

Dear Friends in Christ,

I highly recommend "You Shall Believe." They are doing a wonderful service for the Church. Their professional videos and presentations are excellent. Conversions and reversions to the Catholic Faith are numerous. I have seen the fruit at my parish. A medical doctor who did not believe in the Real Presence now believes wholeheartedly. Mass attendance has increased. Any parish hoping to start Eucharistic Adoration or striving to breath new life into their list of existing adorers should request a presentation at their parish. Their DVD "Science tests Faith" will assist non-believers to belief in the Real Presence. It will also deeply strenghten the Faith of those who do believe. Many into today's world "don't know that they don't know." You Shall Believe helps to clear up much ignorance in regards to the source, center and summit of our glorious Catholic Faith, The Most Blessed Sacrament of the Altar.

I highly recommend Tim Francis. He is a soldier for Jesus Christ and the Catholic Church. He gave three outstanding video presentations at my parish. We were greatly blessed to have him with us for three days at our parish. His talks and power point presentation, especially on the Holy Eucharist, were superb. God has blessed him with a zealous heart for the Lord of Lords. His enthusiasm is contagious and will move your faith into action. He will be blessing to any group no matter the size.

Yours in Jesus through Mary,

Fr. Jim Parker
