March 2011

Dear Brother or Sister in Christ:

In all honesty, when a parishioner from a neighboring parish asked me to consider hosting a Lenten series entitled, *Science Tests Faith*, I was skeptical. Then, I realized that the event would be coordinated and directed and presented by a Catholic lay evangelist from Texas, Tim Francis.

The literature about Tim and his endeavors seemed genuine and the endorsements from Cardinal Pell of Australia and other church officials convinced me to give it a try. It was the right decision to make!

The response of over 400 people drove home to me that the Holy Spirit was indeed behind Tim Francis and the whole ministry of *You Shall Believe*. The videos that Tim showed us were truly inspiring, informative, challenging yet comforting. His own testimonies were presented with conviction, excitement, faith, and enthusiasm and were well received by parishioners and friends of our parish.

Without hesitation I recommend Tim Francis to you. He is a faithful family man, husband and father of 3 children. He is sincerely trying to live a Catholic-Christian life as a disciple of Jesus and trying to use the experiences of his own life of faith to evangelize others. His presentations here were sound and orthodox and his messages were truly inspiring. May God continue to enrich him with His abundance and touch all those who see and hear Tim's presentations and messages. For further comment or discussion, please do not hesitate to contact me at 401.949.1500 or email me at pastor@saintphilip.com.

Sincerely yours,
