. Do I not say this in the Gospels? How they enjoy changing My Words!

<sup>2)</sup> Do not get upset with the Theologians. Theology is necessary. Nevertheless the heart lives and expands in its sentiment and in its divine possession without looking for a reason why it loves.

<sup>3)</sup> For all My children who work for My Kingdom and for My Father's Glory, tell them that I, their God, thank them, that I need them and all of you. Be like Me! Complete love for everyone.

<sup>4)</sup> My children, wish with all your faith to possess more faith, greater generosity towards your God; in this way you will receive these valuable graces for the salvation of souls. I have no reason to refuse something that is asked of Me with great fervor.

### DH-25.1 I Am in the Silence of Hearts. Up roar, the Profanity of the World, Makes Me Want to Flee

<sup>1)</sup> My children clothe yourselves with the armor of your friend and Lord. The only law I give you is to love with your heart and your spirit; be faithful to tradition, in this way you will not sin against the Spirit, because the other one, the spirit that exists in the world today is not the Spirit of Love but of corruption...

<sup>2)</sup> Remember, that your God returns a hundred to one... Watch out that the voice of the evil spirit does not dull the voice of the Spirit of Truth... wait for Me

18 DOOR TO HEAVEN

and look for Me, find Me always in profound prayer. Offer Me your incapacity to find Me, the abandonment and everything that you find hard to do because of your lack of faith... Your inner life should always serve as a foundation for all apostolic work and should never be postponed for any reason. Does not God come before any person or accomplishment? Do not forget, little ones, that Heaven is only for those who earn it.

<sup>3)</sup> Now, My dear daughter, immerse yourself in the immensity of My Love. I am subtly shaping, gathering My flock of love... you will eventually understand...

## LEARN TO LEAVE EVERYTHING BEHIND WHEN YOU HAVE TO MEET ME

DH-26

11-Aug-96

Account by  
Catalina

*(Time: 11:00 hr.)*

<sup>1)</sup> We are before the Blessed Sacrament in the small Chapel beside the dormitory. A sister accompanies me in prayer from the Prayer Group (Neiza). Suddenly I receive a message for her and, afterwards, the Lord tells me: Open your mouth. Without hesitation I do so and a piece of Host appears on my tongue. I squeeze Neiza's hand as she has seen the Host in my mouth. It is not round but more like a triangle... What beauty! Sublime gift, I cannot write or describe it, a beautiful and unexpected physical presence of my God. Blessed be God forever because His Mercy does not abandon me.

<sup>2)</sup> A few minutes pass by and a voice comes clearly out of the Blessed Sacrament like a ray: "Tell My little daughter not to feel sad, I am with her at this moment in her heart. Tell her to speak to Me now... Learn to leave everything behind when you have to meet Me. I ask so little and yet much! It is Love!"

## EVANGELIZE WITH YOUR SAINTLY LIFE

DH-27

11-Aug-96

The Lord

*(Time: 15:05 hr.)*

<sup>1)</sup> Beloved daughter, I want you to tell My son that I am extremely pleased that he wishes to come closer to Me, to search for Me, to find Me. I appreciate such efforts; they are not failures; they are not fiascoes... I hear his pleas. I love each one of you as if you were the only person in the world, as if you were My own son. I have many things for you, many presents, and I need both of you to prepare yourselves in a life of prayer, of sacrifice and of dedication.

<sup>2)</sup> Evangelize with your saintly lives; bear witness of Me, of your knowledge that My presence is not of

yesterday, but of today, of always... Every effort to reach humbleness of heart, to be charitable to others, will be rewarded with the greatest gifts.

<sup>3)</sup> It is time to pray for Mercy; tell him that today, I pray for him...

<sup>4)</sup> *(I finish writing, I hand him the notebook and the lecturer states that Jesus prayed that night of suffering for Peter, instead of himself.)*

<sup>5)</sup> *(Thank you, Lord, for so many gifts; thank you for Your goodness and for Your Love.)*

## I AM SO HURT

### BY THE INDIFFERENCE OF THE WORLD

DH-28

11-Aug-96

The Lord

<sup>1)</sup> Beloved daughter, peace be with you... The responsibilities are enormous and if all of My sons and daughters knew, they would tremble with fear.

<sup>2)</sup> I need to charge you with a special mission. I want you to awaken the sense of responsibility in My children. How long will I have to wait for you to really begin to work? I give thanks, but I take them away from those who do not know how to receive them.

<sup>3)</sup> I know that everyone has responsibilities, some more than others. But no one is so busy that they cannot find a few hours to talk to others about My Love and My Mercy towards mankind. When you allow more time to go by, more souls are lost.

<sup>4)</sup> I beg you, I command you; but you pray, you ask for forgiveness and then fall into the same temptation again, you let time go by and then you forget My words... There are many, many millions of people who would like to receive something of what you have had. Among them, there are hundreds of virtuous, generous souls, with a true sense of their missionary obligations.

<sup>5)</sup> I am not going to complain any more, because I hope that you can be sufficiently honest to say: Truly, I have received grace, but I cannot, I do not have the will to do more than I am doing... Such sincerity will have the strength to soften My pain, My disappointment... You cannot imagine how many gifts you are losing through your blindness, through the hardness of your hearts, through your inability to be sensitive in face of generosity.

<sup>6)</sup> My Messages (do not say that they are inspirations) are love; whoever receives them does so with love. But I am talking about receiving them and living by them, not of receiving them without accepting them as a commitment in the heart and in the soul. Each one of you should accept them into your own particular lives, but everyone is obliged to love Me and to make others love Me. How much

love do I need to compensate for the loss of so many souls?

<sup>7)</sup> My Children, humbly but firmly, I say to you that if you are not willing to drink from the Chalice, leave it so that other souls who are thirstier than you are may drink there from and enjoy it.

<sup>8)</sup> You complain of the coldness of your families. Those who wish for the true conversion of their families, do not talk about it; evangelize in silence by their own conversion.

<sup>9)</sup> Oh, My daughter, I am so tired, so hurt by the indifference of the world. Love Me; make amends; I need your comfort; do not make any plans for the day... I want to rest in your desire for souls...

<sup>10)</sup> *(I was thinking of my future work with a very difficult person!)*

<sup>11)</sup> Treat others with mercy, as I do you... Everyone should be treated with mercy... Help, collaborate, but I have My own plans for you.

## BE HAPPY TO SUFFER FOR ME

DH-29

17-Aug-96 (Thursday)

The Lord

<sup>1)</sup> Little missionary of pain, My Peace and My Love are with you... Thank you, My child, for giving Me refuge and consolation so that I may rest from the pain that humanity, especially My family, gives Me.

<sup>2)</sup> My Mother is here, but she can no longer speak to you. She is leaving the places in which she has worked so intensely for Me. This is not only her decision, but also that of My Father; as always, she makes the Divine Wish the love of her Immaculate Heart.

<sup>3)</sup> The negative is the negation of truth; it is the refusal to see the positive. Man, human beings, with their pride, their susceptibility, their faith in trials... who do they think they are to doubt what I am doing with My children? Do they have to be like Thomas to prove that what I am doing is the truth?... Terrible rashness to compete with God! That is how they, who close their hearts to Love when it knocks on the door, lose their way... Do not be afraid; I know what I am saying.

<sup>4)</sup> I know that this week the pain was greater... Daughter of Mine, there are so many souls to save and so few who wish to help Me. The photographs were necessary. When the pain is greatest, rest your head on My shoulder; warm yourself in the flame of My Divine Love.

<sup>5)</sup> Do you not know that I am aware of what you give Me? However, I give you everything back multiplied a thousand-fold, because there is nothing that I would not do for you. I have done everything for the love of you and through you I spread My

Grace over the whole nation; you are the channel through which My Love wishes to spread.

<sup>6)</sup> Be assured of the correctness of your feelings for the Word of your Lord. You are not wrong, I repeat, rest assured. Be assured that if you were wrong, I Myself would be wrong. Could that be possible?

<sup>7)</sup> To live My Messages is to authenticate them... Be happy to suffer for Me. Enjoy, take pleasure in My Love in those precious moments in which the soul feels like it is dying, when it feels the chains of its God. Whatever you teach in My name is covered with My power and sealed with My Love. If this Love, in its purity, does not place you above the wretchedness of this world and cannot, through its action in you, resolve the problems that weigh them down, you are to blame for judging with too much ease the errors of others... This is not for you; I have selected you, and you must respond generously to what I expect of you.

<sup>8)</sup> I only ask that you improve your first instincts; there is no reason for you to fight. Just explain what I want; whether others do as I wish or not, it not your responsibility. Dust the dirt from your sandals and go to another town.

<sup>9)</sup> Tell them that true knowledge is not fighting, but in opening oneself to the illumination of a love that is lived.

<sup>10)</sup> **The enemy to be beaten is not outside, but inside. It is not necessary to search for the enemy in others; rather, learn first to know yourselves and then you will win a victory over the enemy. Happy are they who epitomize the spirit of the Redeemer by being charitable.**

<sup>11)</sup> Thank you for coming; you have brightened the Immaculate Heart of My Mother and Me. I am pouring out our thanks, which will translate into numerous fruits of love and saintliness. Put your problems into My hands. Make sure that it is only sin that upsets you. I open My Heart to those who are just. I open My Arms to the unbelievers, just like I did yesterday, just like I will do tomorrow. I hand over the rebels to My Justice.

<sup>12)</sup> Prepare yourself; reread the Messages. I need you to speak in My name, because it is Love that is now imploring the world. Why do you not recognize Me through the words of My children? Make sure that your trust in Me is not weakened by contradictions, by a lack of understanding... Give to the world what it most needs. You are My sweet holocaust of love.

<sup>13)</sup> Every work is subject to the criticism of those who are unable to commit themselves to understanding it in depth. I say to you: Be careful; whoever seeks shall find!

<sup>14)</sup> Beloved daughter, kiss the ground asking forgiveness for the sins you have committed against the Spirit, because whoever is unable to change their life in accordance with the gifts received through My goodness, without any merit on their part, is guilty of a sin against the Spirit.

<sup>15)</sup> My little daughter, give so that I can give to you. Do you not see that I give to you, so that you can give to Me? Make an effort, love of My pain. Something of outstanding quality can only be formed with a little of everything: physical, spiritual, internal, moral... Your defects are just a consequence of a difficult to prove total focus on self. I love your humbly confessed weakness... It does not matter that you do not understand; ask My son, R. [name of person]. You have no idea how many wonderful things I am preparing for you. We will finally be together, working for the glory of My name in the heart of My children.

#### DH-29.1 I Love You, but Do You Love Me?

<sup>1)</sup> I love you, but do you love Me? Then I gave to My children so that they would not be afraid to commit themselves to My work. I will work great things in you and through you... Remain in My Peace and My Love. Flower of My Passion, give Me the sighing of your tender young heart...

#### WHAT IS THE WORD WITHOUT WORKS?

DH-30

19-Aug-96

The Lord

<sup>1)</sup> Beloved daughter, be calm, feel My Peace... That is it, stay quiet. Do you love Me?

<sup>2)</sup> *(Not only do I love you, God, I adore you.)*

<sup>3)</sup> You have smiled, do not worry... I will remedy everything. When everything is believed lost, that is when the sole hope can be seen. How blind the pleasures and problems of the world have made you! What can words mean without works?

<sup>4)</sup> I have placed My Wisdom, My seal on your lips and your soul with love so that you will live only for My things, which are the things of My Father.

*(He makes me write a clean copy again, I did not want to and He tells me: Do it, obey).*

<sup>1)</sup> How much rage in trying to make you be quiet, in silencing My Will! Woe be to he who may be so crazy as to try to trample on what I raise. Disobedience touches My soul! Go to sleep, I watch over you. I break you and bring you back to life!

## WHY DO YOU GIVE YOURSELVES HALFHEARTEDLY?

DH-31

24-Aug-96

The Lord

<sup>1)</sup> My very beloved daughter, My Heart is very thankful for your true love this Saturday, which always reminds Me of another peaceful Saturday.

<sup>2)</sup> Your suffering was necessary, beloved daughter, there was a soul very dear to Me that needed your suffering. It was also necessary that those, who prayed with you, should see your suffering and remember Mine.

<sup>3)</sup> Go back to your normal life, beloved one, but do not go to far away from Me, pray for the souls of those who oppose the Pope, for those wicked, consecrated children who attempt to reduce him to silence.

<sup>4)</sup> You are My little mirror reflecting a suffering image of your Jesus. So great is My Love that I have given you My nails and My crown of thorns, even the blow on My cheek was lovingly placed on yours. The agony and immense sadness that drowns your soul is exactly what I feel with the loss of each of My children. Do you now realize how much your God suffers?

<sup>5)</sup> My Heart is so sensitive that the slightest generosity touches Me deep within. Just as you receive help at the precise moment, you must help others; you will be filled with blessings. Each act of generosity is a huge step, almost a leap toward the road to Heaven.

<sup>6)</sup> I want to annihilate all your sorrows in My Sacred Heart. Why do you give yourselves halfheartedly? Read My Messages over and over again; they contain everything that My Love and My Mercy can tell you.

<sup>7)</sup> Pray for My battered, wounded, infirm Church. My Church, Cross of strengthened hopes...

## YOU ARE INSTRUMENTS OF LOVE AND MERCY?

DH-32

24-Aug-96

The Lord

<sup>1)</sup> *(Personal message for R., a member of the Prayer Group)*

<sup>2)</sup> May peace and My gratitude be with you...

<sup>3)</sup> Do you realize, My son, that you are the instrument through which My Message of Love and Mercy will be recognized? With the work you have just done and that I have lovingly placed in your hands, through this beloved daughter, you will be capable of moving the flawed consciences of many of My children... I have searched for you and have waited for you for a long time. You are sensitive, loving, and I needed you to fight against indifference. You are generous and I needed you to

fight against selfishness. You are trusting and I needed you to fight against pessimism. You are a warm soul and I needed you to fight against remissness and cowardice. You were very dear to Me.

<sup>4)</sup> I take pleasure in fulfilling any apparent emptiness My way. If over the last few days your body has been a focus of suffering, your soul has been a radiant focus of My loving presence in you... Beloved son, I bless your bread, I bless your family, I bless the fire that warms your home. I bless your daily journey, the work for your sustenance and that of other children. I bless the longings, desires and hopes of your heart in favor of My Glory... If you love Me in little things, I will love you and fulfill you in the greatest ones. Do not fear to be small at every moment, because sanctification of the just lies in his humility.

<sup>5)</sup> Today I have a special gift: a wonderful life plan for your evangelical spirit and complete abandonment to My Will... Soon the foreseen days will arrive and will put in My place a dirty imitation that is worth nothing. The Spirit of Love, of Truth, of Mercy will have the last word and, for My blessed Cross and My painful wounds, It will unite men in a single, glorious body near My Tabernacles. For this I need many beloved children to help Me find again and unite My lambs, but hearts like yours that decide to do it, are few.

<sup>6)</sup> I wanted you to witness the pain that oppresses Me day after day, and little by little I have brought about this moment in which My true soldiers will face the struggle against the power of darkness. You have seen My pain; you have seen My face and My wounds. That commits you to higher struggles for My cause, but do not fear; I will hold you. I will lift your spirit when the Evil One mistreats you. I will cover you and send My angels to cover you. You will not lack help, although at times, it will seem so.

<sup>7)</sup> Vote for trust, I will never fail you. Do not fear deceit if you put your loving trust in My Heart. It will always be open for you. Ask My Spirit for discernment and, as up until now, you will not lack this precious gift; It will cover you; you will know how to follow in My footsteps in truth. Trust the Divine Will of My Father, praise Him as you start your day and leave your daily fatigues to Me, since I, as His Son, will make your work fruitful.

<sup>8)</sup> Talk to the world about Sacramental confession, that fountain of saving water that awaits everybody, and whoever is immersed in this water will be protected from enemies of the soul. I solemnly promise you, that your voice, like a spark of fire, will fulfill its mission in the midst of the cruel battle. Your

guide, the morning Star, will go before you lighting up the paths, cutting the darkness, which will dissipate because it cannot withstand the force of the Divine Light.

<sup>9)</sup> Talk about My presence in the Eucharist... Man knows he is blind when trying to solve so many problems. He knows by experience his ability to fall and go under, his inability to rise. He knows that if his weak human strength opposes so many enemies surrounding him, he will be conquered in mortal combat. But what man does not want to know is that help can be found in God. He does not want to accept that I am in the Tabernacle and that I long to dwell in the heart of all My children. That is why they shrink from taking Communion. If he acted in a rational way, he would hasten to find Me, to join Me in the way, the truth, the life that are one and the same as Me. Unfortunately, he invents a multitude of elaborate excuses to distance himself from the altar, but deep inside he repeats himself the same injustices of those guests invited to the great supper that I speak of in My Gospel.

<sup>10)</sup> Between sinners and Me in the Sacred Sacrament lies a dark sea with airs of pride, that is sent from hell itself by the father of pride. A sea of mire, like the one produced by the pleasures of the senses; a sea of melted gold, formed by the idolatrous greed of the golden calf; a sea of blood, like the one spilled by hatred in the revengeful soul. How can My Heart become part of the hearts of such unwilling men? Despite everything, they must try to receive Me, so they will not become deaf to the voices of their consciences, which tell them they cannot live without Me.

<sup>11)</sup> Tell them that I am calling them: Come, eat, because My Body does not live in those who do not eat... If only men would understand who it is that is inviting and leading them. If only they could comprehend the splendid palace to which they have been invited, taste the tenderness of the meal offered to them, they would find out it embraces all the delights and is sweeter than honey, whiter than milk, more generous than wine and more delicate than wheat bread. In spite of this, men continue to cry out that they are starving, when they have bread from Heaven within their grasp.

<sup>12)</sup> Talk about the need for penitence that exists today, the world needs it more than ever. What is more, **the penitence required today is that of affection, which is the greatest penitence of all: love for humanity is the penitence imposed for this century of evil.**

<sup>13)</sup> My Heart lives a thousand deaths, for each minute the cruel martyrdom to which the sins of

indifference and infidelity carried Me, revives in Me. My Spirit suffers because even today man has not understood why I sacrificed Myself and gave Myself to the martyrdom of the Cross... Announce it to the world, those who are Mine refuse to talk about it.

<sup>14)</sup> Beloved one, I am with you, as I am with the simple of heart, with those who adopt My meekness, with those who silence their hearts to criticism and do not become echoes of calumnies that destroy lives... Your journey is hard, may your heart not falter, and may your fervor and enthusiasm in your work not diminish. You cannot even begin to imagine the marvel of your reward. I grant part of it to you in your worldly life to encourage you to carry on the struggle with greater determination... If you have placed everything in My hands, everything will be prepared and completed by Me.

<sup>15)</sup> Thank you, My son. Your Lord thanks you and pours an abundant rain of graces over you and yours. Special graces received by those who abandon the worldly races and affairs, considering them as secondary, for My Love, for the work in My Vineyard.

<sup>16)</sup> With your eyes closed, concentrate for a moment and see yourself, look into the depth of your heart and you will see the shine of the radiant light that sustains you, the light of God that has transmitted energy and life to you, which is the reason for existence itself. Praise and contemplate the beauty, clarity and internal light of My Love, the deepness of My Spirit in you. Superiority of a soul is secured by its discretion, understanding, peacefulness, incitement to goodness and active loyalty to My teaching. When the world tries to seduce your soul with the attractiveness of pleasure and glory, place My Heart as a seal over your heart...

<sup>17)</sup> Help My chosen daughter along the path I have pointed out to her (I did not want to write this part and He repeated the same thing to me twice). I want her to take to the world the sublime testimony of My Love for it. My presence will become more noticeable to both of your humanities, completely overflowing them. It is up to Me to help you, support you in your work. Ties contracted in spiritual friendships are indestructible.

<sup>18)</sup> Only the work of the laymen can bring the consecrated together, today when avarice, distrust, susceptibility and convenience walk about the corridors of convents, seminaries, religious orders... They have hardened their heart, turning them into rocks... I have asked the group to organize the Great Crusade of Love. For this I have given them a treaty of Love and Mercy. Once more, a lack of responsibility has gagged My wishes, and My plans

have been postponed... Will you please take charge of it?

<sup>19</sup> Do not lose your Grace, because I want to polish your soul to confirm it in the golden book of My blessed souls. I promise those who give Me their fidelity, to communicate to them an increasingly higher aspiration towards spiritual life. I skillfully handle the instruments I choose... Come into My Heart, take out from it all its anguishes with your resolute work and let its flames envelop your spirit uniting it to Mine as a whole.

**DO NOT BE AFRAID  
TO TALK ABOUT THE MESSAGES**

DH-33

25-Aug-96

The Lord

<sup>1</sup> (*I was crying bitterly about something that happened to me and I was feeling guilty.*)

<sup>2</sup> Calm down, little one, do not you see I am here? It is logically human that your "bad temper" is used as a shield - write this within quotation marks - because a bad temper is something that is always vented on the first person in sight, intransigence from obedience to the Lord that is the exact definition. There is fear of the murmuring about the decision you might make, which is why your bad temper is used as a shield. Cast your worries away! If I am with you, who can harm you?... Remember there are highly unprofitable grounds; others, rich in their value, compensate the poor production of the first... Only I can grant to each person what belongs to him or her.

<sup>3</sup> If I ever need witnesses of My Love, I know your weakness would be at My service.

<sup>4</sup> Do not fear, a good soul submits to My Will, incites other souls; if they imitate and obey, good for them. If that obedience is not achieved, close that door and look for other places to take My truth, but... in peace. It is not your fault, do not worry. I will not take My Graces away from you as long as you deserve them. I can not take anything away from you. Can you not see how much your love moves My Heart? Does it not make you happy to know that you saved three new souls for Me?

<sup>5</sup> I told you before that your own people would abandon you. I suffered this too, why not you?

<sup>6</sup> Let Me seduce your eyes filled with tears, with the sweet reflections of hope. Contemplate Me on the Cross. That is it. Breathe deeply again. I will stabilize your spiritual balance... Do not be afraid to talk about the Messages. My Spirit makes those whom I choose columns of fire, flaming bonfires of love, so that they will be My witnesses.

**FOCUS ON MY GLORY!**

DH-34

6-Sep-96

The Lord

*(After the Communion)*

<sup>1</sup> Beloved, purify yourself by eating My Body, because it is pure Bread that gives life. Today you are helping Me with the pain on My shoulders; thank you, dearest daughter, for your commitment.

<sup>2</sup> You ask Me, why is it that today, the first Friday, you have not received a sign from Me; is not your pain a sign? I do not want to make your hands useless, now that I need you so much to do My active work...

<sup>3</sup> These eight months of serene and trustful acceptance have helped Me more than you could ever imagine.

<sup>4</sup> Before, My Father spoke to you about the place in His Kingdom that is occupied by those who share My pain with patience and love. There, to the left of His Throne, He places the names of those who will fill His numerous abodes.

<sup>5</sup> Let Me reduce the fatigue of your ascent. Now My hands are in your hands; now My feet are guiding yours. Now, with "our" - put quotation marks around the word - hands placed on their heads, I want you to bless these children in the name of the Holy Trinity. Reread the Message of January 13th on the victimized souls. So many gifts have been given to you.

<sup>6</sup> **Indeed, My Blood will be compared. Did I not tell you so before? It is necessary to compare it with the Holy Shroud. It is necessary to give noble arms to the people of My Church in order to preserve the faith of its members in these times when the devil of materialism poisons their blood. Before the glorious time comes when My Church, by then united, declares Me as its guide and leaves aside selfishness, the Scriptures will have to be fulfilled.**

<sup>7</sup> How much good it will do to the Church to give thanks for extraordinary gifts and talents. On seeing the fruits, their discernment will be evident. Wherever people walk with the Spirit, wherever there is a clear route of conversion, people will see My work.

<sup>8</sup> Beloved Daughter, once again I invite you, and through you all of My children, to truly live a life in Me and with Me... I have made you a witness of My Spirit, because the Holy Spirit has come to live in you. I will send you out into the world as a witness of this Spirit... I will build an evangelizing team that is so strong that it will support any onslaught with total confidence and absolute serenity, that it will move the hearts of this generation that is so full of frivolity... I would like us to finish the work of

evangelizing that is so important for those who talk for Me... You will plan trips both within this nation and abroad. When you enter the international channel, you will find doors open throughout the world, and wherever you go, I will go with you.

<sup>9)</sup> I say to you that My presence is more visible in true dedication to the Kingdom of My Father than anywhere else. Focus on My Glory, My children; I will willingly be at your side to help you and to give you a foretaste of My Glory...

<sup>10)</sup> My daughter, I know what is happening at every minute; do not worry about how infrequently I send a Message. I will not leave you. When we finish the part that we are writing, I will have completed My teachings for the group and for men of goodwill. What more can I teach you to bring you to Me? Remove everything that is a threat to peace from your path and fill yourselves with My Love. I will never leave you. And you in particular, do you love Me?

#### GIVE A BIBLE

DH-35

7-Sep-96

The Lord

<sup>1)</sup> Buy a Bible and give it to your husband with this dedication: Matthew 5,16...

#### SO MUCH DEW HAS COME DOWN FROM HEAVEN FOR YOU

DH-36

12-Sep-96

The Lord

<sup>1)</sup> Beloved daughter, My Peace be with you, thank you for helping Me with the pain that is on My shoulders; blessed be your shoulders for helping Me, just as your hands and feet have been so blessed for all these months past.

<sup>2)</sup> My little daughter, I know that My marks have been very deep and the pain enormous. It had to be so for everything to come out right in this document that you are preparing. It was necessary for My son NN to see and photograph what you would have to talk about. Surely, seeing reality is the best inspiration?

<sup>3)</sup> You have helped Me a great deal, My daughter; do not feel bad. I remain with you, but, as I told you before, I need you to work for Me. However, when I decide that it is necessary to take your pain, I will let you know in advance; be calm.

<sup>4)</sup> We have almost finished the course on evangelizing. I want to tell you about that. These pages are not to be handed out like the Messages. You will hand out copies as I instruct you, but you will warn people that it is forbidden to take any more copies than the duly authorized number. I know that some

people will ignore this recommendation; but they have been warned and they should learn to be obedient. If they do not obey Me, what can My Church expect from such people? You just warn them, and leave the rest to Me.

<sup>5)</sup> Beloved daughter, so much dew has come down from Heaven for you that you should be soaked. Do not take things so superficially. Sit down and study the Messages, study the Scriptures, set to work seriously on all that you have.

<sup>6)</sup> Tell your husband not to be so annoyed with that son of Mine; it is their duty to warn the faithful and give them advice, but I do admit that this son was not very loyal to Me to make recommendations that were out of order... Pray for him. Forgive those who hurt you, as I forgave those who crucified Me.

<sup>7)</sup> Speak to the Cardinal; the child is epileptic and is damaged on the left side. Do not let the wrong things bewilder you. Please tell them to resume the treatment for this sickness. The child needs a neurologist and, above all, the complete conversion of his parents and relatives.

<sup>8)</sup> My beloved daughter, love of My pain. You will always be the love of My pain... the pain that I lived for you and the pain that you share with Me.

<sup>9)</sup> You should make more effort with the conversion of NN. This relationship is destroying their own values ... EE needs to receive Me through the Communion; I agreed to work on his soul. Do not treat him as if he were a child; you should not forget that he is an adolescent and that he has to live through this phase. Give him responsibilities, with love, and give him moments of entertainment as well, with love. Before doing anything or saying anything, amen; the rest will happen on its own.

#### DO NOT FEAR; I AM WITH YOU

DH-37

20-Sep-96

The Lord

<sup>1)</sup> Be calm, My beloved daughter; I know you are afraid of suffering, and especially of humiliation. People's comments hurt you; be calm and remember that I was also called mad; I also had My feelings tested on the Mount of Olives. Look, I am going to talk to you a little about My suffering. And this is not just for you. You will find out later.

<sup>2)</sup> I did not just experience sacrifice, the cross and martyrdom in My last days. I experienced such suffering right from the moment that I arrived in the world, becoming man in the totally chaste bosom of My Immaculate Mother, in the first sufferings, in the first pain of material poverty and human indifference, when I was born in that stable in Bethlehem, in the first spilling of blood in

circumcision, in the flight to Egypt that portrayed a God that was persecuted and apparently beaten by the irritated pride of an evil man, in the hidden life in Nazareth and in the daily exhaustion of a public life. All My life on earth was a painful drama; the last days were only the final stages of a tragic finale.

<sup>3)</sup> I was a victim throughout My life and I will be for as long as there is Holy Communion. I am the Victim of the only sacrifice offered by the only Priest that could be accepted by God, because the victims of the sacrifices offered by other priests only have value if they are joined to Me, if they are joined to My sacrifice, if these human priests carry out the true functions of His ministry.

<sup>4)</sup> That is why every Christian is called to perfection and why every Christian is also called to the state of being a Victim – be it in a generic or remote manner. Only the chosen ones are called by Me in an individual and immediate way to this state of oblation. Only generous beings, who try to live the fullness of a Christian life tightly united with My Cross may fully reach the state of being a victim; this is the most elevated state of an aesthetic life and the most sublime expression of religious virtue, the objective of which is to glorify Me...

<sup>5)</sup> Do not be afraid; I am with you. Be thankful if they say you are mad; they said the same to Me. It is My plan and a great fortune for the world that, from the great multitude of mediocre Christians, there should always be some enthusiastic and generous souls who, after having fully understood the value of human existence and the depth and beauty of Christianity to its most sublime expression, ask to be intimately united with My redeeming sacrifice, and, under the guidance of My Mother, pass through all the stages of the state of being a victim, of the Victim's offering, of the Victim's vote... These people are the Christ-Redeemers, the Moses who save their people, the lightning rods of humanity.

<sup>6)</sup> You need to have an increasingly deep internal life; this constitutes the true essence of saintliness, allowing your soul to find Me fully at every moment in life, in the holiness of every moment, at every moment of your daily life, in the different stages of every agenda. You will find out that this is the only way to reach the true understanding that appears to many to be Utopia: the true relationship between action and contemplation, a relationship that will make your actions into a contemplative force and contemplation into an active intention.

<sup>7)</sup> It is very important for you to make this trip; do not worry about the economic aspect that will be solved. I want you to join in communion with your brothers and sisters. Everyone knows that I am

present, but they are not aware that My presence depends on the fullness of the love that you live with. Therefore, as My missionary, you should present yourself to others stripped of yourself, with extreme internal poverty, ready to pay with your own self so that others may gain salvation. Remember My words: "Whosoever listens to you, also listens to Me." Your Message – put it in quotation marks – "hidden from the wise and the prudent," extracted from My living fountain, should be aimed at the humble and the children. Shout to the world about the power of My name and the immense force of My Love for everyone. It is very important that the world recognizes the need for penitence. Man should know that his works are empty because, due to his own doing, I am not in them. If this is not corrected, evil will increase.

<sup>8)</sup> I have said before: First love and then everything will work out. This is the only feeling that can overcome politics, selfishness, pride, cruelty, and the exaltation of the glory of man without the Scriptures. This is the feeling that, on seeing them, Men will engrave on their souls and on the new history of the world. Truth is a tree that produces excellent fruit; untruth is also a tree, but its fruit is poisonous. Remember that all you give to others, you give to Me. You are Me and I am you... Have trust in Me; I will not disappoint you.

<sup>9)</sup> I want you to prepare yourselves so that people can see in you a reflection of your interior life and of the power of prayer, so that your every act represents an expression of your immense love of God. An effective and powerful way of evangelizing, a response to those who sow errors and discord, are the meetings that you should have with married couples and with those who are divorced, in this basic expression of the apostolic task that is personal interaction carried out immediately, authentically and in depth according to the needs of the moment. For this reason, the women of the evangelizing group must prepare themselves.

<sup>10)</sup> Every brother and sister must study the specialization that each is to follow, in order to use their intellectual, psychic and physical capacities, as well as their preparation, in the best possible way. Everyone will help with this individual task.

DH-38

21-Sep-96

The Lord

<sup>1)</sup> Beloved daughter, My little Catalina, prepare yourself; I am going to dictate to you. We will not waste time because you have a lot to write. I want you to take all of these papers to My children. Tell

them that My wish to see them walk together is quite clear. I want them to read and meditate on these last Messages that you will take.

<sup>2)</sup> I do not want you, like on other occasions, to spend the day writing. I want you to share things with your brothers and sisters; I want you to infect them with your love for Me; I want you to get to know each other; I want you to exchange experiences, doubts, and ways of working. I am not going to oblige you to spend the day writing; so it is very important that you get on with the task quickly and effectively, like the highly efficient secretary that you are. It is very important for them to clarify their ideas, so that they may begin to impose order on these two groups that are in no way social. They are My elected groups; I want each one of their members to give their utmost efforts.

<sup>3)</sup> I am going to dictate to you some topics that, although they are separate, have the same purpose: to get to know Me better; to find Me through you.

<sup>4)</sup> Catalina, start by telling them that I know how imperfect man is; but I also know how anxious I am to save them. Ask them if they want to help Me with this task, if they are going to collaborate with My Mother in the work of salvation.

#### NEED FOR HUMAN RESPECT

DH-38.1

22-Sep-96  
(at midnight)

The Lord

<sup>1)</sup> I want to talk to you about the need for human respect. I said to My Apostles that they should continue to be faithful during all persecution; that the time would come when those who kill them would be persuaded to give a present to the Lord. That is how it was: the enemies of the faith thought they would offer Me a great gift by killing the Christians. That is what many so-called Christians are doing today; they kill their souls, losing the grace of human decency in their efforts to satisfy their friends of this world. How many unfortunate souls have been sent to Hell by their need for human respect, the greatest enemy of salvation! That is why I am going to tell you now how important it is to despise the need for human respect; how you must put yourselves above it.

<sup>2)</sup> Truthfully, how much damage does scandal cause the world? The poor world is plagued by scandal! I have already said that scandal is a necessary evil because of man's innate vice; therefore, how could we live in a world without scandal? Indeed, it is impossible to conceive of a world without scandal. However, it is possible to avoid any association with scandal, in order to oppose its evil habits and

depraved advice. If for human respect you do not do this, then you will be unable to contradict them and would have to imitate their bad example.

<sup>3)</sup> Listen, My children. These so-called lovers of the world are not only proud of their wickedness, but, even worse, they want to mix with people who make fun of those who live as true Christians and who try to keep away from the temptations that offend Me. This is a sin that hurts Me very much, and I very specifically forbid it. In Ecclesiasticus [Sirach] 8,6 [verse 5 in more recent English Bible translations], you will find that I tell you not to despise the man who runs away from sin, not to make fun of him in an effort to drag him down so that he will imitate your disordered life. The terrible judgments of God are ready to punish those who mock His word; the hammers are ready to pulverize the bodies of those who are so insensitive, in this life and in the next. They mock My children, but I will mock them for the whole of eternity in Hell. They try to shame the saints in front of men, but I will make them die in shame and then send them to live among the condemned, fenced in by eternal ignominy and interminable torment.

<sup>4)</sup> They are doing great wickedness; it is not just sufficient for them to offend Me, they want every one else to offend Me. Very often they achieve their evil designs, because they can find a great number of lazy, weak souls who abandon good and embrace evil in order to ensure that they do not become objects of the mockery of the wicked ones.

<sup>5)</sup> How many of My children imitate the vices and disorder of such people just to be sure that they are not the object of comments such as "Look at the little saint!", or other similar expressions that are used between evil friends! How many of My children when insulted in such a way decide to take vengeance, not just because of the passion of their anger, but to ensure that they maintain their position of human respect, in other words, to make sure that they are not classified as foolish or weak! How many of My children, when some inappropriate comment slips out of their mouths, refuse to backtrack, as they should, so as not to lose their status before others! How many of My children, for fear of losing favor with some friend, sell their souls to the devil - just like Pontius Pilate, who condemned Me to death because he was afraid to lose his friendship with Caesar.

<sup>6)</sup> You should know, My dear children, that if you wish to be saved, you should despise the respect of humans and the shame that you feel when My enemies mock you. Because, as it is said in the Holy Writings, there is shame that leads to sin, but there is

also shame that leads to My glory and grace. Read Ecclesiasticus [Sirach] 4,25 [verse 26 in more recent English Bible translations]. If you do not suffer with patience, you will be lead to the abyss of sin; but if you suffer for Me, you will be rewarded with My Divine Love and then eternal glory in Paradise.

<sup>7)</sup> Some of you may ask: Why, for wanting to save my soul, should it be that people persecute me? I would answer: That is the way of things and there is no solution. Those who serve Me will always be persecuted because the impious hate of those who follow the path of salvation. Those who lead a licentious life hate those who live a moral one, because the lives of good people are a living condemnation of those who live immorally.

<sup>8)</sup> Pride - that wishes vengeance for the least little thing - wants everyone to take vengeance for every little affront. The avaricious, who increase their money at the expense of justice, want everyone to earn a little bit more; drinkers want everyone to get drunk like them; the lustful, who boast about their obscenities and whose words are full of filth, would like everyone else to act and talk like them. All of these disorderly beings classify all those who do not act as they do as unsociable, rude, and lacking in honor and credibility. The men of the world are only able to talk in the language of the world. They are poor and blind; they are blinded by sin and bad habits that make them talk in the language of the devil.

<sup>9)</sup> Thus, it is not necessary to build up illusions on the matter. All of those who wish to live virtuously have to suffer the persecution of the world; all of the saints were persecuted.

<sup>10)</sup> Perhaps some might say: I am not doing anything wrong to anyone; why can I not be left in peace? Who did the saints and martyrs upset? They were full of charity and loved all men. Despite all of this, no one can deny just how badly they were treated by the world: they were ripped apart with iron nails; they were mistreated with chains; and, finally, they were killed in pain. And I, whom have I ever hurt? Despite the fact that I have consoled, healed, revived the dead and redeemed everyone at the expense of My Blood and My life, the world has mistreated Me; it has slandered Me; it has followed Me until My death in agony on the most infamous and ignominious gallows, fit only for slaves and the worst of men.

<sup>11)</sup> Little child, learn the lesson... The maxims of the world are always diametrically opposed to Mine. What the world appreciates is stupidity to Me, and the world views as stupidity what I appreciate: work, the sick, persecution, suffering and ignominy. I

would say to whosoever feels ashamed of Me in the world: now I am ashamed; leave Me, evil one, go to Hell and join the others who are also ashamed to follow My doctrine. To these children I say: You do not want to be mocked by your companions but does it not matter to you if you are hated by Me?

<sup>12)</sup> You must be aware that if you do not despise the world, the world will despise and vilify your souls. But what is the world and all of the goods that it has to offer? Everything in the world is lust of the flesh and vain desire. What are expensive clothes but mud? What are honors but smoke? What are carnal delights but lust? And then, what good are all these things if they only lead to condemnation? Those who love Me and want to survive should despise the world and all need for human respect. Each one must make every effort to work to this objective. Many need to debase themselves. For Mary Magdalene, to overcome the respect of the world, threw herself at My feet and, in the presence of a large number of people, washed My feet with her tears and dried them with her hair. That is how she became a saint and, as a result, I forgave her sins and praised the great love she had for Me (Luke 7, 47).

<sup>13)</sup> One day, a great saint had under his cape a pot of food for poor prisoners; on his way, he met his son pompously mounted on a horse in the company of others. The saint felt a little ashamed about them seeing what he had hidden under his cape, but what do you think he did to overcome his need for human respect? He took the pot and put it on his head so all could see, thus making himself a mockery before the world. How much mockery did I receive? On the Cross, I was mocked by the soldiers, who said: If you are the Son of God, come down from the cross. The priests also mocked Me, saying to each other: He has saved others but he can not save himself. But, despite this mockery and that I could have confused them by doing a miracle, I wanted to finish My life on the Cross, showing them how to conquer the need for human respect.

<sup>14)</sup> My Children, console yourselves, because when men speak ill of you and censure you, that is when I praise and bless you. Is it not enough to be praised by Me, by the Queen of Heaven, by all of the angels, by the saints and by all those who are just? And if you decide that is enough for you, let those of the world say what they will, continue to work for Me. I will reward you much more in the other life if you have suffered in face of the mockery and insults of men. Everyone should behave in this world as if they and I were the only spectators. **When the impious mock you, commend to Me these poor blind ones who wander the world miserably lost, and be**

**thankful that I will give them the light that I usually refuse to give to such people so that they may follow the path of salvation.**

<sup>15)</sup> Now, so that you may conquer your desire for human respect, you need to fix in your heart the holy resolution to prefer My Grace to all the goods and favors of the world. You need to say, as Saint Paul did: Neither death, nor life, nor the angels, nor principalities... nor any other creature may separate us from God's love. I beg you not to fear those who may take away your life on earth, rather fear the one who can throw your body and soul into Hell. **There are only two options: to follow Me or to follow the world. If you follow Me, you must abandon the world and its vanities; that is what Elias said to his people.**

<sup>16)</sup> My real sons and daughters feel true pleasure when they are despised and mistreated for their love of Me. Just think: it would have been very easy for Moses to have escaped the Pharaoh's wrath, allowing the rumor that he was the Pharaoh's grandson to spread; but Moses denied it publicly and chose to be persecuted along with the other Jews, judging that My approval was a treasure that was far greater than all the riches of Egypt.

<sup>17)</sup> Sometimes you will be faced with so-called friends who say: What extravagances, how ridiculous they are! Why do you not do what others do? Then you would reply: Not everyone behaves just like everybody else; some people lead a holy life, but these people are few and far between, and not you. Reply with satisfaction: I want to follow these few, because the Scriptures say: Many are called, but few are chosen. Your false friends will also say: Do you not see that everybody is talking about you and mocking you? Then you will reply: If God does not mock me, then I am happy.

<sup>18)</sup> When it is necessary to scold these satellites of the devil, it is very important to have the courage to scold them without any further consideration. Because, when My honor is at stake, the quality and status of whoever commits the sin is irrelevant; you should just be courageous and say: That is a sin and you should not say it.

### **BENEFITS THAT COME FROM AFFLICTION**

DH-38.2

22-Sep-96

The Lord

<sup>1)</sup> In times of affliction, I enrich the souls I love, with My greatest Graces. See John the Baptist who, chained and cramped in jail, knew of the work I did. **You do not understand it, but there is great and invaluable usefulness obtained from affliction. I do not send them to you because I want you to be**

**harmed, but because I desire your well being, and because of this, you must receive them when I send them. And also thank Me, not only submitting to My divine Will, but rejoicing because I treat you as My Father treated Me, since My life in the world was a web of pain and sorrow.** I will explain in detail:

<sup>2)</sup> First you will see why afflictions are useful. He who has not been tempted, what can he know? He who has a lot of experience, will be reflective and he who has learned a lot, will meditate with prudence. He who has always lived in prosperity, in comfort, does not know anything about the state of his soul. The first good effect of affliction is to open eyes that prosperity has kept closed. Saint Paul was blind when I appeared before him and then he understood the mistakes in which he lived. King Manases turned to Me when he was in jail in Babylon, he knew about his sins and made penance for them. Think about the Prodigal Son... So it is that while they live in prosperity, they only think about the world and moral corruption.

<sup>3)</sup> The second good benefit from affliction is to separate them from their fondness for worldly things. When the mother wants to wean her nursing child, she puts something bitter on the nipple so the child withdraws and gets used to eating. I do the same with you to separate you from worldly riches: I make worldly riches bitter so you will abhor them and love heavenly riches. I make worldly riches bitter so that you will seek another happiness, whose sweetness will not deceive you.

<sup>4)</sup> The third good benefit is that those who live in prosperity, stimulated by presumption, vaingloriousness, pride, the immoderate desire to acquire riches, honors and pleasures, are freed from all these temptations by means of afflictions. They make them humble so to be content with the state and condition in which I have placed them. I send afflictions so they will not be condemned together with this world.

<sup>5)</sup> The fourth benefit is to make amends for any sins committed, much better than the penance you impose on yourselves voluntarily. What an efficient remedy suffering is to cure wounds and injuries opened by sins! Why do you complain? The affliction you suffer, as Saint Augustine said, is a medicine, not a punishment. Job calls a man whom I Myself correct fortunate, because I make the wound and heal it: I hurt and cure with My hands.

<sup>6)</sup> The fifth benefit is that pains remind you of Me and force you to turn to My Mercy, seeing that only I am the One who can relieve you and help you when you suffer (Matthew 11,28).

7) The sixth benefit is that affliction makes you acquire great merits before Me, giving you an opportunity to exercise the virtues that I love the most: humility, patience and acceptance of My Will. Do not forget that a "Thanks be to God" is worth more than a thousand thanksgivings in prosperity.

8) My Children, what a treasure of merits that a Christian obtains when he patiently suffers scorn, poverty and sickness. Scorn received by men is the true desire of saints who wish to be scorned for their love for Me, to resemble Me. How much they gain by suffering the discomforts of poverty! If you believe you are unhappy because poverty lives with you, you are truly unhappy and worthy of compassion, not because you are poor, but because in being poor you do not embrace your poverty and you consider yourself unfortunate.

9) To suffer pain and sickness patiently is to reach in advance a great part of the crown prepared for you in Heaven. If a sick man complains that because of his illness he can do nothing, he is wrong; because he can do everything, by offering God all his suffering with peace and acceptance. I punish whom I love and test those whom I receive as My children with misfortunes (Hebrews 12,6). One day I told Saint Therese: **You must know that the souls My Father loves the most, are those who suffer the greatest afflictions.** Learn from Job, who said: "If we have received good things from the hand of the Lord, why should we not receive also the bad?" Do you think it is unfair that he who received with joy life, health, temporary riches, should also receive sufferings, which are more useful and beneficial than prosperity? My beloved daughter, **a soul strengthened by suffering, is like a flame that grows with the wind.**

10) We will continue later... Thank you, beloved one.

#### Later that same day:

11) The more dreadful afflictions for a good soul are the temptations with which the devil incites us to offend God; but he who resists them and suffers them, imploring for divine help, acquires with them a great treasure of merits. In 1st Corinthians 10,13 read: "And God is faithful and will not let you be tried beyond your strength; but with the trial he will also provide a way out, so that you may be able to bear it." And in happiness, that you like so much, I tell you that those who cry will be comforted.

12) **If you do not suffer afflictions with patience, your state will not be improved and danger will be greater. The only thing you can do, if you want to be saved, is to undergo many sufferings to enter**

**My Kingdom. Do not forget that Paradise is for the poor, the humble and the afflicted.**

13) **In short, I want you to understand that afflictions, with which I test or correct you, are not for your perdition, but for your benefit or correction. When a sinner is afflicted, it is a sign that I want to have Mercy on him in the other life.** On the contrary, unfortunate is he who is not touched by Me in this world, because it is a sign that I am discontent with him and reserve him for eternal punishment. The Prophet Jeremiah asked: "Lord, why do the impious prosper in everything in this world?" (Jeremiah 12,1).

14) When you are surrounded by suffering sent by Me, pray like Job; pray like Saint Augustine, who said: "Lord, burn, tear and do not forgive in this world, so you will forgive me in the other, which is eternal." That is why, whoever in this world is afflicted by God, has a sure sign of My Love. Whoever wants to be glorified with the Saints, must suffer in this life as the saints suffered. None of them has been well treated nor wanted by the world, but all were persecuted.

15) Well, I will tell you how you must behave while suffering. He who is assailed by sufferings in this world needs, above all, to move away from sin and try to be in God's grace. If not, all that he suffers while being in sin, will be lost for him. That is, without grace, suffering would be of no benefit. On the contrary, whoever suffers with Me and by Me, with resignation, all his suffering will turn into consolation and joy. That is why My Apostles, after being offended and mistreated by the Jews, retreated with joy from the presence of the council, because they had been worthy of suffering in My Name.

16) So, when I send you an affliction, you must say as I do. The chalice, given to Me by My Heavenly Father, must I let this pass? Because, besides receiving affliction as something that comes from My hand, what is the patrimony of the Christian in this world but affliction and persecution? I have died on a Cross, and My Apostles suffered cruel martyrdom. Will you call yourself My imitators, when you do not know how to suffer patiently and with resignation?

17) Whenever you are afflicted and do not know what to do, turn to Me, for I am the only One who can comfort you. Come to Me with great trust in My Heart which is full of Mercy, and not like those who are downcast if I do not hear them as soon as they begin to beg. For these I said to Peter: Man of little faith, why have you doubted? When the graces you wish to obtain are spiritual and may be of benefit to your souls, you must be sure that I will hear as long as you pray with tenacity and as long as you do not

lose your faith. Therefore, it is necessary that in suffering you never doubt that Divine Mercy will comfort you. Souls of little faith, instead of turning to Me in times of affliction, turn to human means, and even satanic means such as witches and soothsayers, forgetting to come to Me, and cannot see themselves helped in their needs. If I am not who builds the house, architects tire themselves in vain. Why did men make Me angry by turning their backs on Me and kneeling before idols in which they put their hope? Why do they say they do not want to come to Me? By chance have I been an overcast land that yields no fruit for you? Do not you know My greatest desire is for you come to Me for consolation during your afflictions; so I can give you My Graces and, at the same time, let you know that when you pray to Me I do not have to be asked twice. I am ready to assist and comfort, although many times not in the way you desire.

<sup>18)</sup> I do not sleep when you turn to Me and ask Me for some graces that are useful for your souls, because then I hear that you care about your well-being. Be sure that when you ask Me for temporary graces, either I will give you what you ask for, or I will give you something better; either I will grant you the grace you have asked for as long as it will benefit your soul, or other graces more useful. For example, acceptance with resignation of My Will and patience to suffer that affliction. All this increases merits for eternal life.

<sup>19)</sup> My children, there is so little time left for My return. Do not faint in all kinds of persecutions, be grateful for temporary afflictions... You do not know how much I love you! I do not want to lose you for all eternity! Believe Me that with every pain of a chosen one, I suffer too, but I suffer with love, knowing that I am saving you...

### THE NEED FOR PRAYER

DH-38.3

24-Sep-96

The Lord

<sup>1)</sup> Later on I will talk to you about the need for prayer. Prayer is omnipotent, and being one, reaches all. I said: Ask and you will be given. However, do not forget that to be heard it is necessary to ask properly. Many ask, not all receive, because they do not ask as they should *with humility, with faith, with perseverance.*

<sup>2)</sup> I do not tolerate the proud; I refuse to listen to their prayers. Think about those proud men, who trust in their own strength and believe that they are better than everybody else; and know that their prayers will not be heard.

<sup>3)</sup> On the contrary, I do hear the prayers of the humble. The prayers of the humble will pass through the clouds and will not rest until it reaches Me. The prayers of those who humble themselves rise to Heaven and do not return without being listened to and attended by Me. Know that when you humble yourselves, I, Myself, go spontaneously to embrace you. But, if you become arrogant and pride yourselves on your wisdom and actions, I move away from you and leave you alone.

<sup>4)</sup> I do not despise even the most dissolute sinners, when they truly repent of their sins and humble themselves in My presence, confessing themselves unworthy of My Graces.

<sup>5)</sup> Now, My beloved ones, let us move on to another matter. No one who has faith in Me, will be scorned. May all sinners know this. No matter how many iniquities a sinner has committed, there has never been one who has placed his faith in Me and has been abandoned. He who prays to Me with faith, obtains all he has asked for. When the graces asked for are spiritual and useful to the soul, be sure that you will receive them. That is why I have taught you that when you ask for a grace, you should call Me Father, so you will turn to Me with the same faith with which a son turns to his father who loves him.

<sup>6)</sup> If you heed the promise I have made you, of listening to he who prays, who can doubt that I will break My promise? I am not like men who promise and do not keep their promise, either because they are lying when they make a promise, or change their minds after they have made their promise. I cannot lie because I am the Truth; I cannot change, because I am justice, rectitude, and know the consequences of what I do. How can I fail to keep My promises to you?

<sup>7)</sup> For the same reason that I wish you well, I exhort and incite you to ask Me for the graces you need. That is why I say to you: "Ask and you will be given; search and you will find; call and you will be answered." How can I exhort you to ask Me for graces if I did not have the will of giving them to you? You must trust even more that I will give what you ask Me for, since it is I who forced Myself to hear your prayers.

<sup>8)</sup> Some may say: I have little faith in God because I am a sinner; I have been ungrateful and I know I do not deserve to be heard. His prayers are not supported by his merits, but by My Divine Mercy. As long as you ask for things that are useful for your eternal salvation and pray to Me with faith, I will listen. I have said useful things, because if they are harmful to your souls, I cannot listen. For example: if someone thinks of taking revenge for an injury or of

carrying out an offense and prays for My assistance, I would not listen because he who asks for bad or unjust things offends Me.

<sup>9)</sup> In the same manner, if you implore divine assistance and want Me to assist you, you must not place any obstacles in the way that would make you unworthy of being heard. For example: if you ask for strength to resist backsliding into sin and do not want to avoid the opportunities to sin, I will not listen because you are placing an obstacle in your prayer. If afterwards you sin, you must not complain about Me, saying: I have asked the Lord to give me strength so I would not sin again, but I have not been heard. Because this would be to deny that you placed an obstacle, not to mention the opportunity, thus rendering your prayer useless and making Me not listen to you.

<sup>10)</sup> It is also necessary to warn you that the promise I made to listen to those who pray for temporary graces, such as winning a dispute, having a good harvest, being freed from a sickness or persecution, will only be granted them when these prayers are useful for your spiritual health. Otherwise I will refuse them, because I love you, knowing that such graces would be disgraces for you and would harm your soul. I deny some graces out of Mercy, and grant others for punishment. **That is to say, when you do not obtain the graces you ask for, you must rejoice, because it is better for you that such graces be denied than granted...Many times you ask for the venom that will kill you.** Many would have been saved, if they had died during that illness or poverty they were suffering! But, when they recovered health or obtained great honors and dignities, their pride increased, they forgot Me and condemned themselves. That is why you must let My Will grant what you ask of Me, if it is what you need.

<sup>11)</sup> Let us see the other side. Spiritual graces such as: forgiveness of sins, perseverance in virtue, love for Me, must be asked for absolutely and without condition, with the firm hope of obtaining them.

<sup>12)</sup> When I am asked for something, I do not care if it is an innocent person or a sinner who is asking for spiritual graces. **Sinners: if you do not deserve to obtain graces, I have great merits before My Father; ask in My name, that is, for My merits, and I promise to obtain all you ask for.**

<sup>13)</sup> Ask with perseverance, most of all, without getting tired of doing it. This explains why I have said: Pray without desisting, make your whole life a prayer. Let nothing stop you from praying as long as you can because, in ceasing your prayers, you deprive yourselves of divine assistance and are subdued in temptations. Perseverance in grace is an

absolutely gratuitous gift that you cannot deserve, but this gift can be obtained through prayers. Ask for this grace daily.

<sup>14)</sup> Your perseverance until death, not only depends on one assistance, but on many; all those you expect to achieve during a lifetime, to keep yourselves in My Holy Grace. Then, this chain of divine assistance must correspond to a chain of prayers, without which I rarely grant graces. If you interrupt prayers and stop asking, I shall also interrupt the chain of assistance and you will lose perseverance. Read Luke 11,5-8.

<sup>15)</sup> Men get annoyed when they are importuned with a request for something, but I exhort you to repeatedly ask Me, and I do not get annoyed, on the contrary, I am pleased to see you are perseverant. When I said to you "search, call", I meant to make you understand that you must be like the poor beggars when they ask for charity and who, even when they are turned away, do not stop asking and insisting until they are given something.

#### ASK FOR PERSEVERANCE

DH-38.4

26-Sep-96

The Lord

<sup>1)</sup> Ask for perseverance at every moment: when getting up, when praying, in Holy Mass, on visiting My Holy Sacrament, when going to sleep, and specially, when the devil induces you to commit a sin. So you must always be saying: Help me, assist me, enlighten me, give me strength, do not abandon me. And this importunity with which you pray to Me, does not annoy Me; it moves Me to grant what you pray for. Ask Me for grace by means of My Mother, because there is nothing I can deny her since she is solace for sinners, assistance for the afflicted and the source of every grace.

#### THE WILL OF THE LORD

DH-39

29-Sep-96

The Lord

<sup>1)</sup> Love of My Passion, congratulations! (*Jesus shares a personal and family joy.*) Let us work a little bit more, because you will be busy with other things later.

<sup>2)</sup> When My children accept My Will, then they have accepted their daily tasks just as they are, because following My Will involves doing your best, with enthusiasm, in your daily life. If My children pay little attention to things, to their daily routine, they are hindering the fulfillment of My Will.

<sup>3)</sup> **Some children say: I will do whatever God asks of me. My Will is before them in their activities, in their daily struggles, and when there is something**

special that I desire, it is My Spirit that inspires them and otherwise motivates them. But, the most important thing is that which requires care in their lives: their families, homes, order in their devotion to what they were given on earth; to the responsibilities they took on before My Altar.

<sup>4)</sup> Quite a few people have different opinions on what is My Father's Will. They try to achieve things that go beyond their simple daily functions "in order to follow Christ". Since problems arise or they do not have enough time to do what they had intended, they reach crisis point, become exhausted and lose heart... They do not really know how to see My Will. They do not realize that if I want them to go along a different path from the one they are on, I will let them know. What can I do? Different opportunities and options arise for them; their choice is centered around that which brings them closer to a life of prayer, of peace, totally abandoned to My hands...

<sup>5)</sup> The way towards doing My Will is a simple way; not always easy, but satisfactory; with real, permanent values and virtues. Therefore, do not try to develop your life thinking that a certain way would please Me more. What pleases Me is when you face your daily challenges and opportunities that arise to live My Will with acceptance, enthusiasm and peace of heart, without avoiding the responsibilities that, as human beings, have been assigned to you. Competent men or women should work for their living. Wives who do not work outside the home should devote themselves to their domestic tasks, to supervising their children, their homes.

<sup>6)</sup> How much harm parents do to themselves and to Me when they spend their spare time on mundane entertainment: night clubs, games, the television, the telephone. Yes, the telephone, you heard right. It is not wrong to use the telephone or to chat a bit. But if the telephone robs you of hours of tranquility, prayer, finding Me, or peace at home, stay away from it. Use this time to talk with your family, to find out each member's concerns and problems.

<sup>7)</sup> Understand that I want you to find Me in everything you do regularly and not in places other than those I offer to you every day, such as your daily struggle, your daily bread that will nourish you for eternal life. Doing My Will is to assume all the commitments that life offers you and to take responsibility for them, whether they are moral, family, economic or social commitments.

## CONSECRATION: THE PURE OF HEART ARE MY BROTHERS

DH-40

8-Oct-96

The Lord

<sup>1)</sup> The union of a believing heart to Mine is evident in the fruit of the Spirit (Colossians 3,15 and Galatians 5,22-23). The love that comes from Me and brings to Me is inseparable from the joy and peace of heart that invades all your internal life. But it is not just a purely internal experience of peace, but of a peace that shapes and controls all your relationships... I am your reconciliation and peace. The saving plan of the Father is revealed and fulfilled in Me, for it is a plan of peace.

<sup>2)</sup> When a soul devotes itself to My Sacred Heart, it has made room for My Peace; it knows that I cultivate peace plans for it and for all humanity. If My Peace dominates and triumphs in your hearts, then gratitude becomes a natural fact.

<sup>3)</sup> Listen: peace of heart, peace with Me and with yourselves, is an undeserved gift, which will not last unless it is accompanied by recognition. Therefore, whoever says that they enjoy peace from My Heart, must also wish this peace for others and do everything possible to transmit it.

<sup>4)</sup> The first thing you must do is to let your own internal peace radiate. Then add to this a wise and conscious commitment for the peace cause at all levels. The idea is to reconcile your heart and all aspirations with the Heart of the Prince of Peace whom the Father has sent to you.

<sup>5)</sup> Those who are pure of heart, those who were conquered by My Love, are My brothers... Therefore, My Peace, when it dominates and triumphs in My disciples' hearts, contains an extraordinary strength. They are bridges of salvation between the Redeemer and the redeemed. It makes internal, invincible fountains of energy spring forth in those who joyfully draw water from the fountains of salvation. Then, by gradually discovering and using these fountains of energy, you will be convinced, in a new way, of the good to be found in your neighbor.

<sup>6)</sup> A long time ago, housewives would carefully gather burning pieces of coal, placing them in the middle of the fire so the flame would not die out. In the same way, you should gather all the energies of peace and love and place them in yourselves and in your relationships with your neighbors, particularly when they give you difficulties.

<sup>7)</sup> A non-violent act in favor of peace does not seek to annihilate the adversary, but to make him a common friend of peace.

<sup>8)</sup> If there is inner energy inside you and you believe in My action that cultivates thoughts of peace, you must not distrust your adversary. You should make him understand that inside him there also exists a profound desire for peace and justice; in this way, you will be helping him to discover the good that exists inside him.

<sup>9)</sup> You have been talking for so many years of a moral rearmament that would have precedence over any material rearmament... You have so much more, you have the God of peace and the Gospel of peace.

<sup>10)</sup> Begin now, learn to discover together the internal sources of peace and to build on them the art of the non-violent solution to disputes. Learn the art of telling the truth with love, even when injustice, violence, hypocrisy must be unmasked.

<sup>11)</sup> Now, let us pray... We praise you, Father, we give thanks for the peace plans that you placed in Your Son's Heart. We believe that You want to give us total peace, because you sent us Your Son who is our reconciliation, our redemption, our liberation and our peace.

<sup>12)</sup> We thank you for today's experience of peace and joy. We humbly ask You, in the name of Your beloved Son, to forgive our negligence with regard to peace...

<sup>13)</sup> Yes, Your Son devoted Himself entirely to the cause of peace, to Your Glory and our salvation, we devote ourselves to You in favor of peace. Your Son devoted Himself so that we could be fully devoted. Accept our devotion and send us Your Spirit, so that our lives might produce the fruit of love, of joy and of peace...

<sup>14)</sup> My beloved daughter, thank you for your peace now, at this moment...

### THE PATH OF THE SOUL TOWARDS ME

DH-41

9-Oct-96 (*Miami*)

The Lord

<sup>1)</sup> Little one, I am going to dictate to you a few pages on the importance of the path of a soul towards My Tranquil Heart. Do not worry; we will do it during the time that does not interrupt the normal course of your activities. Keep a notebook and pencil nearby.

<sup>2)</sup> Do not say anything; keep calm, with your conscience at peace... It was better like that... That was one of the moments and later there will be another no less important. Man is so imperfect that he acts on disorganized impulses. Look at Me in your heart. Do you love Me?

<sup>3)</sup> Let us begin. The word "heart" is one of the words that appear most in the Holy Bible, indicating man's heart, his most intimate center and also My

Heart. We think of man's heart particularly when he wants to find and talk to another being whose love touches and embraces him closely. Neither is this definition irrelevant to Me. In this perspective, these revelations appear as the revelation of Divine Love and of the sublime call to this Love.

<sup>4)</sup> Above all, it is about My Merciful Love that wants to transform you and all your human relations. It is a call to saving solidarity. On the one hand, I confess how much I love you; on the other, I warn you how outrageous and harmful it can be to spurn My Love, which goes to you in the Heart of Man-God, the Word incarnate.

<sup>5)</sup> Go and have breakfast ... we will carry on another time. Now you have a topic for reflection.

### LATENT ATHEISM

DH-42

11-Oct-96 (*Atlanta-Conyers*)

The Lord

<sup>1)</sup> My little one, what looks of love we exchanged today at the altar of our commitment. If your eyes did not see it, I know that your soul was able to perceive the number of angels that witnessed that encounter... Thank My children...

<sup>2)</sup> (*Jesus is referring to the people who made our trip possible.*)

<sup>3)</sup> Let us get on with our work... A society without love and without mercy has separated from Me, who is Love, before explicitly denying it.

<sup>4)</sup> Today, the most latent form of atheism is organized dialectical atheism, that sets the Christian faith in a God of love against an interpretation of history that has its own engine in hatred and struggle of classes, since it sees man - My favorite creature - within an economic life full of conflicts. Thus, it is an atheism lacking in love and mercy.

<sup>5)</sup> Near this organized, aggressive form of atheism there are many idols that keep man apart from his God: self-glorification - which leads them to their radical rejection of worshiping Me - arrogance, ambition for power, terrorism, reliance on abundant armaments, the threat of the humanity's total self-destruction, greed, the deification of consumerism.

<sup>6)</sup> But, apart from and on top of everything, atheism is hidden in the heart and lifestyle of many "Christians" - writes that in inverted commas - the progressive infection by practical atheism and again of theoretical atheism.

<sup>7)</sup> The destruction of these false idols, the overcoming of the various forms of atheism, are only possible by means of a living faith in the Love of the Father that was revealed in Me.

<sup>8)</sup> Man can only escape the dangers and build a dam against the waves of atheism by letting himself be

touched in the most intimate center of his being by the message of Love and Grace, by responding to Me with all his heart to this infinite Love that I offer. At this moment, the Catholic faith demands in a particular way a momentous decision. I want a radical yes to the Kingdom of Love. Only those who have been conquered by My Love can be believable evangelizers and faithful witnesses to faith. Only a heart that burns with My Love turns any form of hidden atheism into ashes. Only that love can clear your sight to unmask disguises of incredulity. Only love finds the saving means that the world urgently needs.

<sup>9)</sup> Those who have been conquered by My Love should draw closer together in these times of momentous and heroic decision, to provide mutual support in the communal testimony of that faith, that bears fruit in love, in true justice.

<sup>10)</sup> My children, the decision that I desire and make possible is the decision for the Kingdom of Peace and Love, the decision in favor of the glorification of My Father, through faithful love. Those who reject My Love, fall into the kingdom of darkness, of lies, of hate and of enmity. Choose this Love without reservation. Look at My Heart and understand the injustice of a world that needs credible testimonies.

<sup>11)</sup> Let us pray together now: Father, wake them up from their sleep, from their lack of enthusiasm, indifference. Fill them with fervor and zeal. May they find the safest paths to give evidence of You and Me. I came to cure a sick world, but I am also the sign before which men, My brothers, must decide. I want to draw them to My Heart, Father, to fill their little hearts with My Love, so that they, in turn, can fill many hearts.

<sup>12)</sup> Thank you, little one, be at peace. Your Lord will reward you and then there will be no doubt that you are My envoy, the small channel that I chose to spread My anguished call over the world...

<sup>13)</sup> Prepare the field for the God of Love.

### THEY ARE ONLY ENTHUSIASTIC ABOUT TANGIBLE THINGS

DH-43

14-Oct-96 (*Atlanta-Conyers*)

The Lord

<sup>1)</sup> Beloved one, soul that belongs to Me, leave your distractions and nourish yourself with My presence. I want you to arrange things so that you go back home soon. An activity is waiting for you that will please you greatly, because once more you will discover how much I expect of you.

<sup>2)</sup> I am preparing your soul for so many things! I fertilized the land for so many fruits, at times

watering it with My tears and at others with yours!  
...

#### Later on:

<sup>3)</sup> I will not keep you for much longer. You are on a holiday now and I am going to let you fully enjoy it. However, you have a few spare minutes and let us use them to carry on with our work.

<sup>4)</sup> Why has the veneration for My Divine Heart cooled off over the decades? This cooling off has been due to many complex factors: many people's love has grown cold, a lack of capacity to be enthusiastic about anything that is not tangible, a fondness for goods and pleasures, an impressive and cruel bombardment of the mind and heart with images and sounds. Finally, insufficient understanding of its theological foundation.

<sup>5)</sup> How many Saints were pleased to stop and contemplate My open side, at the gateway to salvation from where My Church, the Sacraments and all the wealth of graces spring.

<sup>6)</sup> Observe the New Testament and John, the evangelist of My Love who laid his head on My heart. Truly I tell you that whosoever wants to evangelize must first, like John, lay his head on My heart.

<sup>7)</sup> Read the Old Testament, that speaks of My ardent Love and of the image of God the Father of Israel, of the divine spouse who remained faithful to his first love despite the sins of the people, My image of the Good Shepherd.

<sup>8)</sup> When you should speak, let the unfathomable love that is shown in the great bitterness of My Passion enter your heart for a few minutes. As the sun reveals itself in its splendor, the beauty of the rose in its perfume and color, so fire is evident in your ardor. Reflect on your own, remember the wounds and how much I suffer for you...

<sup>9)</sup> I want you to enclose yourself in My open wound right now, close to My Heart that is intoxicated with love. Try to linger there, to stay there... Absorb My humanity. Ask Me to protect your heart from all false appearances of love.

<sup>10)</sup> Once you have steeped yourself in this slandered and reviled Heart, in this Heart that has been treated so cruelly, so abjectly, then come out and speak and spread your devotion just as another Catalina did in Sienna... Margarita María, Juan Eudes...

<sup>11)</sup> Go to sleep, we have finished for today, My sweet little one...

**I DO NOT LIKE  
MY MESSAGES TO BE QUESTIONED**

DH-44

15-Oct-96 (Miami)

The Lord

<sup>1)</sup> *(I was very worried because Jesus had dictated a message to me referring to the activity a Doctor from the "International Group for Peace" was going to carry out in Miami. He has studied the authenticity of different seers in the world. I had mentioned that Jesus dictated a message to me, referring to the feast of the Rosary, which was celebrated on October "8th". Quite rightly, the Doctor questioned the date, because according to his calendar and that of the saints, the feast of the Rosary is celebrated on October 7th... This also made him question the message in that he considers that: if Jesus "dictates" to me then there should not be any mistakes. This concern made him resort to two seers that he had studied, and whose reliability had been "scientifically" proved. They told him that, on asking Jesus in a vision whether my stigmata were authentic, Jesus had replied: "These are My Wounds and they are a Grace that I send to that country." Even though this reassured the Doctor (I did not know about his initiatives), the question of the date of the Rosary still remained. This is why I receive the message set out here on October 15th.)*

<sup>2)</sup> My beloved one, when will you do it?

<sup>3)</sup> *(He is referring to when I will stop worrying about things.)*

<sup>4)</sup> You are still worried because the feast of the Rosary was not on October 8th. Well, even though I do not like My messages to be questioned, I am going to explain this to you so that you can reassure My son, R. I know about fragility of faith in human nature...

<sup>5)</sup> Owing to an inspiration, it was on October 8th, 1483 that the incomplete Hail Mary began to be diffused in many countries. You should know that Domingo de Guzmán did not invent the Rosary, but that the first part of the Hail Mary was already being prayed in the year 1150. Instead of praying 150 Psalms, they prayed 150 Hail Marys.

<sup>6)</sup> Later, Pius V, through a letter or Encyclical, recommends praying the Rosary as it is prayed today. Then, in 1878, Leo XIII requests that the festivity of Our Lady of the Rosary should be on October 7th. And dedicates 12 Encyclicals and 23 documents (one of which was later annulled) to the praying of the Rosary.

<sup>7)</sup> Do you feel calmer now, little one? That is the story. If they still persist, consult with the Theologians...

<sup>8)</sup> You see how your Lord knows what He is doing, even when some of the reactions might be uncomfortable for you?

<sup>9)</sup> You are a faithful soul, I do not need to test you. Devote yourself to Me every day, remain united with your God, for I know how to look after and protect that which is Mine.

**DH-44.1 Diffuse the Devotion of the Rosary in Bolivia**

<sup>1)</sup> I definitely want you to take Rosaries to Bolivia. Diffuse its devotion, because My Mother promised that if just one member of the family prays it every day, She will save that family. And this promise is signed and sealed by the Divine Trinity.

**I WANT UNITY**

DH-45

16-Oct-96 (Miami)

The Lord

<sup>1)</sup> Love of My Passion, we have almost come to the end of our trip. Today we are going to visit the homes of the sick.

<sup>2)</sup> You have no idea how important this trip was, little one, for your preparation... I am going to explain it to you point by point so that you can understand it properly. Write it down:

<sup>3)</sup> **1)** I want unity to exist between the seers and My chosen souls; six of the people who were in that room, truly are the souls I have chosen to spread Our graces through them. This was the first meeting. Now, it is very important that the people who follow them should be united with you, pray for all of you and join together with other groups of followers and brothers. They must speak with charity about each other.

<sup>4)</sup> Whatever happened or stopped happening in Conyers, is My business... I needed you to be there so that the group could observe the organization, for when their moment comes.

<sup>5)</sup> My truly chosen ones can be recognized by their fruits. Pray that I might allow them to discover these fruits. I will show them the graces that have been granted to each one of them.

<sup>6)</sup> There is no time left for jealousies and divisions, even less for acting pompously and seeking multitudes. I want compassion, I want unity, I want true love. Only through unity can you conquer the beast that is about to make itself known.

<sup>7)</sup> I thank My children who have made this unity possible. Now you will find out that Miracles are not achieved through glass and amulets, but through love, charity, generosity, unity, prayer, work and daily effort. My Spirit has been scattered on you, do not waste the gifts of the Spirit by intending to manipulate it as you please. Give yourselves up to the Holy Spirit. I told you that, when you receive it, you will be able to perform

miracles that are even greater than the ones I Myself performed.

<sup>8)</sup> Each of you should work to overcome your dark sides, the things that stop you from performing real Miracles.

<sup>9)</sup> **2)** It was necessary for you to be with the people you were with... On the one hand, people who are serious and pray and are deeply devout. On the other, people who work for Me with other charisma, in another way, no less important... Take the good from each one and absorb it.

<sup>10)</sup> **3)** It was necessary for you to visit the homes we will be going to today, so that you can then tell people, on the one hand how good suffering can be, and on the other, how a lack of faith can hold up a process of graces... You will understand.

<sup>11)</sup> Beloved one, I want so much of you, I expect so much of your family. I need each member of both groups so much, each person in particular ... I want your and My son H.'s total devotion!...

<sup>12)</sup> I want to fashion you to My Love and for My offering to the Father's Glory.

<sup>13)</sup> Thank each one of them.

#### **DH-45.1 Follow in My Footsteps**

##### **Later on:**

<sup>1)</sup> Love of My Passion, when will humanity understand that the only way to find their path is to follow in My footsteps? They do not understand that I am like a circle, from any point you depart from Me and return to Me.

#### **DH-45.2 The United States Is a Country with Too Many Idols**

<sup>1)</sup> It is wonderful to be home, is it not? The United States is a very nice country, with too many idols. Man just does not want to absorb that if his soul sows winds, he will reap storms. That is the fruit that today parents, children, the rich and the poor are reaping.

<sup>2)</sup> This is a country full of storms...

#### **NOW I WANT THE FRUITS**

DH-46                      19-Oct-96 (*Cochabamba*)                      The Lord

<sup>1)</sup> Well, we are back home and with our things. Now your work begins; now I want the fruits.

<sup>2)</sup> Do everything with love; organize your work. You have everything you need for the tree to begin to bear good ... very good fruits.

#### **MAN IS THE RESULT OF HIS THOUGHT**

DH-47

20-Oct-96

The Lord

<sup>1)</sup> Let us get down to work. Start by reading John 1, 2-4 and 1 John 4, 2.

<sup>2)</sup> My Heart that began to beat in My Mother's womb and whose last beats on the Cross were for you, synonymous with unlimited love, represents the nucleus of Christian faith in My incarnation. In this human Heart, through this Heart, capable of loving more than all other hearts, I, Myself, love you with divine and contemporarily human Love.

<sup>3)</sup> There, creation and salvation find their ineffable center and poignant vertex. This Heart truly and without pretense shares the Love of My Father and responds perfectly and ultimately in the name of all creation. This Heart combines the Love of the Father for the favorite Son and in it, for all humanity as well as man's love for the Father and with the Father, for all mankind.

<sup>4)</sup> The only motive for the fullness of the Trinity in creating man could be Its overflowing Love which It wishes to transmit.

<sup>5)</sup> Thus, God loves you, mankind, not only as an object of His Love, but also as participants in that Love, as people who love with their God. This is the meaning of God creating man in His image and likeness.

<sup>6)</sup> You are the real image and likeness of My Father, a masterpiece of His wisdom and of His Love, when you correspond to His Love with gratitude, when you insist on learning the true love, which inserts you completely in His Love.

<sup>7)</sup> You are disciples on earth; learn to love Me, learn to love the Father and your fellow man with My Heart...

<sup>8)</sup> The sinner encloses himself in a mistaken self-love. Left at the mercy of himself, he would be condemned without hope to suffer the cold death of a lack of love

<sup>9)</sup> Be calm, My child. Look, go and talk to Monsignor and explain your concern to him... You will see that there is no need to worry.

##### **The same day:**

<sup>10)</sup> Love of My pain, why do you come before Me thinking about so many things? Why do you not put your thoughts, worries and struggles to one side, come out of your ego, to place your thoughts in the abyss of My Love, letting Me cool you down like a sea breeze?

<sup>11)</sup> Man is the result of his thoughts. His thoughts are the place in which he puts his desires and the

emphasis of his motives. Man is where his thoughts are.

<sup>12)</sup> Little one, strive for silence in your mind, so that your heart can speak always to your mind and so that your mind cannot silence your heart.

<sup>13)</sup> Tell your brothers and sisters that I want to fulfill them on a path that I have designed specifically for you all.

<sup>14)</sup> Therefore, I want each of you to lose yourselves. A generous heart has great joy, and knows and finds pure love in everything that exists and, thus, begins to receive everything I want to give it. For this to happen, you must empty yourselves of your self.

<sup>15)</sup> Today I urge you towards a profound dimension of faith, since only there will you find true unity with Me. Only faith will allow you to progress from your limited world towards the interior of the unlimited Being of your God.

<sup>16)</sup> So, I am asking you in particular, little one, to tell men that, when they do not yearn for Me because they feel that they are restricted, when they find barrenness and think that they are not capable of progressing in their spiritual life, then they should know that they are on a healthy road because they are entering the initial stage of a profound encounter with Me... I assure you that then I will keep you happily poor, so that you can receive everything that My Father desires for you at every moment, at every step... But, owing to the freedom of choice that God has granted them, they should be the ones who choose and accept help in their growth, in their spiritual development.

<sup>17)</sup> Tell all My children that I live inside them and that I offer Myself continuously in Love.

#### Later on:

<sup>18)</sup> Beloved one, go more deeply into prayer. Maintain peace and harmony inside you, going deeper into your silent prayer, which is where you will find My Peace. Why not seek it? Silence is unity and this unity is essential for life and for the soul. You should know that even when your life is active, silence and solitude are vital.

<sup>19)</sup> If the soul could understand just how important solitude is, it would be able to reflect on its condition and face the imperfections that cannot hide in solitude and silence...

<sup>20)</sup> That is where true unity with Me begins, knowing that you are nothing and feeling - through desolation and emptiness - that you can become everything in Me.

<sup>21)</sup> Seek moments of silence and solitude... Do you love Me?

<sup>22)</sup> (I ADORE YOU AND I LOVE YOU, Lord!)

## LOOK FOR A QUIET PLACE WHERE YOU CAN MAKE A HOME FOR ME

DH-48

21-Oct-96

The Lord

<sup>1)</sup> Beloved one, My sweet Catalina, always look for a quiet place where you can make a home for Me. For you to grow in My Grace, you must refuse to be the center of attention; hold on to Me, allowing Me to defeat you in Me.

<sup>2)</sup> They are going to ask you for the Messages again, wait until this week has gone by, and then you can give them the Messages; explain that you do not have much time.

<sup>3)</sup> I love these children so much! I am overjoyed that I have recovered them!

<sup>4)</sup> (He explains the pilgrimages to the Holy Land to me.)

<sup>5)</sup> It is a promise that whoever visits My earthly Homeland and the holy places in a pilgrimage of faith, will receive many graces in life. There is not much time left; you will learn a great deal spiritually from the places that accompanied Me in My life.

<sup>6)</sup> I love you so much, My children... I am gathering together My last flocks ... Help each other with love.

## MY HEART, SHAKEN BY SIN, SWEATS BLOOD

DH-49

21-Oct-96

The Lord

<sup>1)</sup> Love of My pains, let us do some work... What some scientists have guessed about the progressive loss of energy on the part of the world and of the consequent death through numbness, is a pale image of the threat that is much worse and that hangs over humanity: man's numbness from the lack of love.

<sup>2)</sup> Be more careful, you are easily distracted. Let us pray...

<sup>3)</sup> (He makes me pray the Lord's Prayer, a Hail Mary and the Gloria, and tells me to write all this down.)

<sup>4)</sup> Let us continue. The Son of Man, I, the Son of God, whose Heart beats and bleeds for you, whose cordial Love brings you insuperable revelation of paternal Love. I, with My ardent Love, do not present Myself as a model and end of all love, but I come to immerse you in My Love.

<sup>5)</sup> My Father and I want to see in you a great desire to worship Love, to praise it, to love it together will all the true lovers of My Heart, to a greater extent than those who allow their hearts to grow cold.

<sup>6)</sup> I want to see your capacity to love purified and reinforced. I want My Love to conquer your hearts too. I want My Heart to love men also in their hearts and through their hearts.

<sup>7)</sup> If the face of someone in love lights up when they see their loved one, their hearts should die of pleasure when they know that the happiness of those

in love is only a symbol of My looking at them with affectionate eyes... On seeing the smile of a beloved child - a smile that is already a response to a mutual love - parents' hearts beat faster. Only those who are stupid, proud, do not know that this comes from the Creator of everything.

<sup>8)</sup> But all this is just a prelude to the infinitely greater revelation of the Love of the Father in My incarnation. Creation is already a manifestation of the eternal Word, to which My Father communicates His whole Being, all His Love, and for whom everything has been done.

<sup>9)</sup> God enters without reserve into the misery of the incarnate Son. He is on the side of the poor and of the small, so that they can recognize the true riches for which He Himself is preparing them.

<sup>10)</sup> And I, share their weariness, their disappointments, their fragility. I bear the burden of their sins. I am so interested in their misery that My compassionate Heart that has been shaken by sin sweats blood in Gethsemane...

**THOSE WHO DO NOT BEAR  
THEIR CROSS WITH LOVE CANNOT FOLLOW ME**

DH-50                      22-Oct-96                      The Lord

<sup>1)</sup> So, did you not like the talk? Of course you did. Learn, you already have the theory and the practice, everything before your eyes, before your being to savor it...

<sup>2)</sup> You see how your God is teaching you, repeating to you, telling you things, methods, words again... Now there will be no excuses, you have everything.

<sup>3)</sup> Go ahead, My children!

**Later on:**

<sup>1)</sup> The world is nothing without Me, but is everything with Me, therefore you must learn to find a quiet, intimate time with My enveloping Love. Spend time alone and let the reality of My Being dominate your solitude, the place of your pride... Be liberated from worries, but keep your conscience free. Little ones, do not be distracted by the world's emotions, not even for a few minutes or hours.

<sup>2)</sup> Very soon you will see that you are very special for your Lord, created individually in My Love. Do not resist internal change, since I am creating a new identity for each one of you: the small identity of your true selves...

<sup>3)</sup> Support each other, help each other, without selfishness, without question, without arguing, in the same way that I support you, help you ...

<sup>4)</sup> Work, you cannot live without working. If I, the Son of God, worked in this world to earn My living,

then you should copy Me... Man cannot live in idleness, man must eat with the sweat of his brow if he wants to be worthy of the Father's promises...

<sup>5)</sup> My children, live in peace, fill yourselves with patience for each other and your kin. The Trinity cannot be where impatience exists... Am I not patient with you?

<sup>6)</sup> I look at the good and bad inside you. The good, however small, can be the yeast that brings a lot of good and, with it, the conversion of those who are living in evil right now.

<sup>7)</sup> Do not try to guess what My plans are, just trust in Me. I will guide and look after you.

<sup>8)</sup> You are Mine and I want you to give Me even the smallest piece of love that you have in your hearts to make it grow.

<sup>9)</sup> Come to Me with your doubts, worries and your small love.

<sup>10)</sup> Each of you should bear the small Cross that I give you. Those who do not bear their Cross with love cannot follow Me.

**IF YOU ACCUSE MY MOTHER,  
YOU ARE ACCUSING ME!**

DH-51                      23-Oct-96                      The Lord

<sup>1)</sup> Beloved Catalina, do not be bitter anymore.

<sup>2)</sup> The talk and discussions were not very edifying tonight.

<sup>3)</sup> Do you understand why I ask you to reread, to learn My Messages and those of My Mother? Because in this way you will be strengthened by us and be able to make better lectures than those made tonight.

<sup>4)</sup> Nobody has any right to doubt the purity of My Mother. She is purity because I am purity. She is love because I am Love. An all those who live in this love, live in Me through Her. She is the most perfect incarnation of quality and justice.

<sup>5)</sup> All this is the fruit of demystification, where nothing is sacred anymore.

<sup>6)</sup> Moral decadence, despite man's appearances, is reflected in dehumanization, which, in turn, affects society and humanity.

<sup>7)</sup> This is why I have come to motivate your faith, because grace and the center of Mercy is My Mother, who has known the depth, the scope of My way through My death. Only she understands the mysticism of the Cross, to which man is not able to fully adhere.

<sup>8)</sup> My Mother is the example of trust and virtue in God's plan. My Mother is the Queen of My Sacred Heart because it was from her heart that Our Holy Spirit formed My heart

<sup>9)</sup> Human words cannot even begin to express My Love for her. Foolish men do not realize that whatever they say about her, they are saying about Me; if they accuse her, they accuse Me... Thank you for loving her so much...

### CONTEMPLATE THE EUCHARIST

DH-52                      24-Oct-96                      The Lord

<sup>1)</sup> Finally the first book is ready... How much time has been wasted! I want N, N and N, to be in charge of the sale and distribution of this book. Do it responsibly.

<sup>2)</sup> When will you learn that if you put your work and goods to My service, I Myself will be at your service?

<sup>3)</sup> *This book will convert many souls, particularly consecrated souls...*

<sup>4)</sup> Thank you for this effort, My beloved ones. At last you will realize that when you commit yourselves to Me, I fulfill My promises to you.

<sup>5)</sup> Start copying the other book, it was an excellent inspiration... But this time do not rush, fly with My things because there is very little that it lacks and too many souls depend on its intercession. Get together and prepare a work plan...

#### Later on:

<sup>6)</sup> Let us talk a bit more about My Love... Contemplate the Eucharist, mystery of My Heart and monument, perennial memory of My Love.

<sup>7)</sup> This Mystery of My Love and of My Self-annihilation, is the extreme manifestation of an infinite feeling for you. I became so close to you in incarnation and expiatory passion that I wanted to give Myself to you in the Sacrament of Love as a gift.

<sup>8)</sup> I send you the fullness of My Spirit so you can, in turn, give yourselves wholly to Me. I want to remain close to you in this self-annihilation until the end of times, to attract your hearts to Me. I want to offer you, in this Sacrament, a permanent memory of My Passion and Resurrection, instilling in you, by means of My Spirit, a pleasant memory, full of love.

<sup>9)</sup> So, the beat of incarnate Love continues forever in My glory, until you rest next to Me, heart to Heart.

#### Later on:

<sup>10)</sup> Come to Me within your own heart, let My presence become more real in you... I am the gift My Father gives to you.

<sup>11)</sup> Experience My presence in you when you pray.

<sup>12)</sup> *I cannot be the Lord in you heart when you are worried about yourselves with your confidence, with your pride, with your pain. Surrender the pride, the selfishness, the confidence, the pain, so that I might reign in your hearts...*

### SURRENDER YOUR LOVE TO ME AND THE DESIRE TO SIN WILL NOT REMAIN IN YOU

DH-53                      25-Oct-96                      God the Father

<sup>1)</sup> *[Message for a dear friend]*

<sup>1)</sup> My son, just as I have determined the number of days in life, the degrees of sanctity or of talent I wish to give to each man, so I have also determined the number of sins I want to forgive in each one of you. When the measure is full, there is no place for forgiveness.

<sup>2)</sup> **I am ready to heal those who have the desire and will to mend their lives. But I cannot forgive he who lives stubbornly in sin. I forgive sins but not the intention of sinning.**

<sup>3)</sup> You cannot protest that I forgive a hundred sins to one, and take away life and condemn to Hell when a third or fourth sin was committed. How many have been sent to Hell for the first sin they committed! Was not a fig tree cursed when first seen?

<sup>4)</sup> Do not say then: "Just as God forgave my other sins, He will forgive me this one." Do not say it, because if you add a new sin to the one that was forgiven, you must fear this one being added to the first and in that manner the number will be completed, and you may be abandoned.

<sup>5)</sup> Many reach the determined number, are assaulted by death and dragged to eternal fire. They live in delight and in an instant go down to the grave.

<sup>6)</sup> Be sure that I await and suffer, but I do not await and suffer forever... I have patience, but once I reach the limit, I punish the first sins and the last. And the greater My patience, the greater the punishment. Woe be to those who turn back to vomit after seeing the light!

<sup>7)</sup> Surrender your love and in so doing, the desire to sin again will not remain in you. I promise to help you in your effort... You need to walk in faith, hope, truth and love. If you walk through faith, the senses will be eradicated of false hopes and you will no longer seek worldly goods - created by the hands of men - but then, when living in faith, the power of My Grace will rise to assist you.

<sup>8)</sup> I solemnly tell you that the way of love is refined from the inside. When you let it go, it carefully searches a place to rest but, committed to you, always returns faithfully to you, because the more you let it go, give it freedom, the more it will return to you, increased... As your senses were eradicated from created things, it remains firm in faith and faith becomes the infinite fountain, the gateway where love resides.

<sup>9)</sup> In the same way, when you abandon yourself in Divine Providence, in such abandonment you can

embrace all your being in Me. This can only be brought about by love. When you abandon yourself in Me, I ensure a complete union: only My Will can satisfy you. Be sure that each moment is special, because I use love to reveal My Will.

### MY GRACES ARE RECEIVED IN THE SIMPLEST AND MOST ORDINARY THINGS

DH-54

25-Oct-96

The Lord

<sup>1)</sup> Beloved one, why did you give that photocopy of the evangelizing teachings to that Priest? Did I not tell you to give them only to those whom I revealed you to? I do not like you to be disobedient, you are beginning to dispose of My things at your will and the only thing I want to do is to protect you, to teach you, to make you something special... Please do not commit again any indiscretions of this kind. There are things that are for any human being, but there are other things that I want only for My chosen ones, other people perhaps would not understand what seems incomprehensible to their human eyes...

<sup>2)</sup> Many people believe that great things must be done to receive the merit of My Graces and do not think that it is quite the opposite: it is mainly in ordinary, simple tasks that you will receive My Graces. Not because you deserve them, but because they are given to you by My infinite Love.

<sup>3)</sup> I want you to know that the mysticism of My Love comes from man's imperfection, and you, as a human being, are imperfect; but also by being imperfect, human beings become saints by My Grace. When you recognize the sin and repent, I give the grace of purification... When you achieve spirituality in your souls, it is because My Spirit has granted it, it is intimacy with your God, and to achieve that intimacy, you just have to love and obey Me.

<sup>4)</sup> There will always be people who will contradict or oppress you; fear no words or actions of anybody. I am your Lord and your God, you must trust and be sure of only Me. I allow certain things to happen so you will grow in humility, but evil also takes care of taking advantage of the moment to place there frustrations that are not firmly founded... Do not allow people to take advantage of you, but be kind and express humbly the grief they cause you...

<sup>5)</sup> Smile, My beloved one, do not disobey again. Your spirit is completely free when it joyfully sings love songs. Cast aside anything standing in the way of receiving My Graces. Learn from your mistake, ask Me for forgiveness with sincere regret and go on, do not block My Grace destined for you.

<sup>6)</sup> If you put Me first, you will perceive My Love as the most important value in your life... That is

enough; do not cry, My Love will tame your weakness and your habits and mistaken behaviors. I do not want you to be like some of My children who have deprived themselves of ascending to a purer inner state and, on the contrary, have been trapped, building around themselves a cocoon, without reaching the freedom that doing My Will grants.

### I ASK FOR DEVOTION, NOT SPIRITUAL VANITY

DH-55

26-Oct-96

The Lord

<sup>1)</sup> My beloved one, let us work. Do not be distracted with other things, please, I need you now. Look, the human being gives so little importance to everything that is spiritual, that he is on the path to his downfall. They believe that wisdom comes depending on the magnitude of time spent praying, they believe they will obtain graces because they impose a value on their prayer, they feel they deserve great gifts because they have been praying for some time. They do not know that I can do something that would normally takes years of prayer to achieve in a very short time.

<sup>2)</sup> *What I ask for is devotion and commitment to prayer through their love, not through spiritual vanity. That is why you must pray, so a spiritual dew will infuse a true devotion to My Heart. I refer to spiritual vanity when I speak of some men who practice their devotion while they feel spiritually comfortable...*

<sup>3)</sup> You must be aware that I come to My children in two ways: one of consolation, the other during trials. I judge what they need, reprehend vanity and vices, or exhort and comfort with virtues.

<sup>4)</sup> I ask you to be devoted to Me at all times: at times of blessings or at times of internal confusion. Do not weigh up your own spirituality by the time you have spent praying or by the achievements you have reached for others. Be devoted to Me and seek My acceptance, not the acceptance created by the general humankind.

<sup>5)</sup> My children, I speak to you this way because the time is coming when the Son of Man will have to give you a warning about the bitterness of punishment, in which each man will see his own judgment. Then, if you look for acceptance and value the importance of spirituality based on humanity standards and vanity, the judgment will be difficult, because your judgment will be the one that you make against yourselves. If you look for My acceptance in all the laborious steps through which I take you now towards purification, you will see that My path is not stony nor narrow, but a real path of love that leads to eternal freedom. Your judgment

can be pacified by the love of each one of you and by others through Me.

<sup>6)</sup> You almost have at your doors a punishment imposed by the justice of My Father, and you cannot escape it, but it can be mitigated through prayer and devotion to My Heart. **Start right away, My children, love each other right now, be free now, do not wait until it is too late... Man needs time to change, begin by having few expectations of yourselves, so your expectations of others can diminish until they are extinguished.**

<sup>7)</sup> *Write My Words in your heart and contemplate them diligently. Man is deceived by his hopes, but My Words are Words of truth and of eternal life; they will never disappoint you, have faith in Me.*

### THE DRYNESS OF THE SOUL

DH-56

26-Oct-96

The Lord

<sup>1)</sup> My beloved one, let us work now on the dryness of the soul. Let us go directly to the computer. That is right, let us begin with a prayer...

<sup>2)</sup> When the soul feels empty, it is looking for freshness and liquid to drink; it asks itself many times: Where is my God to refresh and quench my thirst? Where is the soft breeze of my Jesus? Pray for a moment and wait. Pray again, wait... pray... wait... there is no answer... Tears begin to flow to direct the quest, the soul is thirsty, struggling to control that thirst... It waits and waits... Then in silence it abandons itself, realizing that it is freeing energy without results... It accepts and now prays without words...

<sup>3)</sup> It is like the summer heat in the middle of the desert, when dryness is felt, when the hot wind hits the face and the quietness makes you wonder; how can life exist here? Skin turns dry, thirst begins, you can feel your skin burning and you ask again: Where is beauty in the desert? Where are the milky cactus and flowers that attract bees to extract honey?

<sup>4)</sup> It is the same... Now the clouds begin to cover the hot sun... Tired, you relax and close your eyes. The sweet current turns into fresh spring; the hot breeze brings a soft and gentle freshness, you fall quietly to sleep...

<sup>5)</sup> My beloved one, what I have described is how the soul, in dryness to revive itself, issues up its last energy in the heat of the search of water to drink. It is on the road at night where lights are so strong that they blind you and make you anxious because the beauty of life is leaving. What do you do? You free all your energy trying to find the beauty and, during the process, tire yourself. The sun is so strong; it dries every spring of energy coming out from you and makes you thirstier. In trying to control the

situation, searching for freedom of the spirit, on the contrary you have not found life.

<sup>6)</sup> Finally, in abandonment, peace and freedom, the cold breeze, freshness, come from God to restore you. The desert turns into a garden of beauty; mountains shadow the desert and light up their lavender, softened by the sundown... Everything you thought was dying because of the burning sun is now clearly irradiating the beauty of the desert!

<sup>7)</sup> What I want to teach you, is to be quiet, to be calm, to be in silence during the dryness of the soul. Wait patiently for God to show His face. Do not fear; do not be afflicted, you are not alone. Abandon yourselves and accept yourselves, deprive your soul, uncover yourselves, be humble. Do not forget that humility is founded on silence. Wait, as I have waited; look inside yourselves, be simple. Do not struggle for control. If you are walking in a sandstorm, be calm, you cannot control a sandstorm... In the same way, the soul cannot control dryness because control would only delay, causing more blindness. Wait for the dawn, with it, all will be renewed.

### RAGE AND ANGER... DISFIGURE EVEN THE MOST BEAUTIFUL FACE

DH-57

26-Oct-96

The Lord

<sup>1)</sup> Calm down, little one, today we are going to address a topic I would like you to reflect on for the next few hours.

<sup>2)</sup> I want you to know that anger is similar to fire, since just as fire is vehement and violent when it gets stronger and cannot be seen for the smoke it emits, so anger makes man commit a thousand excesses and does not let him see what he is doing.

<sup>3)</sup> Do not be bad tempered like that, because rage is so harmful to man that it disfigures even the most beautiful and pleasant face, making it look like a furious monster who spreads terror all around it. If this is what it does externally, can you imagine how it disfigures the inside before My eyes? Let us talk about it.

<sup>4)</sup> Rage often makes men rush towards revenge, blasphemy, insults, backbiting, scandals and even worse, because it darkens reason and makes the human being act irrationally or crazy. Read Job 7,7. Rage makes man lose all his prudence, often his reason and sleep.

<sup>5)</sup> While you are feeling irritated, your fellow man's action will seem like a grave and unforgivable insult, but then when your anger dies down you realize things were not as bad as you had thought.

<sup>6)</sup> When rage assaults you, pray for Me to release you from your violent passions. How many people who cannot control their anger, blaspheme terribly against Me and My saints! The irascible have an unhappy life, since they are always in a violent, agitated situation, like a storm.

### DH-57.1 Meekness

<sup>1)</sup> Calm your anger when it arrives with meekness. Remember Me, My Passion, My Cross. Did I get angry? You have no idea how much I like a meek man who suffers critical moments, persecutions and insults calmly. Now, some people boast of being meek but without reason, because they are meek when it is to their advantage or with those who praise them, but they breathe fury and revenge against those who insult or malign them. The virtue of meekness consists of being meek and patient with those who mistreat and abhor you.

<sup>2)</sup> Read Colossians 3,12. Do you want others to tolerate your defects and to turn a blind eye if they have reason to complain about you? Well, you should do likewise. When your neighbor offends you in anger, answer him quietly and humbly, and you will weaken him. Look, once a monk was walking through a sown field and the owner came out and started insulting and swearing at him. "Brother, you are right, I was wrong, forgive me," answered the monk. The farmer was mollified to the extent that not only was he no longer angry, but he wanted to follow the monk and enter his monastery... The proud turn the humiliations they receive into a banner of their pride, while the humble turn the contempt they receive into a banner of their humility. That is why I said, "Blessed are ye when men shall revile you and persecute you," Matthew 5,11.

<sup>3)</sup> Do not feel bad; I love you; you have to learn. The meek are useful to others because there is nothing better at inciting others to devote themselves to God's service than seeing a person full of meekness and joy when they are reviled. This virtue becomes evident during times of adversity; just as gold is tested in the crucible, so man's meekness is tested in the forge of humiliation.

<sup>4)</sup> Songs 1,11 [*verse 12 in newer translations*] speaks of the fragrance of the nard. In effect, it is a sweet-smelling plant, but it only gives off its perfume when rubbed hard. A man is meek only when he is seen to suffer patiently and without anger, ill usage and insults. Only then can the fragrance of the nard or the virtue of meekness be perceived.

### DH-57.2 Be Pacified

<sup>1)</sup> I want you to be pacified, even with yourselves. When you do something wrong, I want you to be sorry, ashamed and promise not to do it again; but I do not want you to be annoyed with yourselves, because when you are upset you can never act sensibly or prudently.

<sup>2)</sup> When you are angry, do not do nor say anything while your anger lasts, because everything you say or do will be unfair. An angry man does not act in accordance with Divine Justice. Be careful also not to ask anyone who might make you angry for advice. Calm this vice with virtue. With meekness you will vanquish anger. Read John 18,11. If I sent you out to forgive and I set an example, how can you not forgive others? Lift your mind up to Me; ask Me for patience and love. Look at My Cross and see if you still feel angry. Look at the enormity of your sins and bear everything that happens to you calmly. But, avoid things, occasions and people who might take away your peace ...

### I DO NOT LIVE IN NOISE; YOU WILL FIND ME IN SILENCE

DH-58

27-Oct-96

The Lord

<sup>1)</sup> My Daughter, you are not alone. I am in your soul, in your spirit. Sometimes you feel lonely, because I take everything from you so that there can be no mistake in the interpretation of My Words.

<sup>2)</sup> You do not know how good it is that you turn toward Me, for Me to have you. And it is in the silence of your heart where you will mostly find Me. I do not live in noise, in confusion; you can find Me in silence.

<sup>3)</sup> I want to talk to you about the importance of silence and humbleness of heart. Let us start with silence. A silent heart has been stripped of the excitement of feelings in the presence of My Spirit. Thus, this Spirit fashions the soul, elevated in such a way as to worship God... Therefore, it is a silent soul, concentrated on its God. I have told you that blessed are the clean of heart, because they will see God. When your entire person - particularly your heart - is in silence, you can see God everywhere because your heart is pure.

<sup>4)</sup> If men would calm their minds, they would worship Me and follow Me, and seeking My Way they could become saints, My saints... I want all My children to look for and follow My Way with pureness of heart. I am not keeping or hiding anything from you.

<sup>5)</sup> This is why, My children, you must silence your inmost being, silence your heart and you will see Me.

I give you all My being and I want all your being, though I am not forcing you, because My Love and the fruit of My Love is at your service. The fruit of this service is the silence of My Heart; I am the murmur, the soft, cold breeze that refreshes your anguished soul. Silence your hearts and live in My faith.

<sup>6)</sup> Be united always and avoid arguments, because he who is with Me cannot be against Me. I am the Light, I am the Word incarnated.

<sup>7)</sup> Give Me the silence of your heart and I will turn it into a clean, pure heart, a heart that lives with its God, that sees its God.

### **DH-58.1 Humble Heart**

<sup>1)</sup> Now let us see the humble heart. A humble heart is a heart that always wants and accepts My Will, whatever is most acceptable for Me, whatever I would like most, with resignation and total abandonment.

<sup>2)</sup> If you remain in peace and are resigned to listening and praying, to good in accordance with My wishes, you will not be lost. If you are looking for happiness in things for your own interest, you will not find rest or freedom or peace, since you will find fault with everything you find. But if you are humble of heart, if you just want to please God and tend towards the divine, you will be ensuring a lasting foundation, based on great wisdom and purity.

<sup>3)</sup> Things will pass and even My children will pass with them, since I am the One who does not change.

## **MY KINGDOM IS ALREADY IN YOU**

DH-59

28-Oct-96

The Lord

<sup>1)</sup> My little one, shelter your Lord for He is so tired... There are so many men who reject My Mercy, My Love, My forgiveness! And they do not know that when they reject these gifts, they are rejecting My Kingdom in their hearts. They carry on looking, but they will never find Me, because they are looking in the wrong place and are doing things wrong.

<sup>2)</sup> **My children, My Kingdom is already in you. When you accept My Mercy, when you accept My Love, when you accept My forgiveness, you experience My Kingdom in you. I give you the strength to open your hearts and let My Kingdom enclose you more and more. Those who are living in My Kingdom will be an example for those to whom I am sending you. I love you; you fill My Heart with joy when you abandon yourselves to Me.**

<sup>3)</sup> I invite you every day to perceive your own feelings and, then, to grasp My Love, which is the pillar for you to progress in your development.

<sup>4)</sup> My Love is with you and without emotion in your being. If you look inside yourselves to find your feelings, you can motivate them positively to do good. The essence of love is faith, and faith is not a feeling. It is a commitment. Peace comes into existence when you are united, in harmony with yourselves in My Love.

<sup>5)</sup> My children have known but one way for so long, it is time for them to look inside themselves and let peace settle there. World peace comes from inner peace. Peace is harmony and union with the self, the spirit. Search for calm so that My Love can settle in you, a place for yourselves in which you can focus on your feelings and direct them in a loving, curative, powerful way. This is where freedom exists. Trust in God through My Love solidifies the position of your identity in Him.

### **DH-59.1 If You Sin, Be Sorry**

<sup>1)</sup> If you sin, be sorry. A humble heart and an act of contrition will bring the hope of forgiveness. You recover the once lost grace and are enveloped in My loving, saintly embrace. You must not let the demons of guilt, of bitterness and of self-pity overwhelm you. You are My creation; My Love, My Peace live in you. All you need to do is to recognize My Love, My Peace and to embrace Me through love, through the union of you with Me. You have My strength, I live in you. Leave the falsities of your conscience that you yourselves have shaped and live in the true conscience of your being in Me... Only there will you find the abyss of unity with Me and the peace of love.

### **DH-59.2 Change Your Lives**

<sup>1)</sup> Change your lives. Do not wait for wonders from Heaven; thinking that one-day you will wake up changed. You are being given the grace for a while longer. I am with you to support you, to help you face the illusions of interpersonal fears, but I give you the power to make the decision to end the confusion in your perturbed hearts and to turn them into hearts that are united in My Love. Make the decision and begin to walk. My door is open. Know you must pass through it; healing is but a step away...

## SATAN WILL ALWAYS ACT CUNNINGLY

DH-60

28-Oct-96

The Lord

<sup>1)</sup> My beloved one, can you not see how they have left you? Why do you allow your peace to be taken away? Satan will always act cunningly because he knows what can torment you. Do not let him get away with it. In any situation that you see or feel uncomfortable, quickly get away, evade, escape. No person, no event, is worth the peace of the soul. Then, the best thing is to keep back. Avoid talking with those who cause trouble for you.

<sup>2)</sup> You are not sprinkling the house with holy water. Sprinkle everything, food, objects; everything that enters your house. And when somebody that makes you uncomfortable calls, sprinkle the telephone too, why not? You do not know how important holy water, like all the Sacramentals, is in these times...

<sup>3)</sup> Tell the person who will call you first thing in the morning that you are busy - and you will be - you must not make conversation, please. I do not want your uneasiness to increase... Do you love Me? Sleep, My child, I will keep you company.

## I AM SO LONELY IN MY SHRINES

DH-61

30-Oct-96 (*midnight*)

The Lord

<sup>1)</sup> Please, keep Me company. I am so lonely in My Shrines. Will you watch over Me?

<sup>2)</sup> There is so much struggle in the world! So much inequality! The rich are richer and the poor have turned into the poorest among the poor.

<sup>3)</sup> There is fear; there is famine, pain, suffering, devastating illnesses... There is too much evil, both physical and moral. This makes the world get involved in more tension and contradictions. Life today has become a fatigue for the human being and is, in fact, leading man towards uneasiness.

<sup>4)</sup> The fundamental human cultures are becoming divided and dichotomy comes from man himself. Today My children in the Church feel alienated.

<sup>5)</sup> Men are so worried about themselves that they fail to see what they really are.

<sup>6)</sup> My beloved one, everything will be in accordance with Divine Providence. Be calm then, and rest in My Love...

## I WANT US TO TALK ABOUT HEAVEN

DH-62

30-Oct-96

The Lord

<sup>1)</sup> Love of My sorrows, I want us to talk about Heaven. The place of which you must talk to encourage My children to work toward its

conquest... I transfigured before My apostles so they would see the beauty of My divine face and what irradiates from it.

<sup>2)</sup> Heaven, My children, is a good so great, that I wanted to die on the Cross to open it up to you. Goods, joys and sweetness can be conquered, but you would not understand it even if I explained it. Read 1 Corinthians 2,9.

<sup>3)</sup> Think, if in this world there are things that come to you and please your senses, how many others are there that afflict them. If you like the light of day, the dark of night saddens you; if spring and fall please you, the cold of winter and the heat of summer afflicts you. Add to this the pains and preoccupations caused by illnesses, persecutions, the discomforts of poverty... the anguishes of the spirit, the fears, the demon's temptations, the anxiety of awareness, the uncertainty of eternal salvation.

<sup>4)</sup> In Heaven there is no death, no fear of dying; no pain nor illness, no poverty, no heat. There is just an eternal day that is always calm, a continuously blooming and delicious spring because everybody loves each other tenderly, and each enjoys the good of the other as his own. In Heaven there is no fear of getting lost, because the soul, confirmed in divine grace, cannot sin or lose itself anymore.

<sup>5)</sup> Everything you can desire is there, My beloved ones... Everything is new: the beauty, the joy, everything will satiate your desires. Seeing that magnificent city that is so beautiful will satiate the sight. You will see that the beauty of the inhabitants gives a new splendor to the beauty of the city because they all dress like kings, they are kings.

<sup>6)</sup> What joy you will feel in seeing My Mother, who allows you to contemplate her, more beautiful than all! Hear her sing, praising her God!

<sup>7)</sup> All this is minor happiness in Heaven. The main delight is that we will see each other face to face.

<sup>8)</sup> The reward promised to you is not only beauty, harmony and other good things, but I, Myself, being seen by the blessed ones. So, joys of the soul have advantage over joys of the senses.

<sup>9)</sup> To love Me even in this life, is it not a sweet thing? Can you imagine how much sweetness rejoicing in Me will produce? How much sweetness a soul experiences in which My Father manifests through prayer His goodness, His Mercy and especially the Love I demonstrated in My Passion? What will happen then when this veil is lifted and you can see Us face to face? You will contemplate all Our beauty, Our power, Our perfection, all the Love We have for you.

<sup>10)</sup> The greatest affliction of souls who love Me, is fear of not loving Me and not being loved by Me. But

in Heaven, souls are sure they love and are loved by Me. They see that I embrace them with immense Love and that My Love will never end. That love grows then with the conviction of how much I loved them when I offered Myself in sacrifice for them on the wood of the Cross and I turned Myself into sustenance, into food, in the Eucharist.

<sup>11)</sup> It is there when the soul will see clearly all the graces I have granted to preserve it from sin and attract it to My Love. It will see that those afflictions, that poverty, those illnesses, the persecutions it considered misfortunes, were just love and the means by which I lead it to Paradise.

<sup>12)</sup> The soul will see all the amorous inspirations and Mercy I shed over it, after it despised Me with its sins. It will see so many souls, condemned in the abyss of Hell, maybe less guilty than itself and it will rejoice at seeing itself saved and secure.

<sup>13)</sup> My beloved ones, the pleasures of the world cannot satiate your desires. In the beginning they intoxicate your senses, but little by little your senses become dulled and the pleasures cease to thrill you. On the other hand, goods from Heaven always satiate and leave the heart content. And although they satiate completely, they always seem new, always delight, are always desired, always obtained. In this way, desire does not generate distaste because it is always satisfied and satisfaction does not generate distaste, because it always comes together with desire. That is why the soul is always satiated and always wishing for those joys: Just as the condemned are cups full of anger, the blessed are cups full of Mercy and joy because they have nothing else to desire.

<sup>14)</sup> Believe Me, My beloved ones, saints and martyrs say they have done little to get to Heaven. What are all your sufferings compared to that sea of eternal joy, in which you will remain forever?

<sup>15)</sup> Resolve, My beloved ones, to suffer patiently whatever you must suffer in the time that is left, because all your suffering is little and nothing compares to glory of Heaven.

<sup>16)</sup> When the sorrows of life afflict you, look up to Heaven and console yourselves with the hope of Paradise. My Mother awaits you there; I await you there, with the crown in My hand to crown you as kings of that eternal Kingdom...

<sup>17)</sup> Ask, My beloved ones, for the grace of perseverance in your conversion. Those who entrust themselves to My Mother, will obtain that grace. Meditate on My Passion and ask My Angel to comfort you and give you strength...

## MY HEART REJOICES WITH THE COURAGE OF MY CHOSEN ONES

DH-63

2-Nov-96

The Lord

<sup>1)</sup> I am very calm and happy that My son is working with Us. How much joy My Heart feels with the courage of My chosen ones. Will you thank him for Me?

<sup>2)</sup> Love of My Passion, hidden flower, which you have grown between thistles so that your God might flourish a garden in the depth of your heart, there where your Lord and master would live... There is nothing left to hide to the world. Everything has been said. Now, speak for Me, little nothing... Go now to tell the world that man is not the fruit of a test tube, nor can My Spirit culminate the breath of life at the will of little and miserable man... presumptuous man who defies your God, when you really are barely a worm. And what if I were to turn you into a butterfly?

<sup>3)</sup> Now, My good daughter, you must fear no more, go and tell man that his nudity can only be covered with My Love... You must not think about whether you will be accepted or not, if you must speak or not. I command you, go out into the world and talk about My Mercy. Say that I am a God of Love and not of forgetfulness. If man loves Me, how could I not bless his destiny? If man surrenders himself to Me, how can I forget that surrender? If man does My Divine Will, how could I not have words of Mercy and Love for him? Recognize Me as your beginning and your goal, and I will recognize you as the sons and heirs to My Kingdom.

<sup>4)</sup> Thank you, My beloved one, and run to tell man about My Love and My pain. Go and tell the world about all the delights the creature can find with its Lord.

<sup>5)</sup> Go, My beloved ones, for there is almost no time left. The way is long and stony for he who walks barefoot, but I will send My angels to shorten the distance and pick up the stones... Surrender yourselves without restraint, for your reward shall have no limits...

## WHAT IS ACTUAL LUKEWARMNESS?

DH-64

4-Nov-96

The Lord

<sup>1)</sup> I will not tell you what you must do, because I will always respect your will. What I do not want you to do is to neglect your time of prayer and for that reason to fall into lukewarmness.

<sup>2)</sup> You ask what is actual lukewarmness? I will explain it to you, because many times man confuses the term. Lukewarm is not the soul that lives in disgrace;

neither the soul that committed a venial sin because of its fragility and with no intention of doing so, because no human being is free from these kind of faults, when stained by original sin. You do not enjoy the special grace granted only to My Mother, to avoid completely any minor sin. This is allowed, even to the saints, in order to maintain them humble and make them see that if it were not for the grace of God, just as they fall into minor faults, they could also fall into very severe faults.

<sup>3)</sup> I want you to assimilate this well. A lukewarm soul is one that frequently falls into venial sins, consciously, on purpose: lies, acts of impatience, voluntary curses. Some will say that this cannot be avoided. That is false, this guilt can be avoided, with My assistance, by those souls that are determined to suffer even death before deliberately committing a sin, no matter how little it is.

<sup>4)</sup> Think, read My Messages again, let your hearts work. Know that every bad habit makes you lose even your shame, and blinds sinners in such way that they do not see their wrongdoing or the ruin it causes them.

<sup>5)</sup> My beloved ones, all sins produce blindness in the spirit and when they accumulate with bad habits, blindness increases... So, compare with a dirty glass, full of stains. Can the sunlight pass through it? In the same way, in a heart full of little stains, My Light cannot penetrate to make that person understand about the abyss he is walking into. This is not an exaggeration. Man continues obstinately in his bad habits, deprived of My Light, walks from guilt to guilt and loses himself because he does not take amending into account. He turns into a beast without reasoning that does not look for anything else but the pleasure of its senses... He is like a vulture feeding itself from the fetid corpse between its claws; it would rather be hunted than to leave the prey.

<sup>6)</sup> The heart of the lukewarm is hardened against the heavenly rain of grace and cannot produce fruits with it. Inspirations, conscience, remorse, fear of God, are a rain of graces; but the habitual sinner, instead of obtaining fruit from that rain of grace, repenting from his sins and committing himself, continues to sin. That is where that soul hardens its heart more, and you already know that a hard heart will end its life badly.

<sup>7)</sup> Lukewarm souls always confess: murmurs, lies, impatience, in short, minor sins, but continue to sin and in that way, wallow once more in the abyss of sin, just as some animals that with so much pleasure wallow in the most disgusting and repulsive mud. And, do you know what is even worse? That the soul

accustomed to any vice commits almost always the same sin, even at the moment of death.

<sup>8)</sup> My beloved ones, I pour out Mercy in torrents, but up to a point. I do not punish; I deny the assistance of the special grace in the face of the ingratitude you show for the divine benefits and, in this way, man's heart is hardened. Know that I do not harden the heart of man by inspiring malice. But just as the sun hardens water and turns it into ice when, shadowed by the clouds, its rays do not fall upon earth, in the same manner, I deny the soul My Mercy and with that, the grace to convert.

<sup>9)</sup> No matter how small the sin, it hurts the soul. Let us see. If a person is assaulted by a wicked man, usually he is not rendered unable to defend himself at the first blow, but if afterwards he receives two or three wounds, he will lose strength and will finally die. It is the same for the soul. The first and second time, it still has the strength to resist, but if it continues to sin, the enemy attacks it and takes away all its strength to resist and a bad habit turns into a need to sin, because man becomes slave of that passion. That is to say, he makes a peace alliance with sin.

#### THOSE WHO SUFFER TODAY, JOIN MY PASSION

DH-65

5-Nov-96

The Lord

<sup>1)</sup> Love of My wounds, be calm; think of My suffering on the terrible night of Gethsemane. Then I was alone, apparently, nobody was there beside Me. But in a corner, you were hidden among the bushes, and now at night you accompany My Passion.

<sup>2)</sup> And you came a bit closer. Your eyes looked at Me with pain, with immense compassion, but also with sorrow, with repentance and deep love.

<sup>3)</sup> All My Catalinas were there that night... Do you know what Catalina means? It means "pure woman", pure of intention, pure of heart... Do you feel better?

<sup>4)</sup> *(I cry with immense gratitude and love. You are unique, Lord!)*

<sup>5)</sup> Well, you need a lot of peace to transmit it to My beloved daughter. Tell her that I love her very much, **that the humble souls were the ones who received My Tears in the most cruel Flagellation in human history. I cried over the lips of humble people. I bent My head over the chest of humility. How could I not if I had breast-fed from the humility of My Mother!**

<sup>6)</sup> **But, those who took My Cross, helping Me, those who kissed My shoulder and refreshed it - as a soft balsam - were the same people who today offer their sufferings, the terrible wounds of their**

**bodies, united to My Passion, for the conversion of men.** In fact, they have earned Heaven for themselves and for their people.

<sup>7)</sup> Go, Catalina, go and take care of your responsibilities...

### LEARN TO BLESS THOSE WHO MISTREAT YOU

DH-66

5-Nov-96

The Lord

<sup>1)</sup> My little nothing, I humiliated Myself so you could overcome your pride with My humility. Accept My Will and overcome your anger, your pride. You must learn to bear humiliations patiently and lovingly. Learn to bless those who mistreat you.

<sup>2)</sup> Always be thankful, recognize My incomparable Love for you and when you feel as if I am hiding My face, look for Me with your love; with your calls, because I like to know I am being looked for by you. Give to Me in the way I give to you, and give Me even more when you think you are alone, and I have abandoned you.

<sup>3)</sup> My beloved daughter, I do not hide because you have offended Me, you have offended Me many times and My Love subsists. I hide so you will surrender to man's humiliations, only for My Love; so you will overcome your pride with My humiliation. You cannot control the paths you want to. Remember you are only dust and if your soul is precious, it is because I have forgiven you through My Passion and My death...

<sup>4)</sup> Listen to Me, tell My son NN that he should not make a decision on the work he wants to do yet, that he must choose from the Messages, including many from the last months.

### COME CLOSE TO ME

DH-67

7-Nov-96

The Lord

<sup>1)</sup> Little Catalina, I want you to know that during this time of great tribulation, crime, war and fighting, I want My children to don My armor and the seal of the Cross. Therefore, place your hearts in the hands of My Father; beware of Satan who always wants to destroy all eternal joy and peace. You have free will, you must decide for yourselves because I will never force the freedom of each one of you.

<sup>2)</sup> My Father knows which is the path of happiness for each of you, trust in Him totally and use the gift of His Spirit. Be at peace and try not to despair, particularly in these times of struggle. I have been training you to be My soldiers, which is why you must pray. In many homes, people are not praying, as they should, since their families are tabernacles of

My Love, just as their bodies are the Temple of My Spirit...

<sup>3)</sup> Satan thinks that nobody wants to follow My path because man desires only the freedom of his mortal life, material pleasures. The universe is at war, you cannot see it, but you are subject to its effect, because the Evil One wants you as his victims.

<sup>4)</sup> In this horrible fight, My Mother prays for you and tries to teach you the true joy of life, through devotion, by living a simple, devout life committed to purity with God. But man refuses to take the spiritual path. Understand, My children, that if the spiritual image you carry in your hearts is of yourselves, it has no value... Come close to My Mother, pray with Her, follow the example of Her spiritual, silent life closely united with God...

### SPRINGS OF LIFE

DH-68

10-Nov-96

The Lord

<sup>1)</sup> My daughter, every Message, every word, every phrase is designed with great love, with the sole aim of helping you on your way... Many of My children do not believe in anything. They turn a deaf ear to the knowledge I wish to impart; they place restrictions on the revelations, prophesies, visions of My chosen ones and, thus, they do not notice My prophets, saints, visionaries and martyrs of today in their lives.

<sup>2)</sup> They do not understand that I am a God who teaches, that I do not change, that I continually bring them springs of life... All I want is to cleanse them of their tendencies to try to control My Mercy, My Love...

<sup>3)</sup> My Children, I want to present My Cross to you and I ask you to embrace yours. The key to entering the Kingdom of Heaven is a cross. Without a cross there is no crown. Do not reject them in the name of the pleasures of this fragile, corrupt world.

<sup>4)</sup> When a soul is baptized, it is born into the light of truth and purity. Then man in the hands of the devil gives rise to sin and the soul carries a victim, producing despair and shame through humiliation. The soul then exposed without compassion or love, tries to avoid self-accusation; it seeks other souls that are more guilty to start criticizing and to silence their wound and thus the created love is buried deeply; it lies and it hurts... Then, self-pity leads to other dependencies, lack of acceptance, shame and finally despair... everything except the cross and they do not know that the cross is the ticket to tomorrow.

<sup>5)</sup> I come to call men, to invite them to restore the components of love, of mercy, of compassion, of respect, of dignity of the human soul. This can only

be achieved in the school of My Love. But if men reject this invitation, there is nothing else I can do to save them from themselves in this terrible hour.

### YOU ARE MY FRIENDS

DH-69

19-Nov-96

The Lord

<sup>1)</sup> Dear Missionary, here I am holding your hand once more... Do you love Me?...

<sup>2)</sup> (*I adore You, Lord!*)

<sup>3)</sup> I am so glad that you confessed your guilt and that you are now at peace. Forgive Me, but I had to test you like this to show you that I do not like disobedience and even less that you come to receive Me with even a small misdeed in your heart. Your soul belongs to Me, how can I not want it to achieve even greater perfection?

<sup>4)</sup> Now that your heart is clean and they need a lot of strength to defend the event that is about to be lost, I want to leave you these irrefutable demonstrations of My satisfaction with your cause.

<sup>5)</sup> Now, take photographs in your bedroom, in our oratory, of the images in the corridor. I beg you to do so with both cameras... Then take up your notebook again when you come back from the Rosary. Make copies of this Message only, owing to the importance of the moment.

#### Later on:

<sup>6)</sup> Daughter, let us do some work, enough work to discuss a very pleasant topic in the growth of My creature.

<sup>7)</sup> During My life on earth, the gentiles thought it was impossible for man to be God's friend, since friendship makes the friends equal. I told them that they were My friends if they did what I said.

<sup>8)</sup> Now I ask you: Is not man foolish to want to live far from God when he can enjoy His friendship? I love all creation and the only thing that I abhor is the sin that contradicts My Will and opposes it. If the sinner were punished with a corporal punishment and also five years in prison for each sin committed, he would think twice about sinning. But he is so foolish that he does not believe in the fire in Hell, the place where he will go to burn for all eternity.

<sup>9)</sup> Being a man or a woman denotes a rational being that acts according to reason, not the appetite of his senses. And whosoever does not believe in Hell, tell them to read Deuteronomy 32,29 and to envisage the future with that rational mind. And that is the state of My Church today. Do you know who are the true wise men? Those who live for Me, to fulfill My Will, those who seek My Glory.

<sup>10)</sup> So many priests and bishops who thought they were wiser are now in Hell! How low there arrogance has brought them! Poor children who do not know the importance of an act of reparation and adoration of My Divine Body and Blood!... **Nihil video, nisi putredinem, ossa et vermes.**

<sup>11)</sup> Pray, My child. Make amends for the offenses, the insults I receive from many of My consecrated ones...

### WHAT I HAVE FOR YOU IS HOLY

DH-70

24-Nov-96

The Lord

<sup>1)</sup> My little nothing, My great Missionary of love, happy birthday, I give you My blessing.

<sup>2)</sup> I have not been far from you, little one, I have already told you that the less you feel Me, the closer I am to you... Everything is all right; do you not want to offer your sufferings to Me? Do it again; you comfort Me so much!... I have prepared something Holy for you, so accept and eagerly seek My Sanctity.

<sup>3)</sup> Accept everything patiently and, thus, allow My Love to guide you. Only My Love can lead you towards perfection... First of all, look for your God and if anything distracts you from prayer, just do not do it. Nothing is more important than your moments of prayer. Appreciate everything that I offer you since you cannot be holy through your own efforts.

<sup>4)</sup> We have walked so much over these months and the last three years; what moments of intimacy we have shared!

<sup>5)</sup> Man must know that he who comes towards Me with an open heart will be enfolded in My Merciful Love. You have already experienced this. If when a soul comes to Me, without thinking of his problems, by paying close attention he can hear what I whisper to him and he wants to abandon himself to Me. That love so strong, he will join together with Me strengthening himself, without freedom, since I demand all his love. On the other hand, the effect of this love is eternal freedom of mind, soul and body; thus, the grace of this sentiment turns into the essence of purity.

<sup>6)</sup> My Catalina, My Love and its action has no limits for freeing your soul and filling all voids... It is My Love that sustains you.

<sup>7)</sup> Today I want to ask you once more to follow Love with the freedom and grace of a child. You have proved that if you follow Me, there is nothing to fear. This sentiment will burn in you and will deny you nothing because your heart will always be My treasure.

## SILENCE AND CONTEMPLATION

DH-71

24-Nov-96

The Lord

<sup>8)</sup> Continue to empty yourself so that you can receive love. Empty out your feelings, wishes, anything that is not Me. Focus your attention on what is happening at that moment, not on what has already happened or what is to come. In this way, My Will can act in you.

<sup>9)</sup> I live in everybody, but I respect man's freedom. Whoever devotes himself to Me will be granted virtues and I will guide him through trials and tribulations; I defend and protect him at the appropriate hour. My Love is filled with delight; all guilt dissipates in My Love. It lifts punishments and bears fruit.

<sup>10)</sup> Daughter, take your time to make progress through prayer. If you give your soul up to Me, you need not fear envy nor justify your words or actions. You must understand that to receive My Graces, you must devote yourself to Me even more and devoting yourself means knowing with confidence that I act through you for the good of the souls that I have entrusted to you, many of whom you have not yet met.

<sup>12)</sup> Trust Me, do not try to please everybody because that is impossible. Try to please Me, your Jesus. Let My Graces replace in your life everything that you still depend on.

<sup>13)</sup> Give My Spirit the freedom to act in you. Believe that everything that happens is for the souls' good... Do not try to understand; you will not be able to comprehend how My Spirit works in you and why, until the moment comes when you have reached the highest level of devotion to God.

<sup>14)</sup> Do not expect everyone to understand you regarding your decisions. If you had obeyed Me when I told you to get away for a while, people's attitude would have improved...

<sup>15)</sup> Focus on your own course with Me, I want My chosen ones to be at rest even in the midst of the troubles others are giving them. I need you to get ready, to watch your diet and to pray in order to send you out into the world at once.

<sup>16)</sup> At this moment it is true Wisdom to be in silence and solitude rather than talking to those who do not want to listen. There is something that I want you to understand: envy is a capital sin and very common in women; you are going to meet that type of person very often, and you should escape from them. What should you do instead? Work to be calm and make sure that you focus on My Love. Because if the words of others affect you so much, it is because you still belong to this world and are not totally devoted to Me.

<sup>1)</sup> Now we are going to talk about contemplation, because you must make sure that your heart is cleansed through silence. At the same time, silence increases knowledge and reaches the virtue of contemplation in which the spirit permanently ascends. I solemnly tell you that silence is a whisper and a grace, through which I instigate the truth in your heart.

<sup>2)</sup> So many people would be better off in silence and solitude, rather than looking at themselves through their own eyes of wisdom, not letting others guide them.

<sup>3)</sup> Only silence lets the soul be regulated by God and to flourish in the gifts of divine humility and chastity. And I am going to enlighten you even more: Contemplation is the measure of humility. Whoever chooses silence through prayer and discipline will be blessed with true wisdom and no vanity. The soul improves with and feeds from intimacy.

<sup>4)</sup> If in the midst of this contemplation you feel that the light is going out, be certain that this darkness is so blessed that it will light up your soul, since humility can only be sown in contemplation.

<sup>5)</sup> Please understand that I shape My chosen ones, living proof of My Love. Then you should not care who is being awkward with you, using harsh words, criticisms, ordering you in a selfish and authoritarian manner; you can keep peace and harmony within you if you pray silently and earnestly without straying from your objective. Do not let people influence you, but be yourself following only Me... Open the door!

## I AM NOT A PLAYING CARD

DH-72

25-Nov-96

The Lord

<sup>1)</sup> *(After evening prayers, praying for some intentions that were commended to me from the interior of the country.)*

<sup>2)</sup> Little one, here I am next to you. I am not an oracle or a pack of playing cards for men to guess their future through My chosen people. In this they will recognize My chosen ones. If I need to send a Message to a certain person, I am the one who will make that decision; I do it when I think the time is right. The other is fraud, guessing. I want you to escape, to flee from this because it is just as bad as spiritualism, horoscopes and I do not want you mixed up in that.

<sup>3)</sup> Give this message in general, to that group, since I can say whatever I want and not because you have asked Me to. Doing My Will is not to ask Me through

three or four different people what is going to happen to this or to that, but to be docile to My inspirations, to trust in Me, to know Me and to think: "What would Jesus say or do if He were here next to me, according to the way in which I know him." (Underline the word "know" because only those who study My Words can know Me.)

<sup>4)</sup> It always takes the soul time, its time, to get to know Me, to meet Me and to do My Divine Will. But at least believe; trust.

<sup>5)</sup> I do not deprive anybody of his or her identity; instead I reinforce each person's identity. I am God who offers and gives Love. I give, and only take in order to give you more, abundantly. Why are you so worried? If you really had faith, you would find Me inside yourselves because I live there and I am Peace. The existence of external peace is inspired by inner peace. Peace can live externally once it exists internally; in the meantime, you cannot speak even of conversion, and even less of growth because I am the inner part.

<sup>6)</sup> What do I mean? Man's every act that implies peace, comes from Me and is approved by Me. On the contrary, it will be hard for any tiresome, anxious, expensive, immodest enterprise to receive My approval because I am humility, modesty, poverty, virtue.

<sup>7)</sup> I am sorry to tell you that you do not love yourselves internally; you do not want to recognize that your inner self is a precious temple of the Holy Spirit. If your heart would listen, you would not be trapped in an enclosed world.

<sup>8)</sup> You speak of praise and your lives do not praise Me because you live without confidence, full of worries and fears. You speak of love and act selfishly, without doing anything to overcome divisions. You speak of My Glory and only care about your earthly lives. You speak of hours of prayer and do not know how to forgive.

<sup>9)</sup> Little ones, you cannot love your fellow men when you do not love yourselves. The few who do love themselves and go to others with love, find injustices, ingratitude and airs of superiority that offend Me since all My children are equal before My eyes; only I can say who has more merit in My eye.

<sup>10)</sup> You limit the number of graces you receive through your own actions. You set limits and restrictions on yourselves... You will soon realize that your current anxieties, worries and tensions are irrelevant and trivial compared to what is to come and has been created by man's own hands.

<sup>11)</sup> I ask for **love, mercy, respect, dignity, compassion, honesty, purity of intention, poorness**

**of spirit, charity and, above all, humility (highlight this).**

<sup>12)</sup> I want to remind you tonight of My Love, I invite you to accept this Love once more, totally in your hearts. The Love with which I love you is unselfish, a Love that sacrifices itself...

<sup>13)</sup> It will not be easy for you to have hope and to love, unless you yourselves accept My Love and My hope as your own...

<sup>14)</sup> I invite each of My children to be My apostles now. I send you out to evangelize with your own lives. I need you to touch your world, to speak of My Love, My Peace, My forgiveness.

<sup>15)</sup> I bless you, My children, start living in faith, feed from My Word, fill yourselves with My Messages that are for you, for the today's men... for the true children of My Most Blessed Heart ...

## PRAYER

DH-73

25-Nov-96

The Lord

<sup>1)</sup> Beloved one, how could I miss this appointment when it is your Anniversary? Let us talk a bit about prayer. I want you to write down for all men what I am going to say to you about this topic, though you must put these Messages away until I authorize you to use them. They need to receive the running, limpid water to care for the garden in which their God lives permanently.

<sup>2)</sup> I want you to always see Me as your help and source of life. This means that you must put your temptations of falseness, lies, the sweet attractions of the world to one side and to come and delight in My Love. If you are at peace let My Love be the catalyst for your enthusiasm, of your drive... Love Me with all your heart and let Me be your Teacher. Read John 16.

<sup>3)</sup> I love you so much that, however many sinners deserve to go to Hell; I do not want any of them to be lost. I want to save My creature because the moment of opening the Door to Heaven to them has been fraught with too much pain. I want all of you to recover your grace and obtain eternal salvation through confession. Without prayer, the punishment cannot be suspended because, how can you ask for it?

<sup>4)</sup> I say to you in Jeremiah 23,3 so that you may ask Me. In John 15,7 I invite you to ask Me.

<sup>5)</sup> You, men, when you receive a request from someone who has offended you, normally reproach him for his fault. I reproach you for the offenses that you have committed against My sanctity, but at the moment when I see your faithfulness, I hear your entreaties and I forgive you. I listen to your requests,

as long as they do not oppose your sanctification or the salvation of your soul.

<sup>6)</sup> Why do you complain about Me? Complain about yourselves, as you do not receive graces since you do not know how to ask for them. Sometimes through a lack of faith and others, because when you know you lack merits, you do not ask My Father in My Name or by My merits.

<sup>7)</sup> Those who govern the world grant a limited number of people an audience and not many times a year. But I grant audiences always and to whoever requests one. I listen to all My children.

<sup>8)</sup> Beloved one, tell man not to let the glory of the world attract him in such a way that he draws away from Me. And you, pray for wisdom so that other people's errors and falsities might not upset you and be a disadvantage... Let Me prevent any mistake that might affect your progress. Beware of those sweet deceptions. Pray and be strong through perseverance. May your spirit not be broken with invalid arguments.

<sup>9)</sup> I am embracing you, now, I am teaching you - through My Spirit - to love Me unconditionally and to give Me your whole being so that you can reap the rewards and be with Me forever in My infinite Love.

<sup>10)</sup> Prayer is necessary to achieve eternal life. Teach everyone about the value of prayer, since I, Myself, became their debtor with My promises. In John 16,24, in Matthew 26,41 and Luke 18,1 I give them My seal. In Ecclesiasticus (Sirach) 2,10 a Prophet tells them that there has not been, nor will there be, anybody who asks and God does not listen. Did any of My Prophets ever lie?

<sup>11)</sup> I promised you that I would protect whoever placed their hope in Me... I invite you to do it; how can I deceive you?

<sup>12)</sup> We will continue with this topic tomorrow. Now, go to bed, My sweet child, and lie down on this ardent heart, letting its flames consume you in the Love that I sowed just over 53 years ago in your mother's womb...

### MEN OF LITTLE FAITH

DH-74

26-Nov-96

The Lord

<sup>1)</sup> Beloved one, sweetness of your God, I am here. Let us begin with a reflection: Do not be impatient, but go at My pace a minute at a time. Do not think about tomorrow or yesterday, or of things that are going or not going to happen. Do not waste your energy on analyzing or trying to seek direction in your lives. Trust in Me and I will take care of you.

<sup>2)</sup> You say: I trust, but the Lord helps those who help themselves. Today I tell you to surrender and to

trust in Me. You are afraid to let Me care for you because the way in which I want to take care of you does not agree with the way in which you want Me to. Men of little faith! If you surrendered to Me and directed your lives towards My loving Peace, you would never need to discern or choose a certain course of action to help yourselves, since I will concern Myself with ensuring your safety and peace. But fear the changes that I will place before you.

<sup>3)</sup> If you would place, like the poor widow in the Gospel, all your safety, possessions and your fortune at My service, you would never want for anything. But no, you spend your lives bargaining for your alms; calculating what will give you more profit, and where mathematical calculations and financial interests exist, I am not your God; your God is money, your God is comfort, your God is calculation, your God is the master of the world...

### Later on, at dawn on the 27<sup>th</sup>:

<sup>4)</sup> Let us go back to the topic of prayer. Do you know the story of Joroboan? He was an impious man who cursed a brave Prophet who had told him of his wickedness. He wanted to strike the Prophet and his hand shriveled up. Then he begged the King to ask God to give him back the use of his shriveled hand. Many Christians are like that, they beg to be freed from problems, sickness, tribulations, but they do not beg to receive the grace of not sinning and of being converted... Sin is an instrument of debt that you sign against yourselves!

<sup>5)</sup> What should I do? Heed the entreaties of those who beg to be released from sorrow, but not forgiven their sins? How can We care about your prayers, fasts, alms if you do not want to change your lives? Read 2 Maccabees 9,13.

<sup>6)</sup> When the enemy is inside the walls, the city runs the risk of falling into his power. First cast out from your souls the enemy that torments you. Then, beg for My Mercy to free you from sin. And I want to make it clear that, in the supposed growth of some of you, sin can be all those "little things" that make you uncomfortable. Sin might be something that you consider a "skill" or a charm... Remember that you can deceive each other, but not Me...

### YOU DO NOT KNOW ME

DH-75

28-Nov-96

The Lord

<sup>1)</sup> My children, I want to help you, but I also want you to cooperate in your healing.

<sup>2)</sup> If someone is drowning in a lake, the first thing they will do is to wave their hands around and try to grasp onto something safe. Thus, those who want

help should begin by helping themselves. They cannot expect Me to do everything without their cooperation.

<sup>3)</sup> Those who ask for something with the firm intention of mending their ways will receive My Mercy.

<sup>4)</sup> You do not know Me and this is why you live full of fear for human life. I want to give you a prayer for a saint of Mine. He would pray like this: Lord Jesus, I worship You. I hope in You, I trust in You, I place my faith in You because it is through You that everything is possible and You are our living God.

<sup>5)</sup> I am the Good Shepherd, I know how many sheep I have and I will find them all. I have chosen My sheep, they have not chosen Me.

### NOBODY IS SUPERIOR TO ANYONE ELSE

DH-76

28-Nov-96

The Lord

<sup>1)</sup> There now, calm down, My little cucarachita [*a familiar, affectionate term in Spanish*]. You are the only one to blame for accepting situations or people that upset you. Now, get away, you have a week to escape everything, to think more calmly and analyze things more clearly. Above all, be at peace.

<sup>2)</sup> With regard to that little thorn inside you, remove it, speak to that person, do not commit the sin of complicity and even less of omission. Let us work now.

<sup>3)</sup> Beloved children, nobody is superior to anyone else. All My children were made with the same Love, created and saved with My Life. However, I give some of My children, owing to the nature of the responsibility that I give them, another type of life. I want to talk to you about this. My Love has let you meet Nancy Fowler, Fr. Stefano Gobbi, and allowed you to receive many videos and books from other people who were chosen in this era of the salvation of a planet that is sinking into the abyss of sin, of the rejection of God.

<sup>4)</sup> (*The Lord allows me to explain that I am writing this under strict obedience to His instructions to do so.*)

<sup>5)</sup> The responsibility that I place in the hands of My chosen ones implies an enormous quota of persecutions, suffering and bitterness. This is why I am forming, building a group of people, no less important, who will help, protect and aid My son or daughter, the prophet who will take My Words to the world.

<sup>6)</sup> In the majority of cases, I and My Word have been the nucleus. The voice has been such and such a person, and the hands, strength, support have been those who surround that person. In some cases the group has grown and therefore, strengthened its work, widened its radius of action. They have won

over more and more souls for Me until they have joined together with another group of chosen ones and thus created a great front of love and solidarity...

<sup>7)</sup> Sometimes two or three people have given their support and, with My Grace, many works have been completed. There has also been more than one group that has not wanted to commit itself and My chosen ones have had to struggle with just My help to deliver My Messages and, since it was My help they received, the action was strong.

<sup>8)</sup> This group, whom My Mother has been choosing, maintaining, warning, alerting against the attacks by the despicable one, has not known how to respond. I am not going to say in what way or to whom. Each of you knows what you are like and I am first and foremost Love. But I am not going to stop communicating with you through My daughter without first telling you that this is the first time that the person that I choose to direct the spiritual life of a group through My Messages has been reviled, ridiculed and left to her own devices by those who received so much through her.

<sup>9)</sup> In this case, it is the one person who fights, not against outsiders, but against her brothers and sisters, classmates (underline that) because I wanted to provide you with a school of love, of growth in faith, of evangelization, of unity. It is a single person who fights against your slovenliness, selfishness, comforts, laziness, greed, ambitions, irresponsibility, arrogance... And that one person, for having endeavored to be faithful to My commands, just like Me, today defends with all her might that which is sacred for her Lord, even though tomorrow they might take her to Praetorian and then to the Cross.

<sup>10)</sup> Do you realize, My children, what you have done? You are so hard of heart and mind that even by bringing before your eyes the life of other seers so that you can observe how you should help each other... how you should help My daughter, but always around My person, around the entreaties and exhortations of My Mother. Not around yourselves; none of you is worthy of a single line of My Messages, even though man is My perfect creation and therefore the object of My greatest Love... You still have one more chance to recover My trust, but comfort instead of being comforted, do not try to hear words that please yourselves, and try to be at the service of others.

<sup>11)</sup> I want you to forget yourselves and to look towards Me. Silence your minds and understand how unproductive it is to seek comfort from somebody else.

<sup>12)</sup> When you want another man to assess your spiritual performance, you are just delaying your

growth, because only I can see inside you. Then, why do you need to hear words of praise to fill a momentary pleasure? That is selfishness and should be avoided, as it is harmful to your growth.

<sup>13)</sup> Serve others, listen, pray and try to serve others, as that is the only way to give pleasure to your soul.

<sup>14)</sup> When I ask you to forget yourselves, I mean love Me by denying your humanity so that I can live together with your good will.

<sup>15)</sup> Accept praise from others, gracefully, when appropriate, but do not look for praise. It is not as important to be understood as it is to understand, that is why St. Francis of Assisi asked for this, since if you live in Me and I in you, you are understood by the Trinity. Do you understand the magnitude of what I am saying?

<sup>16)</sup> Do not turn a deaf ear to what I have been saying. Truthfully I tell you that if you had followed My words with the same solicitude as other groups, your families would already have been converted and preaching My Messages.

<sup>17)</sup> Do not cry over spilt milk, but learn something from this failure and set out on the road again, along the paths that you indicated yourselves.

#### LISTEN TO THE WHISPER OF MY SPIRIT

DH-77

28-Nov-96

The Lord

<sup>1)</sup> Beloved one, I have been watching over your sleep and I am always at your side, even when you become impatient. Here I am, watching over you. Let us see, lean on My shoulder; speak to Me or be quiet, without any thoughts at all, with total emptiness. You see? That is how you can grow in humility. You do not know this, but I will tell you. It is better to understand poorly than to be anxious about what you know and wallow in vanity.

<sup>2)</sup> I am the One who gives light and can take it away. If I take it away, you regress... That is to say that light is beautiful, but darkness makes growth in humility, in your confidence in Me; darkness closes the door on your own vanity. It is paying attention to the whisper of My Spirit that speaks of its personal desires, very quietly to sharpen your hearing... I force My way through for anyone's love, so that person might come to Me with sincerity.

<sup>3)</sup> I ask My children to remain constantly in My presence even when they are performing their daily tasks and responsibilities. They should not wait until they are in the midst of confusion and turbulence, in need of help to come to Me...

<sup>4)</sup> My children, come to Me now, because it will be more difficult later, when envy and the lack of humility invades you.

<sup>5)</sup> Nobody is worthy of My Love, not a single man; but for this same Love, which is sublime and eternal, I make you just in Me before the Father.

<sup>6)</sup> Remember that a heart is humble when it does not allow the conscience to bear witness to its innocence since it trust Me more than itself...

#### ADOPT HABITS THAT KEEP YOU FAITHFUL TO MY WORDS

DH-78

29-Nov-96

The Lord

<sup>1)</sup> Beloved one, why did this happen? I did not like the answer you gave your Mother at all. Call her and say you are sorry. That is not what I want in you. What is the matter with you today? You are very irritable. Come, take up your Rosary and meditate on the Joyful Mysteries. I know is not the day for the joyful ones, but they will help you to contemplate My Mother's peace.

<sup>2)</sup> Two days ago I told you not to let them influence you in your decisions. Do you not know that when I live next to you, in you, I am the One who makes the decisions?

<sup>3)</sup> They want to see you? You set the conditions, whoever want to visit you must adapt to your schedule. They do not like it? What a shame, but you are carrying out your work with Me and we are interrupted too often.

<sup>4)</sup> I want you to understand this: In a life of dedication, an engineer begins by working out in the field, in the hot sun like the workers. But time goes by and he gets a job in an office and out in the field. Later he becomes a manager, and finally he is given a very special position... If it is a housewife, she will begin by burning the food and end up preparing delicious, complicated dishes for her family.

#### DH-78.1 Responsibility in Your Country

<sup>1)</sup> Now, let us apply this to real life. You must start to change; because that is part of the price you will pay for the graces that I pour on you and, through you on this country. Nobody else in this country has this responsibility that you have. So, you need a lot of hours for working with Me, hours to guide you to Me and hours to organize My interests like a good Secretary. Only an organized Secretary can keep her boss' things in order....

#### DH-78.2 False Humility

<sup>1)</sup> This might seem contradictory to you: on the one hand I ask you for humility and meekness, and on the other I solemnly tell you that you are not the one who has to check on the group or people and their activities, but quite the opposite. Everything has a

place and each one of you should be in your place. Everything else is false humility, and you know that I cannot tolerate that.

<sup>2)</sup> You must experience the shelter of My Love so that the creation around you can be enlarged in My goodness, with your emotional state.

<sup>3)</sup> Work to keep your equanimity. Change your habits and adopt true habits that will keep you faithful to My Words...

### HOLD RETREATS AND DO EXERCISES THAT BRING YOU CLOSER TO ME

DH-79

1-Dec-96

The Lord

<sup>1)</sup> Let us work, little one, for the world is hungry; let us prepare the food they need.

<sup>2)</sup> Just as the sun cannot be seen except with its own light, so man cannot see My light without the help of My own light. This light can be reached in retreats, in exercises that bring you closer to Me, and there I enlighten you with My light, since the objective is to cut yourselves off for a while from the worries and hubbub of the world to speak to Me alone. There I speak to you through inspirations and those who surrender to the meditation, to the Divine Love, aching, correspond to My Words, making amends for their faults that have upset Me and offering themselves to My service with the full intensity of their love, asking Me to show them My Will and to give them the strength to fulfill it.

<sup>3)</sup> The Kings who escape to retreats are the people who despise the world to make themselves worthy of talking to Me. I told a saint: flee the world, close your lips, cease conversing with men; just talk to Me and you will rest calmly in the retreat. Go and rest in your God! That was the first experience that led him towards sanctity.

<sup>4)</sup> Before peace can spread to others, it should first embrace your whole being. This is the freedom I gave you through the creation of humanity. Each of My children should have the faith of a mustard seed so that I can consume it in My Love.

<sup>5)</sup> You need retreats, certainly, but you also need to look for Me in inner contemplation, in a world that actively lives. If I call you to live in a hermitage, it is a grace for the ones I choose. The fact that I am now calling you to hold this type of temporary retreats is also a very important grace. Let us study the two types of meetings.

<sup>6)</sup> When I call you to solitude far from the chaos of the world, My call is like a soft whistle that can barely be heard. It is not for your bodily but your spiritual ears and it blows without noise, with gentle quietude. When I want to attract a soul, I normally

take that person to a solitary place and I speak to him there with words of fire that melt his soul, preparing that soul to bend before My orders and to receive the form of life that I want for each of you. Words of action that are so effective that, as they are received in the soul, they achieve what I demand of that soul.

<sup>7)</sup> When you read the life of Teresa you will see something that I said to her one day about the desires I have to talk to certain souls, however, I do not do so because the chaos of the world in their hearts silences My voice.

<sup>8)</sup> I want to talk to you alone and in a retreat, not at home, where relatives, friends, domestic tasks, stirs the noise in your hearts or prevents the echo of My divine voice from reaching you.

<sup>9)</sup> Why do you think that many saints left everything to seek Me in pursuit of My Words? People of the world enjoy conversations with friends, jokes and fun. But saints want to withdraw into solitude to talk to Me in the familiarity of two friends. The husband in Song of Songs emphasizes the beauty of a solitary soul and compares it to the beauty of the turtledove, because the turtledove avoids the company of other birds and always lives in solitary places.

<sup>10)</sup> You do not know this, but the angels are filled with admiration and jubilation when they contemplate the beauty, the radiance of a soul that lived a withdrawn and solitary life on earth, such as in a desert. The angel choir sings when that soul reaches Paradise.

<sup>11)</sup> **My children, hold this type of retreats at least three or four times a year because they help the soul immensely whatever your position in life.**

<sup>12)</sup> Why do I say that these retreats are a grace? Because the mundane sinner, who is interested in the world and not his soul, bears the burden of his remorse and instead of finding peace and calm in the solitude of the retreat, he finds tedium, boredom, uneasiness. But the soul that seeks God finds satisfaction, peace, happiness, strength. He renews his spirit. I know well how to comfort the soul that has removed itself from the world, compensating the pleasures and comforts left behind with the gift of a beautiful garden where the peace that satiates his desires can be found. That soul will always praise Me because I treat it so affectionately.

<sup>13)</sup> Even though this solitude may not provide another pleasure other than showing you the eternal truths, this moment is enough in itself to make it pleasant for you. Divine truths have always satiated a soul as soon as they are known. The opposite happens with the vanities of the world, which are just insanity and corruption.

<sup>14</sup>) Every man who leaves a retreat is different from the one who entered. I assure you that they are blissful, detached from the mundane crowd, conscious of being taken by My hand to an exercise such as this one in which they take part in the celestial delights.

<sup>15</sup>) But concentrate fully to meditate on everything you hear, to derive benefit from it, because saintly resolutions arise from reflection, and for this, withdrawal is necessary. Observe how the shell that receives the dew from Heaven closes its valves and goes down to the bottom of the sea to form a pearl... This is what you have to do in this meeting.

<sup>16</sup>) **Begin this retreat with the Holy Rosary, reciting calmly, meditating on its Mysteries.**

### PEACE, SOLITUDE, CONTEMPLATION

DH-80

1-Dec-96

The Lord

<sup>1</sup>) Now let us move on to the second part.

<sup>2</sup>) Most of My children are subject to living in an active world. So did I, though not in this time of madness. You must learn how to escape inside yourselves to find solitude in Me. It does not matter where you are. Peace, solitude, the love of contemplation will become the cornerstone of your life, of your soul, since I am the cornerstone of your soul.

<sup>3</sup>) Understand, My little ones, I immersed Myself inside My Heart to find the peace of My Father and to rest in solitude. To find loving care, I rested My head on My Holy Mother's lap. You also need to seek love and to worry about each other.

<sup>4</sup>) Man needs the love of the community and the affection of each of its members. I want you to understand that man was created to give glory to God for His honor, and therefore to praise the Creator for His blessings, which will always be essential for the freedom of the soul.

<sup>5</sup>) Do not seek rest and peace in inner sources. Immerse yourselves within My Sacred Heart when you want to rejuvenate your souls. Those who truly want to find love and peace will find Me. Protection and intimacy with Me can only be found here, as well as absolute knowledge, which I grant you through the heart because, even though you have knowledge through intelligence, you do not have knowledge unless it is processed and absorbed in profound love, through the heart.

<sup>6</sup>) Beloved ones, think of My earthly life. I worked hard, I passed through rough land and grew tired, but I never stopped teaching My Father's Word and being Merciful to those who were in need. I was crucified and humiliated in the middle of a market of

thieves and savage people, nobody wanted to hear about God's Mercy. It was a place where nobody paid attention to the living Son of God.

<sup>7</sup>) I could not find peace on the outside, because there was no external peace in the world. I came to save the world so that all might have life and peace, but I immersed Myself within My Father's Heart in the solitude, contemplation and peace of His Love... Today I call you to this same magnetic quietness of solitude that exists within you, internally, not externally and with less shouting and noise, with less words lacking in harmony. I live in the inside; that is where you will find rest in your active world and guidance for My teachings of the eternal truths. Only then will you be able to see Me living externally among you all, but not before you have seen Me internally, because that is where you will first see yourselves and there, within you, Me.

### LOOK AFTER THE DOOR TO HEAVEN

DH-81

1-Dec-96

The Lord

<sup>1</sup>) Know that the Son of man will soon come to verify past truths and to gather together His chosen ones because the time will come when everyone will experience the state of his soul... Everyone will have to look inside himself; it cannot be avoided. There, where the peace of salvation exists, free will and protection reside.

<sup>2</sup>) When I ask you to get ready to live this Christmas differently, to begin this time of Advent, in which I cry and bleed in profound withdrawal because of man's rejection. I place the angels of protection around you. *Look after the Door to Heaven.*

### THE GIFT OF PRAYER

DH-82

2-Dec-96

The Lord

<sup>1</sup>) Let us go back to the topic of prayer. I, the cornerstone of your soul, make the graces of your prayer advance when it is silent and profound, and one day you will notice that you have progressed in this immense grace of wisdom when loving.

<sup>2</sup>) The prayer of My Love moves from the mind to the heart. Your imagination will be reduced until there are just sparks left to remember. At that moment, abandon yourselves to Me, praise the Father and recognize that you have been blessed with progress on your path through commitment and devotion when contemplating Me.

<sup>3</sup>) I know that it is a challenge to give up your control to Me but it is not a loss for you since you will not be deceived by My Love and, on the contrary, your abandonment will be rewarded. The

fervor of My Love will inspire you to give Me everything else, until there is nothing left to give and even then I will extract more from you.

<sup>4)</sup> In this gift of prayer you will discover what really nourishes your souls. The search becomes the goal and the desire for My Love is enough in itself to sustain you. The fruits will be self-evident. The desert flowers will flourish when you no longer waste energy on controlling or becoming distracted from My Will.

<sup>5)</sup> The battle of the mind is no longer of interest to you, thus, the desert flourishes because the source of nutrition comes from Heaven, covering and enriching the earth to produce a fertile season and this better performance will be sown with love.

<sup>6)</sup> The struggle for success will no longer worry you because you will be ready to open up like a flower to receive My Merciful Love, the marvelous compassion of the graces of healing. The commitment of your heart in prayer to Me will gather strength and any disappointments hiding there will come out.

<sup>7)</sup> Once you have found Me every day in the small retreat of your hearts, you must endeavor always to find humility. You should be transformed into a new person; you need to be shaped, formed, consumed, melted, tested and treated many times, so that you will take your time because time will be My time.

<sup>8)</sup> You do not understand, you do not know how wise it is to go against your selfish wishes. If you truly walked on the path of freedom to be gloriously crowned, you would prefer the things that follow My ways and desires, not yours... At times it is necessary to obey others, following and helping in things that are irksome for you. Remember that I am in everything; I work through each thing and each person. If your desires and thoughts are with My desires, then you must patiently and humbly bear the purification and reshaping of your spirit towards perfection and static union with Me.

<sup>9)</sup> When you reach the innumerable beautiful mountains and green forests along the way, do not go on ahead, but take care that your will becomes humble, offering it to Me since these ascents are previews of later tests. I am there, shaping, purifying until the creature reaches the highest level of profound prayer in perfect contemplation of the union with Me.

<sup>10)</sup> Many things happen that bother you when your attention strays far from Me, when you are intoxicated with material desires. Look at the Master and you will take one day at a time, one person at a time that you find and to whom you will show your love. Because if love cannot be shown or expressed through sincerity and simplicity, how can your love

illuminate many people at the same time? Start with yourselves. Make an effort to change your inner behavior and work constantly to be kind, open to every person and, thus, eventually, your charisma will reflect your true peace.

<sup>11)</sup> Try to spend some time alone to look for Me, reflect on a passage from the Gospel, on a phrase in a sentence, something that will ring in your heart all day long. A saint, Francis Xavier, abandoned the world because of the impression that the verse Matthew 16,26 made on him.

## LAY COMMUNITY

DH-83

3-Dec-96

The Lord

<sup>1)</sup> You talk a lot about the community and I would like to give you some guidelines on what I want so that a lay community can be, with their strength, the backbone of My Church. But I am only talking about those communities that are strong in their unity and communion of love with each other.

<sup>2)</sup> Many norms can be established and you are free to choose them, but the spirit of love, understanding and prayer are the props that will give the community strength. Forgiveness from the beginning and not having to beg forgiveness afterwards, living simple lives focused only on My goodness through praise, songs of peace, work and comradeship, living My Words so that others might return to Me, to live in harmony and love.

<sup>3)</sup> Understand children, many have not been called to receive My blessing of the priesthood, but just as St. Francis of Assisi lived the Word in constant poverty yet in richness of spirit, so I want lay communities sanctified by means of love and harmony, through forgiveness, prayer, reparation, mercy and love. Everyone can follow their rules and norms, but living freely in the growth of the spirit and not through a dictatorship, through love, observing chastity, poverty and obedience, just as My saints did.

<sup>4)</sup> People today do not want to follow My path, they have forgotten Me and only remember Me as a distant, intangible God that is not alive in their hearts. I want My children to come back to Me, but this will not be possible just through speeches. At present, words only mean something if they are accompanied by works or by the spirit of community life.

<sup>5)</sup> To start up a community, you must live it in the world, among men, speaking of My Love, of My Mercy, of My forgiveness. What do I mean by telling you to start living in a community now? To fight for Me with one spirit, without selfish deviations,

vanity, pride, selfishness, envy, meanness... I need My people to devote themselves entirely to Me in order to help them more. I need them to form a group that will evangelize throughout the world, that will seek and generate resources, plan My final battle, get My children back. May they see strength and unity between you. Be an example for other laymen, be one in My Love.

<sup>6)</sup> It is time for everyone to find out about the disastrous devastation that is about to eliminate humanity on earth. Many people love Me, but not many are willing to carry My Cross and help others in their needs, particularly those who are the poorest of the poor with regard to poverty of love and mercy. Please do not choose who you would prefer to love and help, but without prejudice, help and love everyone, since whether they are aware of My Love or not, I live amongst them. Only those who condemn My Love as they draw their last breath, condemn their own soul.

<sup>7)</sup> Thus, so that you can then live in a private community, you must first be free and grow in humility. Feel the joy of being in My Love; settle your inner state by praying for My Grace to guide your physical, spiritual and emotional needs. In order to live in a community you must prepare yourselves, and in truth I tell you, you are not even half way there yet.

<sup>8)</sup> In order to work for Me, you must abandon all egoism and seek that which will satisfy the Father's Will. In this way, you are witnesses of the fruits of the Spirit. I am happy when you in your simplicity share everything with Me, even your fear. Controlling your fear in My Love allows you to feel free since you will be in control of your useless fears.

<sup>9)</sup> Understand, My children, that My Love is lasting and saves even at the last breath. So, begin to love at home, in the group and it will be easier to love outsiders. The more you love those that you meet in your lives, the deeper your love will be. You cannot state that you love Me without first showing that same love to My people.

**WHEN THE GOSPEL REACHES  
ALL THE CORNERS OF THE WORLD,  
MY SECOND COMING WILL BE POSSIBLE**

DH-84                      3-Dec-96                      The Lord

<sup>1)</sup> My daughter, blessed by your God, we have been working all this time to prepare another book that will serve as spiritual nourishment in the terrible days to come. Just as with the previous book, you will make simple photocopies to hand out among the people who want to know Me; but the groups that

are on their way to living in a community will be taught the following.

<sup>2)</sup> You will keep a set of books that might be useful, since it is unlikely that you will have access to any other type of reading material or training. That is why I insisted incessantly that it was urgent for you to work on the books, since if you study them well; it is unlikely that you will forget My Word. However, those who have not yet read or assimilated anything, will have to keep them, protect them well, if necessary bury them in pre-established places, obviously next to a Bible, in order to recover them when the time comes. Terrible days await humanity, since the first thing to disappear will be the Holy Scriptures.

<sup>3)</sup> Now then, with all this that you have in your hands, hurry out to evangelize, do it now, because there is not much time left and only when the Gospel reaches all the corners of the world will My second coming be possible.

<sup>4)</sup> You do not know how much I love you, little one, I admire your docility, poverty of spirit and sacrifice, in these hours when the world is sinking into the pit of materiality. Do not worry about what happened today, I care for you so much and this angers the enemy who does not know how to harm you. You are not the one who loses out, I assure you. Now, go and rest, I am going to give you a few days of freedom, except for the moments when I will ask you to write something.

<sup>5)</sup> Prepare your worship of the Father, to share it with Me.

**SHARE THE BREAD**

DH-85                      4-Dec-96                      The Lord

<sup>1)</sup> *(The passage on the multiplication of fish and loaves of bread was read in the Holy Mass. The priest was explaining the Gospel when the Lord said to me:)*

<sup>2)</sup> This is what I want you to do, to share everything I have given you among the men who are hungry for the bread of My Kingdom, of My Word. Hurry with everything you have so that the world will not starve...

**I AM BRINGING MY PEOPLE TOGETHER**

DH-86                      6-Dec-96                      The Lord

<sup>1)</sup> My daughter, a priest from far away will arrive in a few days' time. Please give him a copy of the Evangelization, which must go to that country as well. I am bringing My people together, I need you to meet this son of Mine who will do much for the

humble, grateful heart. I grant so much more to that soul than what it asks for, trusting that since it is aware of and grateful for this totally unmerited love, it will know how to correspond with me more and more. Read Luke 7,47 and you will better understand what I am saying. This means that a person who considers that, after all, there is not much for Me to forgive, will certainly feel uncomfortable in the Kingdom of My redeemed Love.

<sup>5)</sup> A perfect soul will say: I am astonished and amazed because God loves me like this, me, a sinner, creating links of saving solidarity with all sinners. And if the Lord loves me like this, then I must be grateful because He loves us sinners in this way and He unites me to the choirs of praise of His Mercy.

### **DO NOT BE UNGRATEFUL BEFORE SO MUCH GRACE**

DH-90

14-Dec-96

The Lord

<sup>1)</sup> Beloved one, let us work a bit more on your preparation for Christmas Eve. Thank you for your weeping... Tears of compassion shed while contemplating My unutterable sufferings in the work of redemption, will dissolve your pride and cure you of your unfounded self-pity. It is that love grateful for My Passion and for the sufferings I bore for you, that becomes the capacity to share My Love and My pain for all men.

<sup>2)</sup> Thus, when a heart joins My Heart in the passages of My earthly life, it becomes My compassionate and active disciple from the depth of its soul. Remember that zeal for souls can only arise from amazement. Remember the passage in Matthew when he speaks of Levi, the publican: as soon as I invited him to follow Me, he prepared a great banquet full of sinners and publicans. Consider this, Levi did not think that he was better than the other sinners and since I invited him, I would surely not reject any of the others. He wanted the others to share the joy of knowing Me.

<sup>3)</sup> Now, meditate. My goodness made Me wait for you and save your life when you had fallen into misfortune; My compassion enlightened you and invited you to forgiveness; it gave you repentance, the desire to love Me and now you are in My Grace... Pray for wisdom and strength so as not to be ungrateful before so much Grace. Reflect deeply on My Love for you...

### **I DO NOT LEAVE YOU ALONE EVEN FOR A MOMENT**

DH-91

15-Dec-96

The Lord

<sup>1)</sup> Why are you so worried, My little one?

<sup>2)</sup> *(I tell Him that at last He has spoken to me again after a week's silence... I am so happy!)*

<sup>3)</sup> I have not left you alone even for a moment. You are too busy and I respect that. If you want to talk to Me, give yourself the time to do so, organize your tasks, your time. I am not reproaching anything, I know what you were doing, things that you had to do... Rest assured that even though I stop talking to you, I am still active in you. Words are not necessary to work as Teacher of My chosen souls. I want them to be beautiful and saintly.

<sup>4)</sup> I know how much you are suffering, you are thinking about too many things, are you not? Well, you are wrong, they are not too many things. Satan is furious and I simply let him try to steal that which is Mine, because I know he will not be able to take away something that I conceived with such love, with such pain.

<sup>5)</sup> Get ready, arrange things so that tomorrow, from 20:30 you can be with Me, alone, we will go back to our dialogues. You will be, as always, My Secretary and together we will leave teachings for our brothers, the men. Read John 10,11-16 and then we will carry on.

### **WORK ON MY BEHALF**

DH-92

16-Dec-96

The Lord

<sup>1)</sup> *(For someone who was waiting for a special Message from the Lord)*

<sup>2)</sup> Beloved son, I am very pleased with your apostolic work. How could I not be satisfied with the dedication and devotion with which you take Me to those who are most needy?

<sup>3)</sup> I want to ask you for some very special help. I want you to pray for something for which I also pray. Beg the Holy Father to stop all the wickedness of man very soon. Beloved son, pray fervently for the hearts of men to be filled with a saintly and celestial peace, the peace that I brought to earth, the peace that I wished to spread to all parts.

<sup>4)</sup> My prayer has reduced the time that suffering will last, but to shorten it even further it is necessary to pass some very difficult tests. However, the weight of these tests may be reduced through prayer and continuous improvement... That is why I am asking you to pray fervently and with great trust, so that the angels and the saints may also ask My Father

for Mercy, joining together with Me and My Immaculate Mother.

<sup>5)</sup> Offer your sufferings; only through improvement, fasting and sacrifice can the grace of the great miracle give you the promised peace. The effectiveness of your prayers depends on the strength of your belief...

<sup>6)</sup> I bless you, little child, and with you, I bless all of those whom you love. I want to spread many blessings on all of you through the intercession of My blessed and beautiful Mother. Work for My cause; fight, put all your efforts into the delicate mission that I have assigned to you in the Congress. You cannot imagine just how important this event is for the plans of Heaven. Many blessings for this Nation, for the whole Continent and for the entire world will depend on its success. Humanity should renew its fervor for My Communion. I need all those I have elected to work very hard.

<sup>7)</sup> My beloved son, feel Me close to your breast; the beating of your heart is mixed with the beating of Mine in the essence of shared love and generosity. How can I not appreciate you giving your time to help those who are hungry for celestial bread?

<sup>8)</sup> I am not sending you this Message because My daughter has asked Me to; I am sending it to you because I want to, because it is My Will to reach you today.

<sup>9)</sup> *(When I read him the Message, he told me that that morning his mother had been operated on. He said that he was very worried but had placed his trust in the Lord.)*

## CHARITY

DH-93

18-Dec-96

The Lord

<sup>1)</sup> My child, I want to talk to you now about charity. Whoever judges without a precise basis commits a terrible mistake. However, for our topic of reflection for today, I want you to go into greater depth with regard to the following:

<sup>2)</sup> It is wrong to delight with a neighbor's misfortune when this misfortune is not going to bring a spiritual good in others. For example, an illness or an economic problem that will not make well their soul. By the same token, it is also wrong to suffer because of the good fortune of other people, only because they appear to be happy. This is because this sin is envy and envious people are followers of the devil who, because he could not bear to see man in Heaven where he lived, induced Adam to rebel against God. Those who belong to the devil imitate him; they feel envy just like him.

<sup>3)</sup> Another important point is to speak well of your neighbor. That is what it says in the Scriptures. You should also know that those who speak well of

others are loved by all, while those who speak ill of others are repudiated, not only by man, but also by Me. The gossip's tongue is a triple-edged sword: one edge wounds the neighbor who is the target of the malice, another wounds those who listen, and the third wounds the one who is speaking, depriving her of My grace. The worst thing of all is someone who speaks and says: Do not tell anyone; it is a secret. This is because that person is like a snake that bites without making any noise.

### DH-93.1 The Sin Of Malicious Gossip

<sup>1)</sup> The sin of speaking ill of people behind their backs, of malicious gossip, involves not only defaming them or exaggerating some fault, but also when you let them publish some hidden fault. That is to say revealing a serious secret. However, it is not a sin to speak out about the crimes and misdeeds of people when it is done for their good or the good of others.

<sup>2)</sup> What justification can there be for repeating what you have heard? It can only serve to make enemies and to produce hatred that will be sources of sin. All malicious gossip should die in your breast, closed in so that it can never come out.

<sup>3)</sup> Another terrible fault is the spirit of contradiction, since, without need and only motivated by wickedness of spirit, some people willfully contradict what others say. This is a total lack of charity. It is better to keep quiet about things that are irrelevant. Do not be obstinate in defending points that are of no interest. In such cases, it is better to give-in to keep the peace. It is far better to keep the peace than to prove a point.

<sup>4)</sup> Always make sure that your words are determined by charity, so that in this way you can respect the shortcomings of your brothers.

### DH-93.2 Meekness

<sup>1)</sup> Charity also demands that we be meek with others, especially with our enemies. When someone is annoying and bothers you with their words, reply kindly and you will see that he is immediately placated. However, if you get annoyed and respond harshly, you will increase the annoyance of the other and get more annoyed yourself, so that you will be in danger of losing the soul. When you have exploded with someone, charity demands that you be humble with the person whom you have offended and that you ask for forgiveness.

<sup>2)</sup> And, finally, charity also calls you to correct the one who sins and wanders from My path. Is it not cruelty to watch a blind man walk towards the edge of a precipice and not bother to warn him of the

danger ahead? We have discussed this before; go back and review it.

<sup>3)</sup> There are people who say they love their fellow man, but then they cannot be bothered to make the minimum effort to help people in trouble. To these people I say that giving to others frees a man from death and helps him to receive Mercy and attain everlasting life. Thus, I say to you that just as you judge others, so shall you be judged. This is because I receive all acts of charity done for your brothers just as if they had been done for Me. Make sure you understand that those who have goods in this world and ignore a brother in need, close the gates of Heaven because they do not have the Love of God.

<sup>4)</sup> When you are not able to do good to the enemy who persecutes and slanders you, not only do I command you to forgive your enemy, but to pray for him just as I gave you the example on the Cross.

#### **MY MOTHER: THE WOMAN DRESSED IN SUNLIGHT**

DH-94

19-Dec-96

The Lord

<sup>1)</sup> My sweet child, our topic for meditation today will be My Mother, who, through her Immaculate Heart, leads My children in absolute purity, since she is the woman dressed with the sun. I want to tell you that I have left a large part of your formation to her, since she is the Lady of the wonderful signs.

<sup>2)</sup> Mary, My child, is a woman who was born so that the Scriptures could be fulfilled, to be the Mother of the Savior of humanity; she is the Virgin conceived in purity and represents the hope of humanity. Consequently, those who ask for her mercy, abandoning themselves to her and revering her, will obtain her favors, as the powerful Queen of Heaven and Earth. The angels prostrate before her because she is My Mother, the Mother of God; she is My Heart and is part of Me, because we are one and the same through the unity of the Holy Trinity...

<sup>3)</sup> Those who believe in Me, believe in her; those who trust Me, should trust Her; they should love her because her simplicity is covered with My light. She is blessed with the virtues given by the Holy Trinity and she spreads her sweet Mercy on all of you by Me and through her radiant glances, she passes her virtues on My behalf to all of our children.

<sup>4)</sup> This Advent, I want you to concentrate on the fact that there is no one like her; however, many reflect her because she offers her virtues for love of Me... How can you not listen to her? How can you not listen to those who hear her? She is the silence of beauty and the one who whispers in My ears her loving prayers for you, so that I whisper in her ears the joy of My Love.

<sup>5)</sup> Today, My child, I am celebrating the master plan of salvation of God the Father through the Immaculate Conception of Mary, the always pure, the always humble, she who is never approached by evil because of her virtues and beauty.

<sup>6)</sup> Come close to her; trust in her, because her love for you is so great that she is constantly asking Me for a new gift for you. Enjoy her last gift, with your entry into the Blue Navy of her Immaculate Heart. I want the world to know of My truth through you. I will make you just in Me and everyone will know that your delicate soul was created for Me and by Me in order to carry the gift of Divine Mercy to the men and women of today — this last desperate cry of your God to save humanity.

#### **PRAYER: TOWARDS A SPIRITUAL MARRIAGE**

DH-95

20-Dec-96

The Lord

<sup>1)</sup> My little child, today we will talk about the meaning of union in prayer. I want you to meditate about this. When a soul rises to Heaven in prayer, she reaches a place in which I bless her with My Love and she achieves a spiritual marriage. At that moment, you come into My Hands through an empty space, which allows you to be in silence so that I can fill that vacuum with heavenly feelings. This Love is not a love of human emotions, but the profound Mystery of the Divine...

<sup>2)</sup> I beg you, little one, that, when you reach this phase, do not fight to get out of it. On the contrary, abandon yourself even more until you reach the point at which the tide leaves you exhausted and truly close to your God. This is the purest form of prayer. It is the ecstasy of the union with Me, without words, nor the sense of touch, but in an environment of infinite peace. It requires no effort on your behalf, because the prayer of grace comes totally from Me. Simply, as on other occasions, let yourself go, do not resist.

<sup>3)</sup> You have no idea of how blessed are they who keep themselves free from vanity, so that My glory can be a source of spiritual food for them for only I can feed the soul far beyond all human comprehension.

<sup>4)</sup> There, the beginning of your transformation rises rapidly through My Grace, almost without you being able to perceive it, because it is not a product of your efforts... Do you see how you have to praise My goodness to ascend in My Love, a Love that emanates from Me to all of those I choose, even though they do not deserve it?

<sup>5)</sup> If you believe you have achieved something because of your own merits, then you have learned

very little, almost nothing. When you allow Me to infiltrate My Love into your prayers, then you will grow, traveling at the speed of light to a fusion with your God.

<sup>6)</sup> Only wish to be close to Me, and I will be responsible for raising you to another dimension of life, to My Life, in which My immense goodness only knows what is good and what is perfect. What you leave behind is human comprehension, and you should not waste time with that, nor analyze it. You should be satisfied to be what you are, without knowing who you are, but being totally sure that you owe everything to Me.

<sup>7)</sup> Listen, My child, stay quiet and rest, listening to the silence of the vacuum of the world, in order to hear the harmonious melodies of My harps from Heaven... It is important that you begin to make an effort to achieve the internal harmony of peace and tranquility, leaving the doors open for the Holy Trinity to enter into you and find a longed-for rest. Start, little Catalina, with acts of simplicity and being open for the necessary detachments in your normal human conduct.

### WHOEVER LOSES ME LOSES MORE THAN THE WHOLE WORLD

DH-96                                      21-Dec-96                                      The Lord

<sup>1)</sup> Little one, the topic to meditate on today will be this one: Carry out an act of deep faith and gratitude, because "... He lived among us..."

<sup>2)</sup> That is how it was. I became man in the bosom of My Mother; I took on human nature in the pure core of My saintly Mother. That is why those who find Me, find a great treasure, and those who lose Me, lose far more than the whole world...

### PRAY FOR TRUTH

DH-97                                      25-Dec-96                                      The Lord

<sup>1)</sup> Beloved daughter, face every moment in peace, in My Peace, because that is how you will acquire all of the knowledge that I wish to teach you. All committed people receive personal teachings from the Holy Spirit, and only by abandoning yourself to My Will will make you well mannered.

<sup>2)</sup> I guide My children, but I respect their free will; I will never force them with the Grace of My Truth. I do not impose My Will, except when it is absolutely necessary for the good of your souls.

<sup>3)</sup> I want you to know that I reach everyone in a simple, lowly way and with peace. I even free those who are bogged down on the path of wickedness if

they ask Me for help. Then I transform the wickedness into love, because I am the God of Love.

<sup>4)</sup> Put all your unhappy anxieties, impatience and frustrations aside. Just fight to follow Me. I go uniting My flock; only I know what I have reserved for My elected groups.

<sup>5)</sup> I gave My children who speak with Monsignor the authority and afterwards they will work here in this task that is so important for the life of the Latin American Church... They have now been on the task for several months, but later it will be for a longer time. Make sure that you do things with order and responsibility.

<sup>6)</sup> Dearest daughter, pray for the truth; the Church is passing through difficult times in this country and much more in this city. Many of My priests cherish their lives of comfort and have fallen in love with luxury. The humbleness of these children will surely shake their proud hearts.

<sup>7)</sup> Pray for protection and for a holy awakening; pray for yourselves to remain focused on Me. Be kind to those who feel frustrated, bitter.

<sup>8)</sup> Only I know the depth of what stimulates your hearts, so I am able to attain good in any situation.

<sup>9)</sup> Beloved child, keep your relationship intact with Me first; then your love and gentleness will speak for you. I love you, My child; go and pray.

### CONTRITION REJUVENATES THE SOUL

DH-98                                      26-Dec-96                                      The Lord

<sup>1)</sup> Beloved child, you already see the gift of the loving presence of this beautiful image.

<sup>2)</sup> Now listen, I want you to get out of all commitments this weekend; we have to work. I want you to apologize to all the people so you can give your time to Me.

<sup>3)</sup> Do not forget; prepare everything; develop the fighting spirit, because it will teach you to watch over your examination of conscience each day; that is where you will learn to improve yourself for the next day. Remember that contrition rejuvenates the soul.

<sup>4)</sup> Begin with the Sorrowful Mysteries...

<sup>5)</sup> (*We had already prayed the Joyful ones in the Prayer Group.*)

### TOPIC FOR REFLECTION: CHARITY

DH-99                                      27-Dec-96                                      The Lord

<sup>1)</sup> Beloved, the topic of reflection for this morning is charity; I want you to go into great depth in your evaluation of what charity is.

## TRUE LIBERTY

DH-100

28-Dec-96

The Lord

<sup>1)</sup> My little girl, let us talk a little about what true liberty means.

<sup>2)</sup> This is a blessing that I have given My creatures so that they may elect the way of good, along which they may proceed perfecting and sanctifying themselves. If freedom is the conquering spirit of good, this freedom cannot run along rivers of vain and stupid whims, and even less of selfish and humiliating passions.

<sup>3)</sup> It is wonderful to observe people making optimistic plans that they wish to carry out. Those who are bored, who have no plans to do anything and who do nothing, must appear so sad and worthy of compassion to you!

<sup>4)</sup> Little one, understand that earthly life is only a prolog to the book of eternity... Make sure you write one beautiful paragraph of this prolog every day.

<sup>5)</sup> And now I am going to tell you about the nature of the dust that has been falling in your house during the last few days. It is a special gift from My Mother and Her Angels. Its composition is of no importance; it is nothing out of this world. However, the smell... does it not remind you of something? That is it; you are right, Toño.

<sup>6)</sup> *(My guardian angel is called Toño, and sometimes I have felt his presence very much with this smell.)*

<sup>7)</sup> Share it with those whom you love. A while ago you received another similar gift; it was the same, a foretaste of what is so abundant in Paradise: milk and honey.

<sup>8)</sup> The topic for your reflections tomorrow: liberty.

## WHOEVER LOVES IS WILLING TO GIVE AND TO RECEIVE

DH-101

31-Dec-96

The Lord

<sup>1)</sup> This is the last night of the year; I want you to include all these writings in the "Door to Heaven".

<sup>2)</sup> If we make a balance sheet of all the personal activities of each of the members of the group, we will see that some people have worked hard and conscientiously. However, if we talk about the group in general, we will see that the love and charity between you has diminished, and jealousy and envy have increased. You have been overcome by a lethargy and lack of will power that is totally undesirable for the spiritual growth of this group that began with so much love.

<sup>3)</sup> But I am not going to insist... and I do not want you to do so either. Everything has to work out in the end. A real group must be formed, a group that will

indeed make an effort in the year that begins tomorrow. A group that is truly special, a group with humbleness of heart, sincerity and the zeal to work for My glory. A group made up of people who do not work for their own profit and worldly goods that they will no longer be able to use.

<sup>4)</sup> Many members of the group do not understand that the real meaning of mutual commitment is love that those who love are willing to give and to receive. But to give, people must be generous, and to receive, they must be humble. Only the generous and humble of spirit are capable of true love. I want them to read 1<sup>st</sup> John 3,2 and to know how many things I reserved for this group. I hope they have sufficient detachment to understand what I want to say.

<sup>5)</sup> And now to you; you have helped Me so much this year - with your pain, with your sacrifices, with your poverty - that I am going to reward you with something that is going to make you very happy... However, your moments of impatience have not been few and far between, nor have you done well organizing yourself so as to increase the time you spend in prayer. You have not fasted enough, and on many occasions you have not had the courage to pass on My Messages when they seemed to be too strong. This is called disobedience, and I do not like it when you are more concerned about the opinions of men than about Mine... However, you have something very greatly in your favor: your love for Me. Because of this, I can forget your shortcomings because love overcomes everything.

<sup>6)</sup> You will read this Message on January 21, when everyone has either planned - or not planned - their yearly activities. By that day, those who are truly Mine will already have made a reality the saying "Today, far more than yesterday, but less than tomorrow," and they will have accepted that to be a saint requires a great deal of effort.

<sup>7)</sup> Be assured, my child, that every man has a certain amount of saintliness in him, but in order to chisel out this saintliness, it requires a great deal of effort - minute by minute, chisel stroke by chisel stroke - because saints are not improvised. People have lost so many beautiful things that We had in mind for them... Satan was able to do so much with his machinations and his ability to take advantage of their weaknesses, weaknesses that are usually a result of people being unable to see the beam in their own eye... How easy it is to criticize our friends when they are not with us.

<sup>8)</sup> Beloved child, I want your first prayers tomorrow to be for everyone in the whole of the universe, for all of those who have been forgotten by others, for the souls in Purgatory, for those who are doubtful in

their faith, for those who consecrate their souls and bodies to the cause of the Gospel, for those who voluntarily are deprived of My merciful love and the compassion of My Mother, and for those who ask My Sacred Heart for more love. And very especially, I want you to pray for every one of the members of this group, especially for those who will leave it.

<sup>9)</sup> Then I want you to pray for the religious congregations, for those who have been consecrated, so that they may remember the ideal they set for themselves at the beginning, so that they may have the strength to persevere with courage remembering that the peace they enjoy comes from Me. Pray for them to have faith and hope, and to lead decent, charitable lives in which they are not concerned about worldly goods and commodities but are always seeking those of Heaven...

<sup>10)</sup> Pray that all committed lay people may remove from their hearts the hate, the jealousies, the envy and all other worldly spirit that they may refrain from doing evil and that they may always try to do good; that all of them may become apostles, who proclaim My Word everywhere; that they have one heart and they be one together.

<sup>11)</sup> How many beautiful things I have prepared for you this year. But how many things I also have to lovingly correct in that nature so imperfect. Make your love for Me grow; love Me always, every moment... more, sweetly, tenderly... Just as I love each one of My souls.

**<sup>12)</sup> I will give you two prayers that I want you to repeat continuously:**

+ *"Lord God, for the saintly pains of Your Mother, for the tears that she shed in those moments, grant me and all other sinners true repentance for our sins, and give us a real desire to work in Your service."*

+ *"Sacred Heart of Jesus, truly present in the Holy Communion, I consecrate my soul and body to you, to be one with Your Heart, that is continuously sacrificed on the Altars of the Earth and that praises the Holy Father, beseeching You to make Your Kingdom come. Please receive me as a humble offering. Use me as You wish for the Glory of the Father and the salvation of souls."*

*Blessed Mother of God and of all of us never let me be separated from Your Holy Son. Please defend me and protect me in a very special way, as your daughter. Amen."*

**BRIEF MESSAGES**

DH-102a                      22-Dec-96                      The Lord  
<sup>1)</sup> Beloved child, are you not happy that your friends come? I am arranging everything in accordance with My Mother's holy plan.

<sup>2)</sup> When my children decide to work for Me, on My things, I solve their problems and settle their worries.

<sup>3)</sup> If My children give themselves at Christmas, how much more will I give them to show My immense gratitude. Let us work; go to the place of prayer.

DH-102b                      26-Dec-96                      The Lord  
<sup>1)</sup> Beloved child, sweet daughter of Mine, to be saintly is to stretch out your hand to those who are in need and who do not feel able to tell you. Thank you for offering your help.

DH-102c                      28-Dec-96                      The Lord  
<sup>1)</sup> My child, do you not love the sound of the rain?  
<sup>2)</sup> Do you know what is the most beautiful melody that water can play?  
<sup>3)</sup> When it is converted into the Sacramental instrument of a new life... In baptism, water becomes the instrument of My immense tenderness.

DH-102d                      30-Dec-96                      The Lord  
<sup>1)</sup> You have to keep yourself orderly in everything in order to be an authentic reflection of Me. Just imagine if God were disorderly, how would His creation be?  
<sup>2)</sup> I know that you cannot correct your faults in one day, but fight to overcome them so that you do not make your defects your friends.

DH-102e                      31-Dec-96                      The Lord  
<sup>1)</sup> Are your shoes old and deformed, and do you feel ashamed to go out looking this way? Little child, if your interior being is in order, there is no reason to feel ashamed. The human being is more an inner being than the outside appearance. If your inner being were deformed or disorderly, then you should indeed feel bothered and embarrassed...

<sup>2)</sup> If you only knew how admired are the souls who are blessed by Heaven. Just think how the Catalina of yesterday walked by with high heels and makeup, dressed like an earthly princess, leaving behind a trail of costly perfumes; who passes today, dressed humbly, adorned with My three nails: purity, obedience and poverty. Lift up your head; you are dressed in LOVE! (Write that last word in capital letters).

## APPENDIX B

### WHAT IS THE ANE AND ITS MINISTRIES?

**W**e are a lay apostolic movement who have listened to the call of the Lord, and we have decided to place ourselves at His service.

We try to carry the Good News of the Gospel to all our sisters and brothers, in order to contribute to establishing the Kingdom of God among men and women.

Committed to Jesus Christ and the Catholic Church, we respond to the call of John Paul, II as he insistently declared in his three most often repeated phrases during the course of his pontificate:

“Be saints”; “This is the time for the laity”; and “Let us promote the New Evangelization of the world”. We assume responsibility for working with energy and creativity on the New Evangelization, by attempting to utilize effective strategies and methods to call to conversion men and women of our times.

#### **Our Goals**

To spread among men and women the living presence of our Lord Jesus Christ and to help them to live their faith in accordance with the Gospel, united to Mary in prayer.

To establish small church communities “Little Houses of Prayer” where we are formed in prayer and knowledge of the Gospel, within the lines set out by the Magisterium of the Church, attempting to give witness to a life that is consistent with the teachings of Jesus.

To promote the spiritual and human growth of those who join the Apostolate, motivating the sacramental life of each one of them and facilitating the study of Sacred Scriptures, documents of the Church, lives of Saints and ANE’s own bibliographical material.

Members of ANE have the duty to evangelize each other, and to evangelize and assist and help those most in need, which is nothing more than “evangelizing” through their witness and example.

#### **Our Ministries**

“Come, you who are blessed by my Father. Inherit the Kingdom prepared for you from the foundation of the world. For I was hungry and you gave Me food, I was thirsty and you gave Me drink, a stranger and you welcomed Me, naked and you clothed Me, ill and you cared for Me, in prison and you visited Me... Amen, I say to you, whatever you did for one of these least brothers of Mine, you did for Me.” (Mt 25, 34-35. 40)

Among those Ministries, the following are the most outstanding:

**Caring for the Sick:** Spiritually assisting the sick and their family members, especially in hospitals and other health centers: a) Helping those sisters and brothers who go before us, to have a “good death”, through prayer and frequent receiving of the Sacraments; b) Consoling and strengthening in God, family members of the sick; c) Encouraging those who are temporarily sick to offer their

suffering to the Lord and to draw near Him by using whatever circumstance they are living through.

**Support for the Church:** Seeking the resources to be able to work together with people who need material help: Parishes, nuns and priests, seminaries, marginal families and in general, those with scant resources.

**Ministry of Communication:** Producing the messages of evangelization intended for wide distribution, whether through radio, television, videos, daily papers, our magazine, the Internet, audio tapes and CD’s.

**Catechesis:** Planning, coordinating and supervising catechetical formation of those working for ANE as well as the contents of the Catechism during the carrying out of evangelization.

**Penitential Work:** Accompanying those sisters and brothers who have suffered the misfortune of temporarily losing their freedom by inviting them to experience liberation of soul through the Lord, by reminding them that there is a reality which is different from that harsh environment that surrounds them and that our true hope must be placed in God. In the Prison at Mérida, our Apostolate is in charge of the section of those suffering from AIDS.

**ANE Pro-Life:** Unceasingly working to spread campaigns for the defense of life and responsible fatherhood, and against abortion, euthanasia and cloning.

**ANE Homes:** “Centers of Assistance from the Apostolate of New Evangelization”. Helping in a direct way those most in need through meals and clothing for people, medical dispensaries, catechesis and evangelization programs, rehabilitation programs, literacy planning, delivery of provisions, and counseling services.

**Small Houses of Prayer:** Coordinating the work for the orderly development of the structure of ANE and promoting the link between the different groups which make up our Apostolate.

#### **Apostolate of the New Evangelization**

## APPENDIX C

### NOTE FROM THE ANE

**T**he books of “The Great Crusade” make up a collection of volumes, which are already more than 15 in number [in Spanish], and its teachings convey the spirituality of the Apostolate of the New Evangelization (ANE), which is based on Sacred Scripture and the Catechism of the Catholic Church.

The ANE is a Catholic lay movement, which arises in response to the insistent call of John Paul II to all the baptized, to commit themselves to the task of promoting the Good News, that Christ has died and risen again in order to save us from sin.

As Catholics that we are, we fully abide by the Magisterium of the Catholic Church, which states the following in regards to the matter of private revelations:

## APPENDIX D

### HELP THE ANE TO HELP

**Canon 66:** “The Christian economy, therefore, since it is the new and definitive Covenant, will never pass away; and no new public revelation is to be expected before the glorious manifestation of our Lord Jesus Christ. (Vatican Council II, Dogmatic Constitution ‘*Dei Verbum*’ 3 AAS 58)

Yet even if Revelation is already complete, it has not been made completely explicit; it remains for Christian faith gradually to grasp its full significance over the course of the centuries.”

**Canon 67:** “Throughout the ages, there have been so-called “private” revelations, some of which have been recognized by the authority of the Church. They do not belong, however, to the deposit of faith. It is not their role to improve or complete Christ's definitive Revelation, but to help live more fully by it in a certain period of history.

Guided by the Magisterium of the Church, the *sensus fidelium* knows how to discern and welcome in these revelations whatever constitutes an authentic call of Christ or his saints to the Church.

Christian faith cannot accept ‘revelations’ that claim to surpass or correct the Revelation of which Christ is the fulfillment, as is the case in certain non-Christian religions and also in certain recent sects which base themselves on such ‘revelations’.”

*Catechism of the Catholic Church  
Canons 66 & 67*

You will notice on the inside page of our books the stamp or “IMPRIMATUR” granted by the Bishops of the Catholic Church, of the Latin and Chaldean Rites. Some have been translated into more than eight languages and have been recommended by several bishops who judge that the reading of them will facilitate spiritual growth among faithful Catholics.

The first books of the “Great Crusade” series were not printed with “offset” but were distributed by photocopies taken directly from the first original transcriptions.

With the passage of time, certain persons –clearly with the best of intentions– collaborated in “a second transcription and formatting of the texts” to photocopy them, given the fact that “the copies of the copies” turned out to be illegible in some cases. Unfortunately, in the process, there were so many spelling and typographical errors committed, that the meaning of the texts was altered and many problems were created.

Precisely for that reason, the Apostolate of New Evangelization, at the suggestion of some priests and bishops, took the decision to request that readers should not make any further transcriptions of these texts, for any reason or under any circumstance, without the strict surveillance and the due authorization of our Director General.

#### **Apostolate of the New Evangelization**

All these books constitute a true gift from God for people who desire to grow spiritually, and it is for that reason that the sale price barely covers the cost of their printing and distribution.

However, as disciples of Christ, the Apostolate of New Evangelization, among other activities, is developing a wide range of spiritual and corporal works of mercy to the needy in seven charitable locations which distribute food and clothing to the people, and hundreds of places supplied with basic foodstuffs from the family basket, by promoting evangelization and catechesis in distant villages, and by providing spiritual and material support to our brothers and sisters in any number of jails and hospitals (mainly in Latin America).

All this work can only be carried out through the generosity of people who responding to the Voice of the Lord, are supporting those who are most in need and are donating their time, their efforts and their material resources for the purpose of this charity.

If you, the reader of this book find within yourself the desire to help us in the building of the Kingdom, please get in contact with us through the addresses and telephone numbers at the end of this Appendix. The harvest is great, but the workers will always be few.

Likewise, if you wish to contribute monetarily to the development of this Work, you can do so by making your tax deductible donation check payable to “ANE-USA” and mailed to: Love & Mercy Publications, P.O. Box 1160, Hampstead, NC 28443, USA. Donations can be sent along with book and video orders but they must be made with separate checks with the book and video order check made payable to: **Love and Mercy Publications**. Donations will then be transferred to the ANE International Headquarters.

In the name of the Lord, we thank you in advance for any help you can offer us, and we entreat Him who is generous and provident, to reward you one hundredfold.

May God bless you,

### LOVE AND MERCY PUBLICATIONS BOOKS & VIDEOS

Love and Mercy Publications is part of a non-profit (IRS 501c approved), religious, educational organization dedicated to the dissemination of books, videos and other religious materials concerning the great Love and Mercy of God. As part of its mission, this organization distributes with permission the books containing messages dictated by Jesus and the Virgin Mary to Catalina (Katya) Rivas as well as other related materials. The contents of these have been reviewed by Catholic Church authorities and found to be consistent with the faith and teachings of the Church. Further information on this can be found at the beginning of each book.

The books are available in the original Spanish, in English and some other languages at no cost on the Internet at: [www.LoveAndMercy.org](http://www.LoveAndMercy.org). Also, they are available to order as printed books from Love and Mercy Publications as follows:

#### Books on the Eucharist

**The Holy Mass:** A profound teaching and testimony with a 2004 Imprimatur on the Holy Mass containing visions at the Mass and messages dictated by the Virgin Mary and Jesus to Catalina that can deepen one's spiritual experience at the Divine Liturgy. This is the most widely read of Catalina's books.

**Holy Hour:** A beautiful devotion with a 1998 Imprimatur to read and pray before the Blessed Sacrament that was dictated by the Virgin Mary to Catalina and includes traditional prayers and verses from the Bible. A reader can see and experience the great love that the Mother of God has for this most blessed of Sacraments.

**In Adoration:** A very special meditation with a 2007 Imprimatur about our faith and the Eucharist. It is a testimony of sublime teachings by Jesus and Mary on the love in the Eucharist and the Mercy of the Lord and contains 12 extraordinary promises from Our Lord for those who visit Him frequently in the Blessed Sacrament.

#### Books on the Passion

**The Passion:** Reflections on the mystery of Jesus' suffering and the value that it has on Redemption as dictated by Jesus, God the Father and the Virgin Mary to Catalina. This is truly a profound account of the Passion of the Christ with a 1998 Imprimatur that will deeply touch and change hearts, increasing one's love for Jesus.

**The Stations of the Cross:** The meditations on the Passion of the Christ in this booklet were almost all extracted from "The Passion" (see above) and the remainder was from the Bible. The meditations are organized to follow the traditional Stations of the Cross and will provide the reader with a very moving spiritual experience of walking with Jesus and hearing Him describe and explain His Passion as it transpired.

**From Sinai to Calvary:** Profound visions and teachings that were dictated by Jesus to Catalina concerning His seven last words during His Passion that were given to Catalina in December 2003-January 2004 time period. Completed in 2004 with an Imprimatur.

68 DOOR TO HEAVEN

**I Have Given My Life for You:** A compilation of messages with a 2009 Imprimatur, that were given by Jesus to Catalina during the Lents of 2005, 2006, 2007, 2008 and 2009. Their beautiful content is a new call of the Lord to each reader, to unite to Him in the dramatic moments in which He prepared to surrender His Life for the salvation of humanity.

#### Books on other Themes

**Divine Providence:** A profound teaching on death and reconciliation including visions and messages dictated by Jesus to Catalina as well as her personal account coinciding with and concerning the deaths of her mother and brother within days of each other in June 2003. This book has a formal recommendation of the Archbishop Emeritus of Cochabamba. This book can give much hope and comfort to all people, for all experience during life the death of loved ones and all will ultimately experience death and a birth to eternal life. A reader of the book can also gain a deeper understanding of the Sacraments of Reconciliation and the Anointing of the Sick.

**My Broken Christ Walks over the Waters:** Catalina's testimony with a 2005 Imprimatur on the written work of Fr. Ramón Cué, SJ, "My Broken Christ" which profoundly touched her. Catalina seeks not to draw attention to herself but rather to Jesus and thus, she has shared little of her personal story in the past. But in her recent books, this one especially, we begin to perceive the essence of Catalina's soul and the depth of her spirituality and love of Jesus and His Mother

**The Visible Face of an Invisible God:** A testimony with a 2005 Imprimatur that speaks to us about the importance of living our Christianity consciously and of deepening our conversion. It invites us to rediscover the commitment that we, being baptized, have acquired, so that we can assume this responsibility with the befitting seriousness.

**Praying the Rosary:** At the beginning of "The Holy Mass", Catalina referred to the Lord and the Virgin Mary providing instructions to her on how to pray the Rosary. These messages having been dictated in the Formational Books (see below), all of which had received a 1998 Imprimatur. This booklet is a compilation by Love and Mercy Publications of a number of these messages.

#### Set of 7 Books of Formational Teachings

These are the initial books of teachings dictated by Jesus and Mary to Catalina from 1993 to 1998, all with a 1998 Imprimatur. A person cannot seriously read and study the full set of these formational teachings of Jesus and Mary without finding one's faith, hope and love for God and neighbor profoundly strengthened and deepened. It is strongly recommended that the books be read in chronological order which is: **Springs of Mercy, Ark of the New Covenant, The Passion** (same book as described above), **The Great Crusade of Love, The Door to Heaven, The Great Crusade of Mercy** and **The Great Crusade of Salvation**.

Catalina continues to receive messages. Please visit [www.LoveAndMercy.org](http://www.LoveAndMercy.org) to check on current availability of the books of Catalina.

## Other Recommended Book & Videos

**Related Book - "Reason to Believe":** A statue weeps and bleeds in the same city that Catalina Rivas writes profound teachings she says are dictated by Christ. Elsewhere, a communion host (bread) changes to living flesh. Are these claims true? What does Science have to say? This is a fascinating journey of Australian lawyer, Ron Tesoriero, in pursuit of answers. On the way he invites a well-known and highly respected journalist Mike Willesee to join him. What they discover will confront the mind and heart of every reader.

### **DVD-Video - A Plea to Humanity**

This video documents recent remarkable supernatural events in Bolivia. The video was produced by the Australian attorney and documentary producer, Ron Tesoriero. The video also includes footage from the 2-hour, prime-time, FOX TV broadcast, "*Signs from God - Science Tests Faith*," on the bleeding statue of Christ and on Catalina's messages.

### **DVD-Video - The Eucharist - In Communion with Me**

This documentary is an educational and evangelical instrument to acquaint people with this most important Sacrament. It also deals briefly with certain Eucharistic miracles approved by the Catholic Church. These are powerful reminders of the true presence of Jesus Christ in the Eucharist. This documentary was produced by Michael Willesee and Ron Tesoriero.

### **SCIENCE TESTS FAITH**

*~ Following the Trail of the Blood of Christ ~*

**Hear the Story unfold as Science finds: Blood & Flesh, Human DNA, Heart Muscle and White Blood Cells, all in a Bleeding Consecrated Host as the Truth of the Eucharist is revealed by Science!** Yet science cannot produce a detailed DNA profile from not only the Host but also from a bleeding statue of Christ. These intriguing and very extraordinary scientific findings are presented in detail in this DVD by compelling and thought provoking witnesses to their faith, Ron Tesoriero, attorney and documentary producer, and Mike Willesee, senior Australian TV Investigative Journalist, who build a powerful fact-based case for belief in the Eucharist. The DVD includes their September 2009 USA presentation and exclusive interview covering the scientific results of these Catholic Church commissioned investigations into a bleeding statue of Christ and a recent Eucharistic miracle. The DNA and forensic studies present a strong testimony for a renewed love and belief in the true presence of Jesus in this Most Holy Sacrament.

**Also on this DVD are PDF files of Catalina's books in both regular and large print versions.** Just insert the DVD into a computer DVD drive and open the "Book\_Menu" file on the DVD to select and read/print the books for free.
