Dear Friend,

In October of 2015, our parish had the opportunity to host Tim Francis and YOU SHALL BELIEVE Ministries for two evenings of Eucharistic Evangelization. While we viewed the same message both evenings on video, Tim was able to express the views and belief of the “Real Presence” of Christ in the Eucharist for us Catholics and those who just came to listen and learn in complimentary fashion. This presentation includes videos which are remarkable tools for teaching and believing in the true presence of Christ in the Eucharist as *Science Tests Faith*. Many who attended the first evening, returned on the second evening in an attempt to grasp all that had been explained.

And our parishioners have responded in an overwhelming fashion by their attendance for the Sacrament of Reconciliation, Mass and Adoration of the Most Blessed Sacrament. The evenings are very informative and motivational.

Tim’s own testimony adds so much to this presentation as he shows, with enthusiasm, his commitment and belief in the Eucharist and his Faith. I believe Tim to be sincere and inspiring to those attend.

His format of the presentation works very well. Tim and YOU SHALL BELIEVE Ministries, do an excellent job of promoting this event as long as the parish is also committed to it and responds to their expectations of promotion.

We had around 500 attend this presentation with an additional 85 to 100 who attended each night.

As Pastoral Assistant and Director of Adult Formation/RCIA, I would recommend this presentation by Tim Francis and YOU SHALL BELIEVE Ministries.

Feel free to contact me if you have any questions concerning this presentation.

Sincerely,
