

"I can only say that the "You Shall Believe" presentation was an evening of grace for Transfiguration Parish. We had a packed church with standing room only. People's lives were changed and deeply affected. It was a celebration of faith. I was very moved by the genuine and powerful testimony of both Mike Willesee and Ron Tesoriero as to how their lives were changed and blessed through the Holy Eucharist and the miracles they have investigated so honestly and carefully. I heartily recommend to parishes that they invite "You Shall Believe" ministries to your parish.
