

## **The Evangelization Plan**

It is often said that the problem with Catholics is that they have been poorly catechized. We believe people must first be evangelized, before they want to be catechized. Everyone knows you can lead a horse to water but you cannot make it drink. Our job is to get people to want to drink. Auxiliary bishop Christopher J. Coyne of Indianapolis, IN, emphasized that the new evangelization must target those former Catholics and Catholics who are not practicing their faith. Our plan is a bold one! It targets not only those who claim, or once claimed, to be Catholic. It includes all these categories:

### **I. Catholic**

- A. Practicing
- B. Non practicing
- C. Former
- D. Youth

### **II. Never Catholic**

## **PRACTICING CATHOLICS**

**THEIR NEEDS:** They need tools to reach their fallen-away family members. They also need a way to bring Catholicism to others without having to be an expert. They would love to evangelize. They just don't know how to do it.

**SOLUTION:** Our parish mission: the Science Tests Faith will attract and inspire them, and equip them with vital tools for evangelization and catechesis. It will strengthen your own Faith. For a preview, see the [www.sciencetestsfaith.com](http://www.sciencetestsfaith.com) web site and click of any event listed and then click play to view the short video clip.

## **NON-PRACTICING CATHOLICS**

**THEIR NEEDS:** They need a reason to practice their faith, and they need to be invited back. 80% miss weekend mass and holy days, and do not go to confession, but receive Holy Communion when they go to Mass.

**SOLUTION:** We offer an innovative, attention-grabbing invitation to an extraordinary event. For a preview, see the [www.sciencetestsfaith.com](http://www.sciencetestsfaith.com) web site and click of any event listed and then click play to view the short video clip.

After attending this parish event, results like the following are indicative of the fruits of our mission.

“Attendance at daily Mass more than doubled and continues to thrive. Those coming to Adoration tripled in number...” – Fr. Jim Gigliotti, TOR, Pastor St. Maria Goretti, Arlington, TX

“I wanted to thank you for changing my life. My mom went to day 1 of the 3-day mission... she got me to attend the second day... I was an occasional Mass attendee, mostly holidays. After your talk I made a good confession and now attend Mass DAILY....” – *Kenny Wharton Phoenix, AZ*

## **FORMER CATHOLICS**

**THEIR NEEDS:** They need a reason to come back to the Catholic Church.

**SOLUTION:** As with non-practicing Catholics, we invite them to our stunning presentation. For a preview, see the [www.sciencetestsfaith.com](http://www.sciencetestsfaith.com) web site and click of any event listed and then click play to view the short video clip. Below is another beautiful testimonial demonstrating the impact of our event. It is a story of a faithful Catholic- turned-Protestant-minister who found his way back to the Catholic fold.

“Without hesitation, nor exaggeration, I can say it was this presentation that was the pinnacle of my return to the Catholic Church... Two days after the event, my 10 year old daughter asked if we were going to start going to the Catholic Church. I told her, I think so, but did she understand that...they taught that the bread and wine actually become the body and blood of Jesus Christ. Without hesitation she stated, ‘Well they do, remember, we saw the video.’..In that moment, through the eyes of a child, I was given clarity of purpose and my family and I returned to the Catholic Church.” – *Brett Petillo Phoenix, AZ*

## **YOUTH**

**THEIR NEEDS:** The needs of young people are twofold: 1) The example of their parents and the parish community. How can we expect the youth to be excited and engaged without these examples to inspire them? They need to see adults who don't skip Mass, adults who take advantage of the sacrament of Penance. When their role models are on fire for the Faith, that fire will kindle the same fire in the youth. 2) Young people need a reason to believe that something is true, when the world tells them otherwise. For a preview, see the [www.sciencetestsfaith.com](http://www.sciencetestsfaith.com) web site and click of any event listed and then click play to view the short video clip.

**SOLUTION:** Just as the needs of our youth are twofold, likewise, the solution has two aspects: First, we engage the parents in the Science Tests Faith event and in the follow-up actions. Second, There are three factors in the Science Tests Faith program which are effective catalysts in lighting the fire in our youth:

1. Young people are captivated by the supernatural, the paranormal. We get their attention by attracting their natural curiosity.
2. One of today's oft-repeated sayings is, “I'll believe it when I see it.” The Science Tests Faith program uses videos and pictures of scientifically investigated supernatural occurrences.
3. “Facts Tell and Stories Sell” is a popular slogan. We present amazing and unforgettable life-changing stories.

## **NEVER-CATHOLIC INDIVIDUALS**

Jewish, Muslim, Protestant, agnostic, atheist & all God's Children.

**THEIR NEEDS:** They need a reason to become Catholic.

**SOLUTION:** The three factors listed above attract individuals who have never been Catholic: People are inquisitive about the paranormal; they want to check out hear-say for themselves; they are captivated by a riveting story. We know them in our circle of friends, neighbors, and business associates. By lighting the fire of practicing Catholics, and turning the lukewarm into active Catholics, we give them the tools to reach non-Catholics and bring them to Christ. For a preview, see the [www.sciencetestsfaith.com](http://www.sciencetestsfaith.com) web site and click of any event listed and then click play to view the short video clip.

## **OUR GOALS**

1. Increase belief that the Consecrated Bread and Wine are truly the Body and Blood of Christ, and thereby bring dignity back to the altar.
2. Increase participation at Mass and devotion to the Eucharist during and outside of the Mass.
3. Increase Eucharistic Adoration; strive for Perpetual Adoration.
4. Increase Confession lines.
5. Increase Consecration for Families.
6. Organize, train and equip a New Evangelization army in response to the call of Pope John Paul II. This army will be committed to turning our culture from a vice-driven culture back to a virtue-driven culture.

## **OUR GAME PLAN**

1. Arrange hundreds of parish presentations both Live Presentations and DVD Presentations for smaller parishes.
2. Arrange thousands of in-home DVD presentations inviting family, friends, neighbors, local church groups, etc.
3. Form thousands of weekly Love and Mercy Prayer Cenacles to pray the Rosary together and read the messages and teachings in the books from Jesus and Mary.
4. Promote the "Simple Action Plan" that has been developed for after the initial presentation.
5. We need your prayers and financial help if possible to begin an advertising campaign to share the scientific evidence of the Truth of the Eucharist and the Words from Heaven given to us by Jesus and Mary for the world.

## **IN SUMMARY**

### **THE LIVE PARISH PRESENTATION**

The event draws crowds of lukewarm Catholics and Mass attendees, as well as the fallen-away Catholics, non-Catholic Christians, agnostics, atheists, and others from nearly every religious background. In fact, up to 70% of the audience at a live Parish Presentation event may be made up of people who are not currently or seriously practicing the Catholic faith.

## **THE DVD PRESENTATION FOR SMALLER PARISHES**

We have a small group of individuals already available that can schedule one of their group to go to a smaller parish and organize and give the new DVD presentation, “Signs from God – Miracles and Their Meaning”. Afterwards a copy of the follow up action plan will be made available for those interested in the Great Crusade of Love and Mercy that may want to be participate in the simple action plan of this great movement against the culture of death.

## **THE IN-HOME DVD PRESENTATION FOR GROUPS**

A small group of friends, neighbors, relatives, fallen away Catholics, etc. are invited to a showing of the new DVD, “Signs from God – Miracles and Their Meaning”. After the in-home DVD presentation, through the inspiration of the Holy Spirit, a weekly Love and Mercy Prayer Cenacle is encouraged and could be formed with some of the group. A day and time for the cenacle can be decided. For more information, see “A Simple Action Plan” under the tab “About” and “Evangelization Tools”.

## **OUR GOAL:**

Our mission is to make you aware of miracles that are extraordinary, perceptible to the senses, and produced by God in a religious context that you might “believe” and become stronger in your faith and more intimate with Our Lord, our Lady...Our Holy Mother Church.

## **THE FOLLOW-UP ACTION PLAN**

As part of the Game Plan, we have designed a Simple Action Plan and program to follow the initial DVD presentation, carrying forward the excitement and enthusiasm generated at the event, allowing for ongoing evangelization and catechesis. For more details about the plan, go under the tab “About” and “Evangelization Tools”.
