

In his presentation, "You Shall Believe", Mr. Tim Francis offers a powerful, passionate, and provocative presentation regarding the miracles of the Holy Eucharist. His assessment regarding the crisis of Faith in our modern culture is spot-on. Moreover, he correctly identifies the necessity and importance of spending time with, and introducing people to, our Eucharistic Lord as a core piece of the New Evangelization. After his presentation, I was pleasantly surprised at the level of energy, enthusiasm, and the desire of many attendees to revive and increase the frequency of Eucharistic Adoration at our parish.
